LES PARISIENS

PARIS AMERICAN HIGH SCHOOL

Café

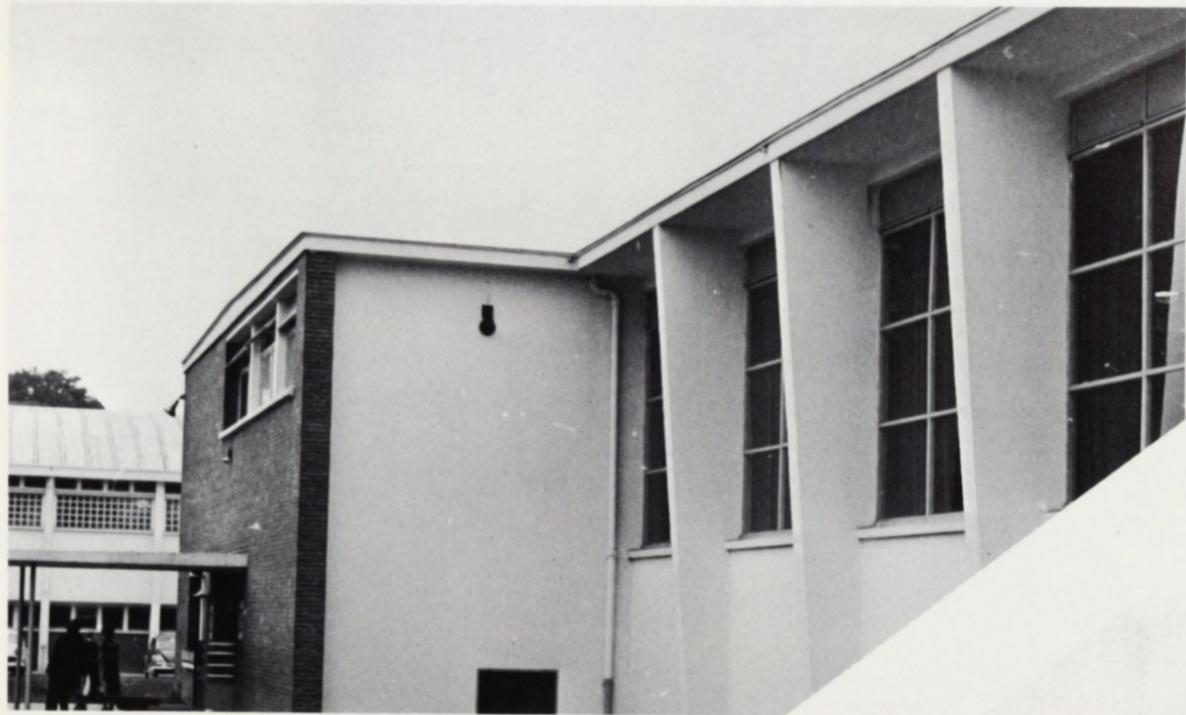

We, the staff of Les Parisiens, take great pride in dedicating this first edition of our annual to a man who has been a continuous inspiration to the students of Paris American High School.

His teaching ability, his guidance, and his special interest in the senior class are but a few of the reasons for our choice. This dedication is only a very small token of our fondness and appreciation for our teacher, advisor, and friend--Mr. John C. Hull.

THIS IS

P. A. H. S.

Men are men
before they are lawyers
or physicians
or manufacturers;
and if you make them
capable and sensible men
they will make themselves
capable and sensible
lawyers and physicians.

YEARBOOK STAFF

It is almost an impossible task to assemble in one small volume a complete and accurate cross-section of a year's activities at Paris American High School. However, the efforts of the staff have been aimed at this goal.

We hope that this first edition of Les Parisiens will renew your memories of this eventful year in Paris.

ADMINISTRATION

TO THE STUDENTS OF PARIS AMERICAN HIGH SCHOOL

The successful completion of your first yearbook "Les Parisiens" is splendid achievement--not only because it is a task well done but also because it is an indication of your excellent ability and skill, effective cooperation and enthusiastic interest. These qualities are in a great measure responsible for the fine school spirit and the intense pride which each one of you feel for your school.

You have learned that you are the ones who gain the most from diligence and interest in your work and enthusiastic support of your school activities.

Congratulations and best wishes to all of you!

SENIORS

IN ACTION

The Class of '61, the largest graduating class from Paris American High, has experienced a year of memorable activities. Miss Summers' declaration of "expediency v.s. principle" at our first class meeting in September has guided us throughout the year. Our class, headed by Dave Lambert as President, took over the leadership of the school in many ways. Seniors held prominent positions in many activities--Honor Society, Student Council, Cheerleaders, Sports, Newspaper Staff, Yearbook, Chorus, and the Senior Play, to name but a few.

