# RAMEY SCHOOL!

The Wave of the Future

## 2010-2011

Dear Ramey Community:

School Year 2010-11 has been a great year. Our students have excelled in sports, academics, and other extra-curricular areas. This yearbook captures snapshots of our school year. Through these pictures you can meet not only our teachers, and students, but also all our support staff. You can relive sports championships and academic triumphs. It provides vivid memories of what we shared as a school community. Our Yearbook Club led by their sponsor, Ms. Nelida Rivera, has worked arduously to compile these memories to share with all of you. Please enjoy this work as you go through the pages. I hope that you can keep this book for many years so that in the future you can look back at what you experienced at Ramey School during School Year 2010-11.

## Just Another High School Play

Whenever I have been asked to write about something I feel I have been asked to dig deep into my brain and express my feelings and emotions. That's so hard!! Coming back to the stage after so many years being away from it is not easy either. Too many things run through my mind, too many eyes are expecting you to succeed (or are they?) Regardless, I am still proud of the accomplishments of those who have shown me HOW it is done, and how to put life onto everything they touch. I have no words for thanking them for such an excellent job. As a coworker wrote me in relation to "Just another High School Play", and I quote: "...I laughed throughout the entire production and it reminded me about how many talented and positive kids we do have here at Ramey. Thanks." We do have many talented and positive students; we do have a group of people who want to make a difference, to leave a mark. It is in our hands to let it grow and flourish, or to dehydrate and expire. I want to choose the former. Thank you - my drama students - thank you for a wonderful ride through the hilarious rollercoaster of life - with bumps and all.

-Mr. Benjamin Mendez

This is a great year for soccer at Ramey and filled with pioneering and memories. The first time to form a varsity team composed with veterans formed from our previous year JV team: Tatiana Martinez, Ivonne Lassalle, Vanessa Gomez, Jailene Crespo, Yarelis Prieto, Monica Jimenez, Natalia Marrero, Rebecca Hansen, Tabitha Rodriguez and Tatiana Rodriguez. Tatiana Martinez and Ivonne Lassalle were excellent captains with great leadership and enthusiasm. Our first year rookies were helped by our veterans and were fast learners bringing high spirit as well as team spirit. They were: Mariangelis Aviles-Lorenzo, Linette Arroyo, Taisha Quintana, and Ashley Caban.

The team determination, tenacity, hard play and showing great sportsmanship created in every single game created a sense of pride and admiration to our team from the other teams players, coaches, referees, and parents. Four players were nominated to the All-Star Games: Tatiana Martinez, Ivonne Lassalle, Natalie Marrero, Tabitha Rodriguez. Ivonne Lassalle and Tatiana Martinez received special recognition from all the school coaches.

We finished with 18 points, 12 goals, and 6 goals in favor (5-2-3:12-6-6+). We were second out of our division of 8 teams and 3rd place from both divisions out of 16 teams.

Coach De Alvaré would like to recognize the following staff for their full support to the team and to the sport which shown that working together we can make Ramey Proud!: Managers (Alberto Martinez, John Lago, and Brian Cancel), volunteers Ben, William, and Kevin, Coach Gonzales, Coach Acaba, Mr. Del Hoyo, Mr. Hamilton, the Cafeteria staff, Transportation, Nurse Elizabeth, Coach Mary, Athletic Director Coach Otero, and to Dr. Cuadrado.

Looking forward to the next year!

All the twenty team members played an important role in the success of the team. The team made it all the way to the semi-finals and played with great pride and honor for themselves and their school.

Twenty J.V. girls came out to play and dominate their opponents. The team's strengths were their offense and defense, making them a well balanced force.

Your Varsity Soccer Rookie of the Year  
Will Miss you Dearly?

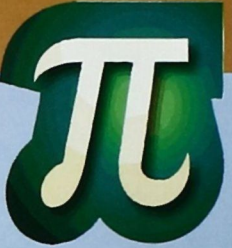

Coach D. Thank you for being  
the most awesome soccer coach  
a girl could ever have. I learned  
so much about teamwork,  
staying optimistic, giving it your  
best, and just having fun in sports.  
Before, I was the girl no one passed  
the ball to and always was  
picked last. Now, I'm confident  
in going after the ball and putting  
my best foot forward. You've instilled  
a love for soccer in me; I regret  
having to graduate this year and  
not being able to join the team  
next season. Be sure to count on  
at least one spectator. I heard that  
every teacher's dream is to make a  
difference in at least one of their  
student's life. Well, mission accomplished.

Love, Mari

As President of the Yearbook Club I would like to give a special thanks to a few outstanding members of the team this year.

Rebecca Hansen, Blanca Cruz- Montes, Mariangelis Aviles-Lorenzo, and Taisha Quintana, all went above and beyond what was required for them to finish their pages.

Also, a special thanks to Joe for the design of all posters advertising the yearbook as well as the cover.

Thank you to all teachers and sponsors who helped complete this year's Yearbook.
