October 2008

Wouldn't it be a boring world
If all the people were the same?
Just one color, just one language,
Just one family name!

Think of all the fun we'd miss
If we couldn't share
Different foods we eat, the songs we sing,
Or the way we wear our hair?

Aren't you glad we can grow together,
Whatever our background may be?
Friends are multi-wonderful,
I learn from you, and you from me.®
