Mr. Ashley retired this year after teaching for DoDEA for 20 years. He spent the majority of his career in the Pacific and taught physical education. Mr. Ashley is a member of the Veterans Foreign Wars and is a Vietnam Veteran. The faculty, staff and students will remember Mr. Ashley the most for his kind spirit towards the students, the image of him riding his bike to work daily and for his dedicated membership and leadership in the Osan American Elementary School Faculty Meeting Mens' Table Only Group.

Mr. Jim Ashley

Ms. Verna Redd

Mrs. Redd retired this year from teaching with an amazing total of 42 years of service both in and out of DoDEA. Mrs. Redd is the wife of Major Lee Redd, retired army, the mother of four, the grandmother of five and the greatgrandmother of one. During the course of her career, Mrs. Redd taught all over the world, received many awards such as teacher of the quarter and teacher of the year in New York, and remains an active member of her church. Hopefully, in her retirement she will have more time for her hobbies which include reading, traveling and performing jazz.

The test of a first-rate intelligence is the ability to hold two opposed ideas in mind at the same time and still retain the ability to function. One should, for example, be able to see that things are hopeless and yet be determined to make them otherwise.

- F. Scott Fitzgerald

Wisdom is the reward you get for a lifetime of listening when you'd have preferred to talk.
