Arnn Elementary School "Great Expectations . . . Great Progress . . . For Kids"

It is with great enthusiasm that I write this message to everyone who views this wonderful yearbook. This book is special for many reasons; this book records a time in our life that will never be matched or replaced. I hope that this book will hold many exciting and fond memories for you. Like a song from the past, this book will open up past memories and thoughts regarding some very special event or occurrence for you in your life. In later years, this yearbook will allow you to take a journey back in time.

In years to come you will occasionally review this yearbook and reflect upon the times and experiences you had. You may read the thought-provoking message that a dear friend wrote to you in this chronicle. This book will allow you to remember the names of fellow classmates from the past, or perhaps a certain teacher's name, or it will help you to remember the time that you were on that very special Study Trip into Tokyo. Maybe an experience will resurface allowing you to vividly remember that time when a local Japanese school visited your classroom, and how your class visited their school in return. Perhaps you will reflect upon an after school activity where you first learned to operate a video camera for the KARN News, or when you first learned to speak in Spanish. For others it might be a special song that you were taught in Music. Maybe you'll remember the Multi-Cultural week or the time you were able to climb all the way up the rope to the ceiling of the gymnasium. There may even come a time in the future that you say in disbelief, "I use to look like that"! Treasure these times and treasure this book.

Dear Knights,

As you move from place to place you will have this wonderful book, the John O. Arnn Knights Yearbook 2000, to remind you of your school days in Japan. It will also be an exciting way to share your "old" friends with the "new" ones you will make.

In the yearsto come you will probably forget about all the homework you had, the many tests you had to take, the rules you were asked to follow day after day. You may even forget the names of your classmates and teachers, but the memories of your friendships will atay alive in this yearbook and last forever. It is a book to treasure for the rest of your life. When the time comes for you to leave Japan it is a book that you might ask mom and dad to put in "hold baggage" for you so you will have your friends close by.

Enjoy your years at John O. Arnn Elementary School by making each day a special one in your memory bank.

Your friend,

Mrs. Taylor
