Dear RIS Students,

As we reflect on all the wonderful events of this school year, we want to take a moment to tell you how special you are to us. We have truly enjoyed watching you grow, learn new skills, and become more confident. It is our hope that you will continue to love learning and always strive to do your best. We wish you a happy summer and look forward to seeing you return in the fall. If you are leaving RIS, we wish you all the best as you move to a new school and meet new friends. Thank you, students, for making our school so outstanding. We are the luckiest principals in the world!

Back to School!

This year we got to meet our teachers and see our classroom before school even started which made the first day of school a little less scary!

"Who will my teacher be this year? I hope it's..YES!"

A warm welcome by our principals...and who is that lovable furry thing...it's SPOT!

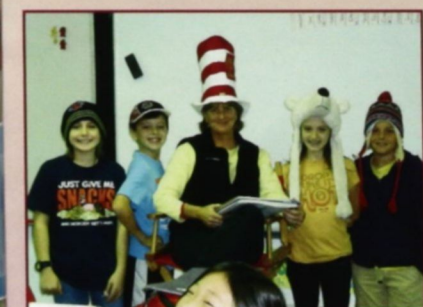

'Orange' you glad R/S Jaguars stand up and unite against bullying!

National Unite Against Bullying day was Oct. 12th, and the kids joined in by wearing lots of orange to show they care!

We protect our brains with hats during Red Ribbon Week!

Paris was truly a sightseeing delight, with a wide range of cultural and architectural attractions. It was not an easy task to decide what to visit. The Arc de Triomphe, Eiffel Tower, Partheon, the Grand Louvre, Notre-Dame and Sainte-Chapelle were the main list of beautiful attractions visited on my first visit to Paris. Wherever you go, beautiful gardens, terraces and parks greet you. A great place to photograph memories with picturesque scenes.

One of my and my husband's favorite weekend trips is to Remich, Luxembourg. Remich sits right on the Moselle River, which forms the border between Luxembourg and Germany. Our typical weekend starts with a Volksmarch on a permanent trail that takes us up above the town overlooking the Moselle River Valley which is absolutely beautiful. The next day we like to rent bikes on the Moselle, cross the bridge back into Germany, and take a long bike ride along the river. The ride is flat and easy, with the river on one side and very pretty camp grounds and small wine villages on the other.

In October, our class went to the Warrior Pre Center (WPC). We learned about all the gears and weapons, like night vision goggles, heart detectors, armor, guns, walkie talkies, and helmets. We played with simulations and war video games to help them practice for war. It was high security area so we had to have special badges with our pictures on them to get in. We met a Major and went to a conference room to watch a slide show of 70 what their job is. After we were done, we ate pizza. Mrs. West, Kayla's mother, organized this fun and exciting field trip to the WPC.
