2006-2007

Welcome Back, Ms. Morgan!

It has been my special privilege to join Arnn Elementary School students and staff this year. Our school's most important goal is that each student who leaves Arnn departs with a lifelong desire to learn. Education still remains the most critical factor when initiating a lifetime of continuous learning.

My sincere thoughts and good wishes accompany each of our students as they proceed to higher levels of schooling. May each of them be highly successful in all educational endeavors.

James Allen expresses my concept of education and its purpose as follows:

As you think, travel.
You are today where your thoughts have brought you,
and you will be tomorrow where your thoughts take you.

Whatever your present environment may be,
you will fall, remain, or rise with your thoughts,
your wisdom, your ideal.

You will become as small as your controlling desire,
and as great as your determined aspiration.

"Dream Big" Author unknown

If there were ever a time to dare,
To make a difference
To embark on something worth doing
It is now.
Not for any grand cause, necessarily -
But for something that tugs at your heart
Something that is worth your aspiration
Something that is your dream.
You owe it to yourself
To make your days count.
Have fun. Dig deep. Stretch.

Dream big.

Know, though,
That things worth doing
Seldom come easy,
There will be times when you want to
Turn around
Pack it up and call it quits
Those times tell you
That you are pushing yourself
And that you are not afraid to learn by trying.

Persist.

Because with an idea,
Determination and the right tools,
You can do great things.
Let your instincts, your intellect
And let your heart guide you.

Trust.

Believe in the incredible power
Of the human mind
Of doing something that makes a difference
Of working hard
Of laughing and hoping
Of lasting friends
Of all the things that will cross your path
Next year
The start of something new
Brings the hope of something great.
Anything is possible
There is only one you
And you will pass this way but once.

Do it right.
