School Year 2009-2010

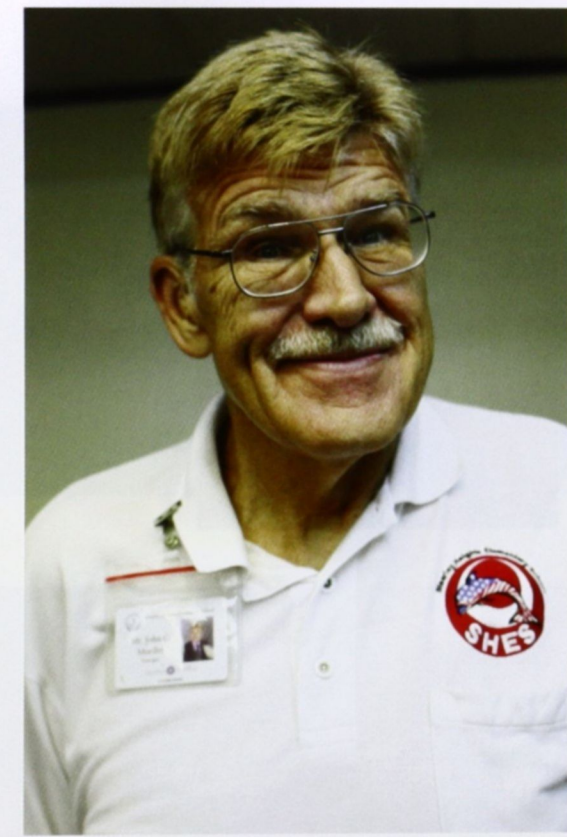

Students and Parents of Stearley Heights;

A lot of hard work by many individuals went into the production of this yearbook, but the person most deserving recognition and thanks is the Yearbook Sponsor, Mrs. Marisa Amick.

Being in Okinawa and attending school here is an unique opportunity and experience and probably is special enough in itself to allow students to retain many wonderful memories. As an adult, I have some wonderful memories of my elementary school years, but not so many. Back in 'ancient times' when I went to school, elementary schools did not do yearbooks, so I have only my own memories and just a few faded photos. This yearbook has many great photos of people and events. I am sure that you will enjoy looking at everything when it first comes out but hopefully, in the future, it will provide the stimulus to sharpen and refresh some of those memories. I remember that my high school year book was entitled The ZEM ZEM. This was the name of an ancient well the waters of which when sipped brought back forgotten memories. I always thought that was a perfect name for a yearbook.

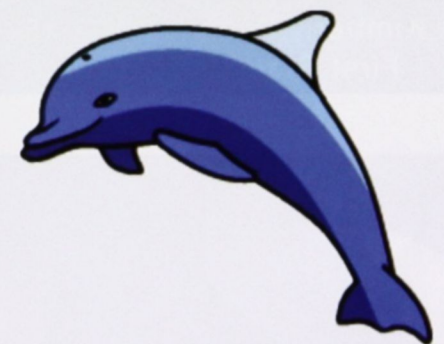

So, as you 'sip the waters' of this year's book both now and in the future, may the memories evoked be wonderful and exciting!

Thank you for this opportunity to create the Stearley Heights yearbook. Often, while editing pictures of the SHES students I would find myself smiling at their happy faces and remembering the fun events at Stearley Heights. I hope it brings a smile to your face too. Thanks to everyone who helped me complete this yearbook!
