FLYING THROUGH THE YEAR

2012-2013

# Humphreys American School

2012-13

## Humphreys American School 2002-2013

**Flying Through the Year, Preparing for a New Home. This is our theme for the 2012-13 yearbook. Last year we celebrated Humphreys American School's tenth anniversary. This year we have over 680 students and prepare to say, "GOODBYE" to Humphreys American School and say, "HELLO" to the new Humphreys Central School and Humphreys High School next school year.**

### Vision Statement

Humphreys American School (HAS) is dedicated to providing the highest quality education where a love of learning is evident in all students and teachers. We envision a school community in which the environment is positive, nurturing and respectful of students, teachers and the military community. HAS strives to be a school in which academic, artistic and physical expectations are high and individualized for each student and goal-oriented, technology-rich instruction aligns with Department of Defense Education Activity standards and assessments. At Humphreys American School, engaged parents, teachers and the military community will all work together to ensure that all students can be

### Goal 1: Writing

Goal 1: By June 2014, all Humphreys American School students will increase performance on targeted writing skills using instructional strategies implemented in all curricular areas as measured by TN3 Language subtest and school-based assessments. The targeted skill is to answer constructed response questions that produce clear and coherent writing focusing on organization, ideas and sentence fluency.

Instructional Strategy - 6 + 1 Traits of Writing

For more information - [CLICK HERE](#) to download the Goal 1: Writing Blue Print

### Goal 2: Mathematics

Goal 2: By June 2014, all Humphreys American School students will increase performance on targeted math skills using instructional strategies implemented in all curricular areas as measured by the TN3 Math subtest, other system-wide assessments, and school-based assessments. The targeted skill is to construct focused organized arguments that support the problem solving process.

Instructional Strategy - UPSL - Understand, Plan, Solve, Look Back

"In the middle of the desert?" said Annie.  
The black cat stood and began walking  
around the tree.  
"Come back!" Annie called. She looked  
out the window to see where the cat was  
going.  
"Oh, wow!" she said. "Look, Jack."  
Jack leaned forward and looked down.  
The cat was running away from the palm  
trees. Toward a giant pyramid in the desert.  
A parade was going toward the pyramid.  
The same parade as in the Egypt book.

What is the sum.

# YearBook Staff

**My sincerest thank you to the yearbook staff. The many hours you worked show in this publication. Thank you HAS faculty and staff for welcoming the yearbook staff into your work places to take pictures. Thank you parents and military for supporting our school. Our apologies for any oversight or mistake we made in this yearbook. We say a fond farewell to Humphreys American School and look forward to opening the new Humphreys Central School and Humphreys High School next year.**
