Welcome to Arnn, Ms. Morin!

The beginning of every school year brings excitement of what is to come, uncertainty of the unknown, and (re)unions of familiar friendships and friendships in-the-making. And as the school year evolves, the excitement and unions shared with classmates and teachers lend themselves to experimenting and problem-solving new ideas, applying recently-learned skills and concepts, and seeing the wonderment of growth and inspiration unfold. This has been a special year at Arnn Elementary School for these very reasons-starting anew, stretching our imaginations, creativity, and curiosities, and sharing ideas and considering different viewpoints to challenge ourselves all the more. Perhaps two of the many indicators of this successful school

year are the warmth and determination each one of you brought to school everyday-you, your peers, and your teachers have made all the difference this year, making it a memorable and rewarding school year.

In making the difference at Arnn ES, continue to believe in yourselves and others, knowing that the best part about being you is never giving up and lending the helping hand to those who will need it on any given day. Enjoy these pages of your yearbook, taking the time to reflect, share special moments with others, and smile with pride that you've had a very big part in making this school year what it will always be-special!

Parent/Teacher Organization

Ann Elementary's Parent/Teacher Organization is an active group of volunteers. They are responsible for a wide range of activities throughout the school year. The money that is raised all goes back into our school in the form of: school planners, t-shirts, reading counts. Activities are scheduled throughout the school year to promote

PTO

comraderie and pride in Ann. One of the best ways you can support our school is by joining the PTO in any of their fundraisers held during the school year. The Fall Bingo is a highly attended activity as are the two book fairs. Quarterly meetings are coordinated and planned months in advance. Join in the fun and support Ann Elementary!
