# Yearbook Dedication

School Year 2003-2004 has indeed been a "New Beginning" for all of us here at John O. Arnn Elementary School. Beginning with the wonderful New School Ribbon Cutting Ceremony held on August 28th that brought together DODEA officials, local Camp Zama Command dignitaries and community members, students and staff that assisted in the official dedication ceremony that was the culminating event of the five year long school replacement project. As befitting that special day, each and every day since has witnessed new activities, events and programs that have contributed to the continuous cultural and instructional traditions of our wonderful school.

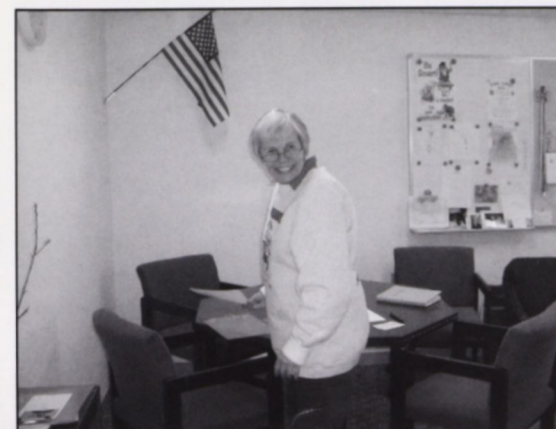

It is with a great sense of pride that I have been given the privilege as your principal of dedicating both the new school and our school yearbook. It has been indeed a very successful transitional year for me as well, both personally and professionally. I wish to extend my sincerest gratitude to everyone associated with John O. Arnn Elementary School for allowing this to take place. Rest assured, I will continue to dedicate myself to the educational goals established for the school and Camp Zama community.

Likewise, our year of "New Beginnings" serves as the foundation for future events that will no doubt take place within the school as the future years unfold. We all experience transitions and these assist us in facing the challenges that lay ahead as we all travel on the pathway of life. Let us all join hands and link ourselves in the belief and knowledge that John O. Arnn Elementary School is "the best of the best" and that any future transitions will only increase that greatest that we already experience educationally, culturally and socially. It will be well worth the journey.

## 9-11 PLEDGE

I pledge my memory  
to the 9-11 flag.  
To my fellow citizens affected  
both then and now.  
To Shanksville's star,  
Pentagon's union  
New York's soul  
Eternally woven into our  
Homeland fabric;  
Which at times may tear  
But never bow!

Thanks to the many dedicated volunteers who gave their time and effort to raise money and support the children of Arnn Elementary School

This year, the PTO raised over \$11,000 through our Fall and Spring Scholastic Book Fairs, Bazaar proceeds, t-shirt sales, PX giftwrap fundraiser and membership dues.

The PTO has expended nearly \$4,700 for Reading Counts quizzes and books for the Information Center, start up funds for the Garden and Nutrition Clubs, registration and prizes for the Geography Bee as well as \$2,050 to Arnn Teachers and Specialists for out-of-pocket classroom expenses.

Thank you to Mr. Fisher, Ms. Jackson and the wonderful staff and faculty of John O. Arnn Elementary School for another great year and for giving their very best to our children!
