Thank You, Mr. P!

Dear Mr. P,

The Class of 2021 wants to give you a huge thanks for everything you have done for us. When Ms. Muñiz was unable to continue as our sponsor and needed someone to step up and help us make it to graduation, you took the responsibility of becoming our class sponsor. You have done such a great job of uniting our class and keeping all of us motivated to want to finish this turbulent school year.

The Graduating Class of 2021!

Thank you for supporting us as a class and individually as students. Thank you for encouraging each and everyone one of us to dream big and to stay determined through the challenges that life throws at us. Most importantly, thank you for preparing us for our futures. We love you Mr. P and here's to you being the best sponsor any class could ever ask for.
