John O. Arnn Elementary School Yearbook

**Welcome

**And
Welcome
to
Arnn
Elementary!**

Dedication

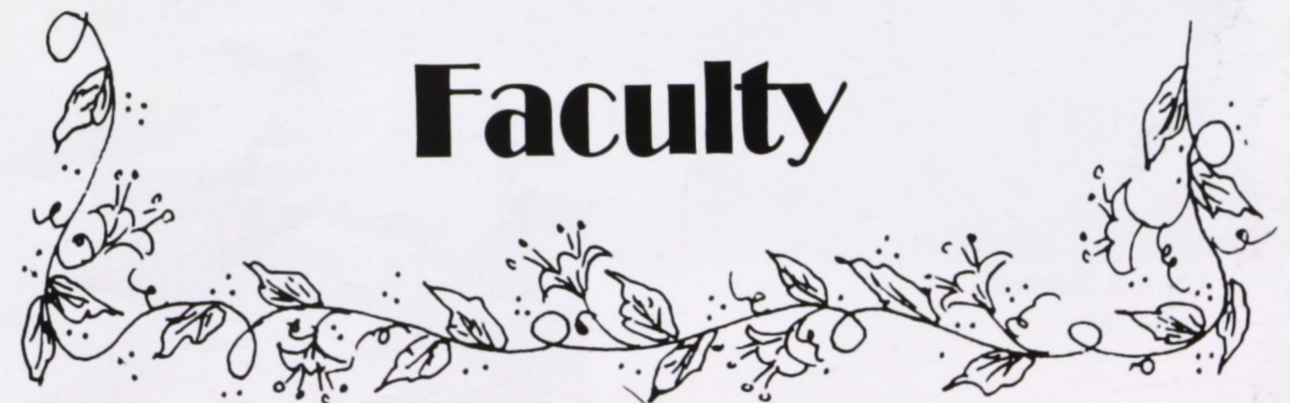

This Yearbook is dedicated to our Computer Specialist, Ron Zuehlke and to our Information Specialist, Kathy Zuehlke. As a husband and wife team working at Arnn for many years they have decided to retire and will be leaving Arnn at the end of the year. Arnn wishes you two the best of luck as you move away!

Faculty

Arnn Elementary School
"Great Expectations . . . Great Progress . . . For Kids"

I am pleased to have an opportunity to enthusiastically endorse this yearbook and to express my gratitude for the outstanding effort everyone made at Arnn Elementary School this year. I write this message to everyone who views this wonderful yearbook knowing that this is a keepsake that will be a lasting memory for families in years to come. This book is special for many reasons; this book records a time in our life that will never be matched or replaced. I hope that this book will hold many exciting and fond memories for you. Like a song heard from the past, this book will open up past memories and thoughts regarding some very special event or occurrence for you in your life. In later years, this yearbook will allow you to take a journey back in time.

In years to come you will occasionally review this yearbook and reflect upon the times and experiences you had at Arnn ES and in this beautiful country - Japan. You may read the thought-provoking message that a dear friend wrote to you in this chronicle. This book will allow you to remember the names of fellow classmates from the past, or perhaps a certain teacher's name, or it will help you to remember the time that you were on that very special Study Trip into Tokyo. Maybe an experience will resurface allowing you to vividly remember that time when a local Japanese school visited your classroom, and how your class visited their school in return. Perhaps you will reflect upon an after school activity where you first learned to operate a video camera for the KARN News, or when you first learned to speak enough Japanese to impress your parents. For others it might be a special song that you were taught in Music. Maybe you'll remember the Multi-Cultural week or the time you were able to climb all the way up the rope to the ceiling of the gymnasium. There may even come a time in the future that you say in disbelief, "I use to look like that"! Treasure these times and treasure this book.

Dear Knights,

The year has been filled with activities for each of you to enjoy and remember: a 100 on that hard paper, your science fair project, field day, or going on a really neat field trip. Those are the memories that make school fun. I hope this book will help you remember the good times you had with us this year and good friends that you made.

I look forward to seeing those of you who will be returning next year and those who are moving to new places, I wish you success.

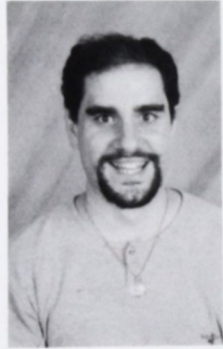

Your friend,
