Arnn Elementary School
"Great Expectations . . . Great Progress . . . For Kids"

It is with great enthusiasm that I write this message to everyone who views this wonderful yearbook. This book is special for many reasons; this book records a time in our life that will never be matched or replaced. I hope that this book will hold many exciting and fond memories for you. Like a song from the past, this book will open past memories and thoughts regarding some very special event or occurrence for you in your life. This yearbook will become a journey in time.

In years to come you will occasionally review this yearbook and reflect upon the times and experiences you had in this or that teacher's classroom, or while on a Study Trip into Tokyo. Maybe an experience will resurface and you will remember that time when a local Japanese school visited your classroom, and you their school. Perhaps you will reflect upon an after school activity where you first learned to operate a video camera, or when you first learned to speak in Spanish. For others it might be a special song that you were taught in Music. Maybe you'll remember the movement that was taught to you as a member in the Dance and Drill Team, you know what I'm talking about, the one that still wants to secretly escape from your control and you start to move a certain way when you hear that certain song. There may even come a time in the future that you say in disbelief, "I use to look like that"! Treasure these times and treasure this book.

Dear Students,

A yearbook is one that is filled with wonderful memories of your school experience for school year 1998-1999. The *Arnn 1999 Knights Yearbook* is your look at the friends you have made throughout the school year. It is a very special book.

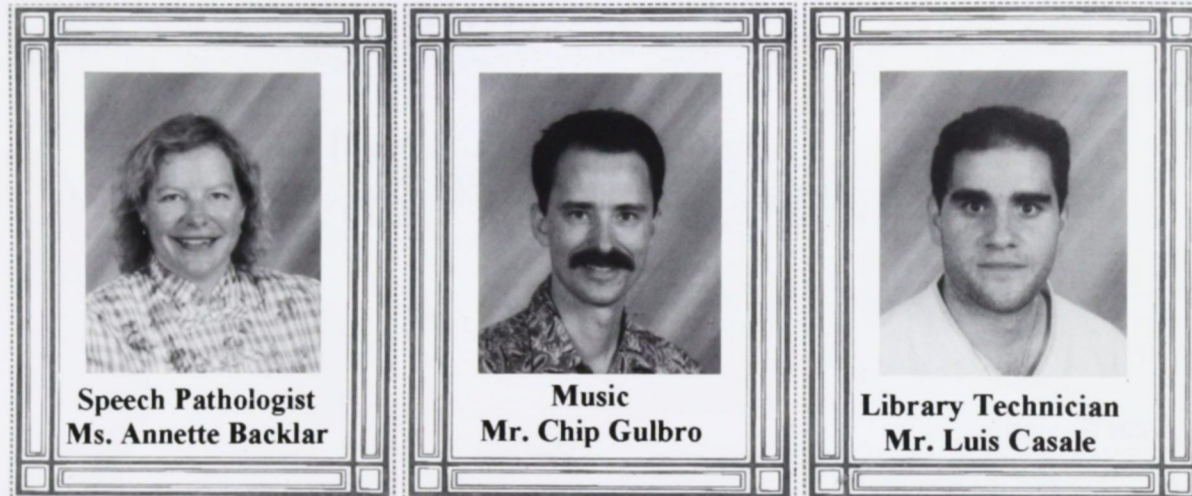

I take great pride in sharing your school experience at Arnn Elementary. It is truly a unique look at the work of your teachers, parents, and friends.

As you continue to learn and grow throughout your school years, I hope this yearbook will help you remember many experiences, subjects studied, and self-development acquired at J. O. Arnn Elementary School.
