DEDICATION

This book is dedicated to the enthusiastic spirit so evident at Burrows. We glow from within! The rooms are filled with busy, creative, and enthusiastic learners. The teachers, along with the support staff, maintain a positive climate that stimulates educational growth. Supportive parents are also a major part of the learning process. At the core of our school is our principal, Mrs. Jeanette Brown. She is our powerhouse of inspiration. Together we ALL make a great team!

ACKNOWLEDGEMENTS

Miss Mulhern, Yearbook Coordinator, would like to extend a special thanks to the following people:

- volunteer parents who offered their assistance
- students who participated in the Yearbook Cover Drawing Contest (parts of their work may appear within)
