ELEMENTARY SCHOOL

Yearbook Dedication

The school year has been another great year for all our students and staff. We began our second year in the new school by welcoming new and returning students, community members and teachers. We also continued to expand our curriculum to truly reflect the needs of our entire student population and to live up to our school motto: "Great Expectations...Great Progress...For Kids..."

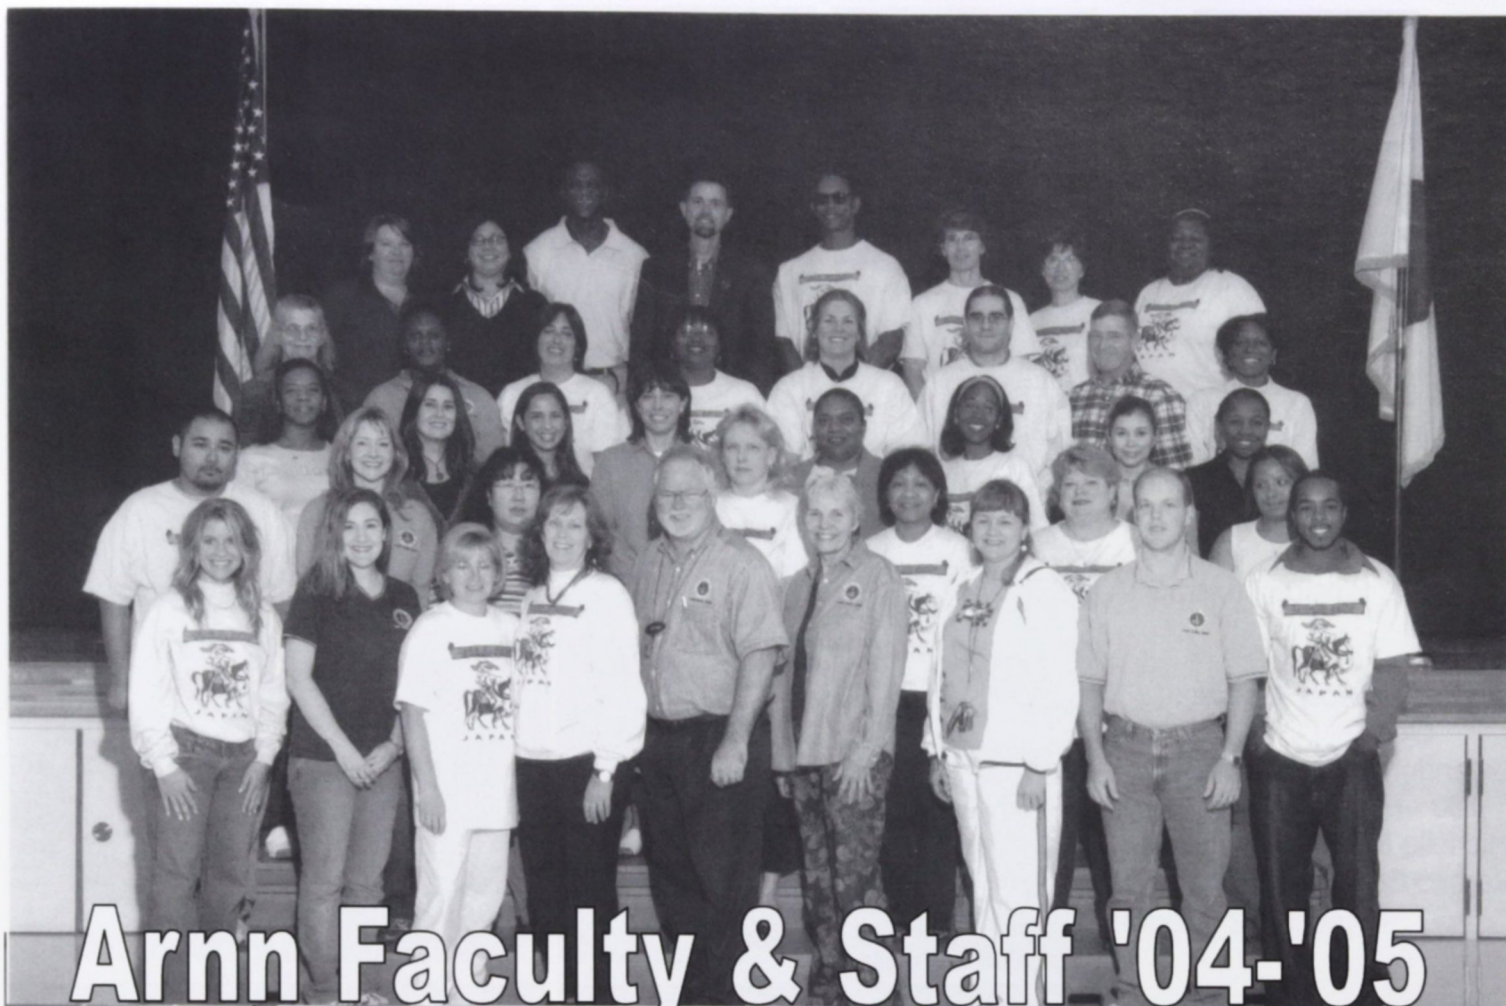

Additionally, and on a very special note, for those students that have been in our school and will be leaving John O. Arnn Elementary School for newer educational adventures, whether it is in a DoDDS school or any other stateside school, you all have helped contribute to the growing history of our school. Through your participation and involvement in our school events, you have left an imprint on the path for future students to follow. I wish all of you a safe trip and a wonderful school life in your new surroundings. It has been a pleasure having you as part of our community school.

Also, to our returning students, the future for our school is still unfolding and there remains much work to be done before our school reaches its full potential as the best DoDDS school in the entire system. My hope is that we all can contribute to this attainable goal and continue to enjoy ourselves in this exciting and educationally fulfilling process. Best wishes to everyone.

Parent Teacher Organization

This year the PTO raised over \$10,000 through our fall and spring Scholastic Book Fairs, bazaar proceeds, t-shirt, popcorn, and bake sales, membership dues, and Family Bingo Night.

The money earned this year has been used to purchase more Reading Counts quizzes for the Information Center, support the Cooking Club, Field Day, and Garden Club, registration and prizes for the Geography Bee, and to support Arnn faculty with over \$2,000 for out-of-pocket classroom expenses. The PTO also helped purchase new editing equipment for the 2nd Bell Production and helped an Eagle Scout build a stage for video production. Finally, the PTO donated over \$500 on behalf of Arnn Elementary to Free the Children organization to help build new schools for Tsunami victims in Southeast Asia.

Thanks to the many dedicated volunteers who gave their time and effort to raise money and support the children of Arnn Elementary School during the 2004-2005 School Year.

We couldn't have done it without you!

Yearbook Club

This year Arnn Elementary branched out and turned over the majority of the work putting the yearbook together to a group of 6th graders. This group met for many months, taking pictures, organizing them, and actually putting the pages together. They did a wonderful job and have something to be proud of. I appreciate their hard work and dedication. They made my job much easier. Thank you to Mr. Fisher and Ms. Jackson for believing in these students.
