The Yearbook Moms"
Arlene Dulay, Cindy Szczepanik, Robbin Bass

We dedicate this yearbook to the parent volunteers who joined and made our PTO work, who kept our reading room running smoothly, who helped classroom teachers, and especially to the mothers who worked so tirelessly making this yearbook a true "labor of love."

Thank you for supporting our children's education.

About the Artist.....

Kenneth Mark Ledbetter was born on December 2nd in Nebraska, the second son of Robert and Madeline Ledbetter. Ken spent his early school years in England and Germany returning to the United States with his parents when he was nine years old. After twenty years in the USAF, his father retired to Olympia, WA where he continued his education enjoying many aspects of Art Education.

Upon graduation he attended Centralia College where he majored in Commercial Arts. Upon completion of his degree he entered the Burnley School of Professional Arts in Seattle, WA where he spent 3 years refining his trade.

After graduation, he spent fifteen years working in Graphic Design for numerous established companies. In September 1995 Ken returned to St. Martins College in Olympia, WA to pursue his teaching degree. He completed his program with honors and received his teaching certificate in Art.

Ken joined the DoDDS School System in August 1998 and is currently teaching Art Education at Arnn Elementary School to children in Kindergarten through sixth grade. Ken loves his job and the children and hopes to advance their understanding of the Arts.

We wish to thank Mr. Ledbetter for his time and effort in designing our yearbook cover.

JOHN O. ARNN ELEMENTARY

I am pleased to have an opportunity to enthusiastically endorse this Yearbook and to express my gratitude for the outstanding effort everyone made at Arnn Elementary School this year. I write this message to everyone who views this wonderful yearbook knowing that this is a keepsake that will be a lasting memory for families in years to come. This book is special for many reasons; this book records a time in our life that will never be matched or replaced. I hope that this book will hold many exciting and fond memories for you. Like a song heard from the past, this book will open up past memories and thoughts regarding some very special event or occurrence for you in your life. In later years, this yearbook will allow you to take a journey back in time.

In years to come you will occasionally review this yearbook and reflect upon the times and experiences you had at Arnn ES and in this beautiful country - Japan. You may read the thought-provoking message that a dear friend wrote to you in this chronicle. This book will allow you to remember the names of fellow classmates from the past, or perhaps a certain teacher's name, or it will help you to remember the time that you were on that very special Study Trip into Tokyo. Maybe an experience will resurface allowing you to vividly remember that time when a local Japanese school visited your classroom, and how your class visited their school in return. Perhaps you will reflect upon an after school activity where you first learned to operate a video camera for the KARN News, or when you first learned to speak enough Japanese to impress your parents. For others it might be a special song that you were taught in Music. Maybe you'll remember the Multi-Cultural week or the time you were able to climb all the way up the rope to the ceiling of the gymnasium. There may even come a time in the future that you say in disbelief, "I use to look like that"! Treasure these times and treasure this book.
