Our Mission

Educate, engage, and empower each student to succeed in a dynamic world.

Our Vision

To be among the worlds leaders in education, enriching the lives of military connected students and the community in which they live.

Principal's Message:

“Try to be like the turtle~ at ease in your own shell”

I am honored to be part of the tradition of success that had been built over many years at Ramey Unit School and proud to be your principal! The success of our students is a partnership built with students, families, staff and community.

Our community is the strongest I have seen, this was proven as we came together to overcome the challenges of Hurricanes Maria and Irma. We will continue to be RAMEY STRONG and strive to be the type of school everyone can be proud to be a part of.

Thank you to our students for showing us the resiliency of children and we appreciate the support of the families as well as thier dedication to our students. In addition, the Ramey faculty and staff have worked hard to offer the best education for each student.

2017/18 has been a year of much growth and I am grateful to have experienced it with Ramey Unit School!

Message to Seniors

Finally! The most awaited day is here. Please treasure all the experiences you have lived here at Ramey to take you to the next level. At Ramey you were exposed to many teachers, cultures, peers, emotions and situations; let these memories help you embrace what is yet to come. Believe in yourselves and don't let anyone take you down. You are ready for the next level. Don't let falls or bad grades discourage you, actually take it as a learning experience and also a challenge to do better. Be the best version of yourself! I will always cherish all the times we shared in the classroom and also field trips, after school activities, meetings and practices. May God bless you and guide you always.

- Dinah Martinez

From Parents to Seniors

Nathalie Almonte

You learn more from failure
than from success.
Don't let it stop you.
Failure build character.

Carmen Andrade

You're on your own and you know
what you know and you are the
one who'll decide where to go, just
please keep us in the know.
Adapter from Dr. Seuss by your
loving parents

Nathalie Mercado

You have only given us
reasons to hold our heads up in pride.
We are so lucky to have you in our life
. Congratulations.

Rob Overstreet

"Great things never
came from comfort zones."

Jack Overstreet

Don't practice until you
get it right; practice until you
can't get it wrong.

Frances Caban

Mi amada Frances,
Eres la alegría que la vida necesita,
la Humildad que el éxito requiere y eres
nuestra vida misma. Que tu meta sea más allá

Paola Oliver

I don't know where or how to start.
Dear Paola, you came into my life
when I was not expecting you.
I was young, and scared.
Didn't know how my life was about
to change. You are my blessing!
You change me completely.
We went through so much,
just you and me for your
first years of life. You were the one
that made me strong,
the woman that I am today.
I will do anything for you.
You know what? I look up to you
and I admire you.
I love you baby girl.
I wouldn't change a thing.
Big things are ahead of you now.
It's a new beginning of growth.
And I will be by your side
every step of the way.
We love you and we are
extremely proud of you.
Your life has just begun!!!!

Fernando Amengual