We'll never forget the Homecoming game! The rain, the mud, the High spirits, a winning score, and Sherry Nistle as Queen. Next, the Seniors gave the "Crystal Ball." Amidst a pink and silver motif, Billie Slayden reigned as Queen, with Ruth Lipscomb and Michele Hornsby as her attendants. Mr. Cullen's physics tests, "those Government term papers," KING LEAR, and Mr. Hull's spelling tests--all are memories. The Junior-Senior Prom in May and Graduation June 9th brought this, our happiest of high school years, to a close.

S E N I O R C O U N C I L

It has often been said that junior year in high school is the busiest, and we, the Class of '62, thoroughly agree. Our main project was, of course, the Junior-Senior Prom and we began early in September to make plans for it. Our president, Dan James, organized our efforts and we gained our first profits during Homecoming weekend. Who could forget that rainy game where everyone wanted coffee instead of coke? --or the Homecoming Dance with our own Elaine Taylor and Linda Lewis being the Homecoming attendants? But, of course, our prom was worth every bit of work we put into it. Now, we prepare ourselves to become, at last, seniors!

Uproar in Mr. Hull's Class.

This year we sophomores found that we had acquired new importance in PAHS, being no longer classed as lowly freshmen and looking forward to the time when we would be upper-classmen. We have already begun thinking of saving money for the Prom we'll be giving next year.

We began the year with a bang--at our first class meeting we elected officers and had a chance to look around at the size of the class and the new faces that appeared in it. Although we were in debt in the beginning, we managed to acquire enough money to put on the Beatnik Dance which was a huge success.

CLASS OF 1964

President: Bob Isenhower
Vice-President: Carol Condos
Secretary: Connie Merriman
Treasurer: Mary Jo Beneke

How have we fared in the chaos of high school life?--that is the question. To bring order out of chaos, we elected Bob Isenhower president, Carol Condos vice-president, Mary Jo Beneke treasurer, Connie Merriman secretary, and Holly Shurtleff ICC representative, as this year's officers. To put them on a working basis, Dick Coe and his committee completed the monumental task of drafting our class constitution.

Several of our boys received the honor of participating on our basketball and football teams--certainly no small accomplishment. Also the class was generally successful in the extra-curricular activities.

While our freshman year has been unforgettable, we realize that we must look into the future, and we know we will, with the "get-up-and-go" that we have shown this year.

THE HOMECOMING COURT

LEFT TO RIGHT: Dave Ackner, Elaine Taylor, Pete Hidalgo, Sherry Nistle, Ron Coleman, Linda Lewis, and Hank Dittman.

Shouts and cheers of "Victory for the Pirates" resounded through the gym on November 4, 1960, as the student body gathered for the Homecoming Pep Rally. Five new cheerleaders were introduced---- "Hildie" Hidalgo, "Polly" Pocock, "Clementine" Coleman, "Stella" Stevens, and their captain, "Dollie" Dittman----who put the students in a "Beat Poitiers" mood. Shortly afterwards, Parisites boarded the buses for SHAPE. High spirits, in spite of rainy weather, were rewarded as the Pirates scored first in the exciting second quarter. Then, at half time, the 1960 Homecoming Queen, Sherry Nistle, and her two lovely attendants, Elaine Taylor and Linda Lewis, were presented to the Paris rooters. The captains of the Homecoming game, Dave Ackner, Pete Hidalgo, Ron Coleman, and Hank Dittman, pinned on the traditional corsages. In the second half, the Pirates caged the Panthers and ended the game with a 7-0 victory over Poitiers.

FOOTBALL

In 1960, Paris American High had a successful football season. This year's team was out-weighted in every game, but that did not stop the drive of the players. This season brought the second place position to Paris High.

VARSITY BASKETBALL

The 1960-61 basketball season saw Paris with four returning lettermen. Coach Corson shaped the varsity into a fighting team while Coach Schoppert piloted the J.V.

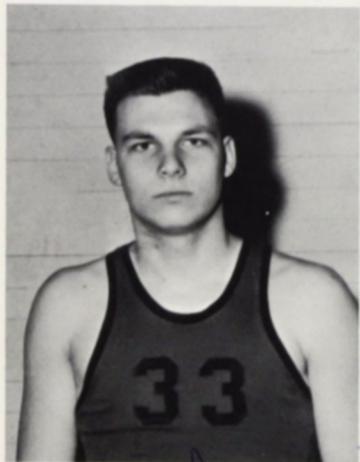

The Pirates played a full schedule including ten league games. The electric scoreboard was a nice inovation at mid-semester. Next year holds bright prospects with some fine J.V. talent moving up.

TRACK

ROW 1: Wilder, Smith, Corkey, Andrews, Troup, Goetz. ROW 2: Choate, Quiles, Albright, Taylor, Freeman, Ponde.

