

RAMEY
SCHOOL

2015-2016

*Ramey School
Yearbook*

2015-2016

*201 Arch Road-Ramey
Aguadilla, PR 00603*

Mission

Educate, engage, and empower each student to succeed in a dynamic world.

Vision

Ramey School envisions productive citizens through quality education.

Guiding Principles

Tolerance and respect for diversity
Every student will succeed
Achievement guided by standards
Caring and safe environment
High expectations

Student Achievement
Trust and respect each other's rights
Unlimited opportunities to reach high expectations
Dedication to lifelong learning
Equal access to education based on standards
New motivating challenges to inspire excellence
Total accountability with teamwork
Success for all...students first

Principal's Message

It is a privilege to be a part of Ramey School, to interact with such an engaging and dynamic group of students and staff each day. Flipping through the pages of the yearbook, I am reminded of how many wonderful ceremonies, activities and events we host. Not only that, but the tremendous assistance we receive from our volunteers and parents. Ramey truly is a hub of activity supported by a fantastic community of spanning generations. This is a campus where every face is a familiar one, where Ramey pride inspires us to step out and participate. From the classrooms, to the ball fields, to the stage and in the stands, these images help bring Ramey to life, and allow us to reflect on all of the many ways our lives interact and move forward enriched.

For the departing seniors, thank you for the contributions you've made to our outstanding community. We wish you the best going forward, and hope you will bring the Ramey spirit to life wherever your journey takes you.

I sincerely appreciate the efforts undertaken by the yearbook staff to capture and catalogue the 2015-16 school year.

Featured

"This was an amazing experience that I can only describe as a dream come true. It is unreal to me that at my age I was able to play on the national team representing my island. As well as being able to play against women who I consider role models. I was able to learn so much from so many people. These are memories that I will be able to take with me for the rest of my life. It has been an honor and a privilege to represent Puerto Rico".

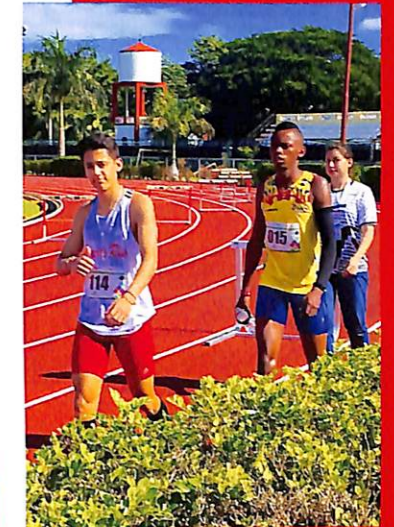

-As said by Adriana Font, Ramey School senior, and player for Puerto Rico's Women's National Soccer Team.

Adriana has been a Ramey athlete since the 7th grade when she joined the Junior Varsity soccer team and then later joined the Varsity team. Not only has she been on the school's team but she has also been on her club team, the Challengers, and the Puerto Rico national team. In her category U20, she was selected as captain where she led the team to victory with a score of 3-0 against Haiti. In February she was able to go to Dallas, Texas to represent the island in the Pre-Olympic Qualifiers. There she played against Costa Rica, Mexico, and the 2015 World Cup Champion USA.

Adriana has demonstrated immense responsibility and dedication to everything she sets her mind to. We wish her the best of luck in all of her future endeavors. We're proud of everything you have accomplished and we can't wait to see you succeed in college.

Article submitted by Alexandra Sims

Stories

Ramey School's very own senior Allan Gonzalez was selected to represent Puerto Rico at the Central American and Caribbean Interscholastic Games. The competition was held in Merida, Mexico from November 14th – 23rd. Allan learned of the selection in mid-September and was working to prepare for the games. He competed in both the 110 high hurdles and the 400 meter hurdles. When asked about this opportunity, Allan replied, "I am excited about this new experience to compete internationally and represent my country". In total, 147 student-athletes from across the island traveled to Mexico to compete against countries from the entire Central American and Caribbean region.

Allan began his track and field career in 7th grade at Ramey School. In that first year, he ran several different events and was typically finishing at the "back of the pack" in most events. At that time he was happy to just be competing and gaining experience. During his eighth grade year, he moved to hurdling as his primary event and that is where he found his niche. The combination of speed, technique and athleticism suited Allan's abilities and he won the Puerto Rico High School Athletic Alliance (PRHSAA) individual title in the 100 meter hurdles at the junior varsity level. Since then, Allan has won every PRHSSA title in the 100 meter or 110 meter high hurdles. He has set numerous school records throughout this journey. As a sophomore, Allan added the 300 meter hurdles to his workload and earned the PRHSAA championship in 10th grade, while earning sub-champion honors as an 11th grader. He has also been a key member of our relay teams and earned a PRHSAA record in the 4 x 400 meter relay during the 2014 season.

"2015 Girls Volleyball Varsity finished with an outstanding record of 10 wins and 4 defeats which leads them to the play-offs series. At the quarterfinals the team played a very challenged game against Bonnaville and this team won the championship overall. Our All-Star and Alliance players were Paula Marrero and Alanis Flores. The team is looking forward for next year season and we'll like to let know our 2015 Senior's players, Jocelyn Crespo, Adrianna Flores and Nicole Ortiz, Thank you !!, we'll miss you and we are wishing the best on their new chapter of their life."

Spell-cebration!

Dan Ellsworth-Babilonia, a sixth grader in Ms. Elia Rivera's Reading/English Language class competed in the 2016 National Scripps Spelling Bee. He began his journey winning the school wide Spelling Bee in December 2015. Then, after taking Third Place in the local competition in January, he went on to finally compete in the Regional Competition in February 2016. Kudos to Dan, his teacher, and his parents for a job well done!

Sponsor: Rex Roettger

The Green team was active in many projects this school year. We participated in the International Beach Clean-up, We started and helped maintain the school garden and hydroponic garden. We were able to produce over 100 heads of lettuce. In addition we were successful in recycling white paper, plastic, and cardboard. We estimate that we saved over 17 trees from the paper products that we recycled. In addition we had a school clean up and rehabilitated some garden spaces in front of several classrooms. This made a good impact on the campus.
