**Whistle Up**  
Like a whistle, I can sing  
in a low, small and sweet  
or shout it out to the world,  
I choose to sing to softly,  
loudly and in many ways.  
I choose to sing the happy song  
I make them smile and shout  
for when I sing, just for fun and  
there is no winning sound.  
But I'll keep trying my best  
to whistle out my song  
and whenever I sing I'll whistle  
for everyone to hear.