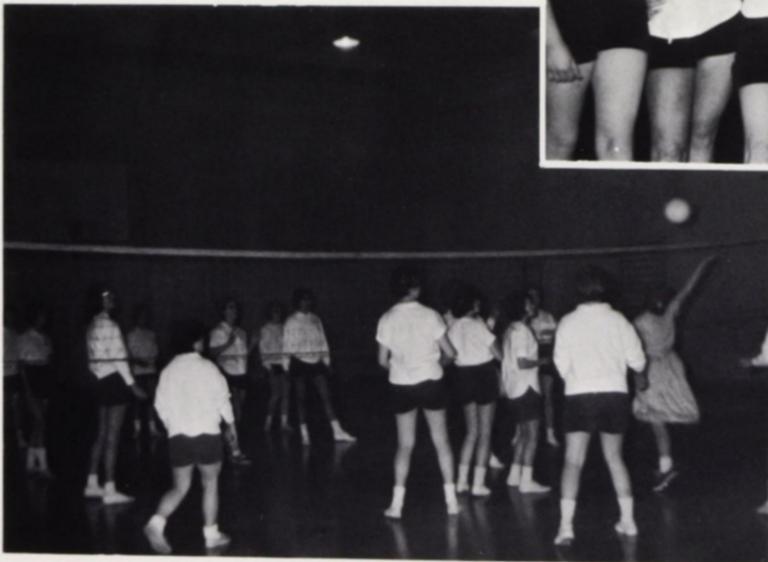

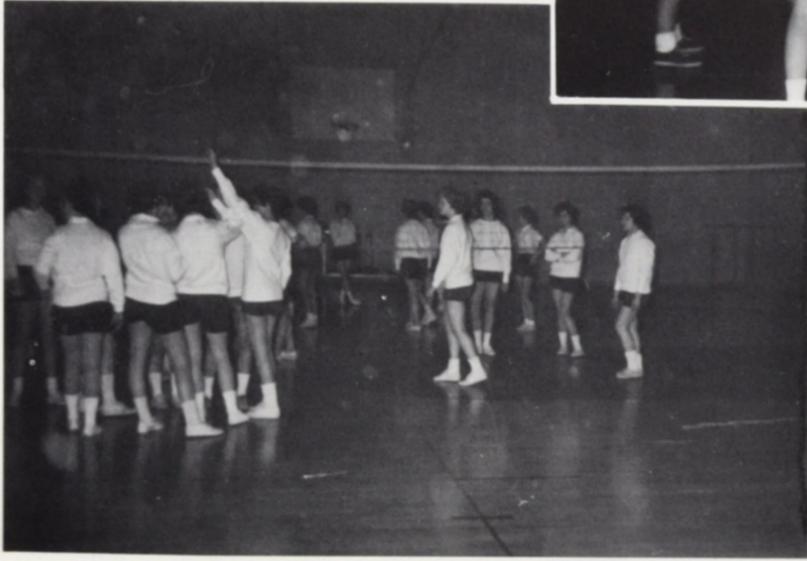

The track team of 1959 was vigorous. Our strong points in the season were the mile relay, the high jump, the pole vault, and the half mile run.

Bruce Wilder goes over the bar at an Orleans practice meet.

Bob Troup throws the discus.

CHEERLEADERS

Paris American High School is proud of its cheerleaders--and justly so. They raised team spirit for the Pirates at pep rallies and then worked hard during the games to cheer the team on to victory. Led by their captain, Elaine Taylor, cheerleaders Leslie Olsen (co-captain), Linda Lewis, Sherry Nistle, Sheri Winningham and Jane Spritzen all did their best to encourage and support the Pirates during football and basketball seasons. Thanks, girls, for the job well done!

WORLD CHAMPION RACING DRIVER 1959 AND 1960

SUNBEAM ALPINE

now with 1.6 litre engine

(1E)

POWER AND GRIP—that's the first impression I had when I tried the Sunbeam Alpine. Whatever the road was like, you certainly felt that the Alpine had things well in hand. This sports car makes you feel good—the road streams away behind you and you know she's got all four corners well down.'

More Power Lively 1592 cc engine develops 85.5 b.h.p., more torque—giving vivid acceleration and ample power.

More Stability Rear springs are bigger—for greater lateral stability. Larger capacity rear shock absorbers improve ride control and prevent fade.

More Room There is an extra 1½" between seat and steering wheel, the pedals are adjustable and the seats move farther back.

More Refinements Better weather sealing . . . detachable hood cant rails . . . an extra interior light . . . eight less greasing points . . . quick-action petrol filler cap.

Wire Wheels, White Wall Tyres, Overdrive and Hard-Top are optional extras. You can now choose from five colour schemes.
