Sayonara School Year 2010-2011

Over the course of a person's lifetime, there are literally thousands of pictures of friends, places and events. Sometimes they are stored in albums, on discs or CD's, or I-Phones, computer memory. Over the course of time, many will get thrown out or deleted. Photographs always seem to find a way to wind up in a card board box. The reason is that over time as we meet thousands of new people, and make hundreds of friends and visit so many, many places, we often forget the names. As a kid, I remember looking at my parents albums and recognizing only a very few people in the pictures.

But that does NOT happen with a yearbook!! Thanks to the work of our yearbook Sponsor Mrs. Marisa Amick, you have a beautiful, colorful 'memory preserver.' People and friends are forever identified. Events that you might have already sort of forgotten are pictured here and can jolt your memory. And when that happens, it is my wish that those memories come back and always bring a smile to your face as you remember the years you spent in Okinawa, Japan attending Stearley Heights Elementary School! Of course, be aware, that sometime in the future when you are in high school or a mature adult, you can be sure that your Parents will pull this yearbook out and show everyone what an adorable child your were in elementary school.

As a finale message to each and every one of you: Always value yourself. . . Always give your BEST effort. . . Learn from mistakes. . . Never give up. . . AND **READ!!!!**
