HIGH SCHOOL

“The most unfair thing about life is the way it ends. I mean, life is tough. It takes up a lot of your time. What do you get at the end of it? A Death? Whats that, a bonus? I think life is all backwards. You should die first, get it out of the way. Then you live in an old age home. You get kicked out when your too young, you get a gold watch, you go to work. You work forty years until your young enough to enjoy your retirement. You enjoy the time, you party, you get ready for high school. You go to grade school, you become a kid, no responsibilities, you become a little baby, you go back into the womb. Then you spend your last nine monthes floating....

**....and you finish off as the
great feeling your parents had”**
