Dear Students,

As you look through these pictures that capture the fun and friends of the 2010/2011 school year, do take time to think about the many accomplishments, friendships, and memories that have been made because of your efforts and dedication. Through your commitment to your learning and personal growth, you have made this school year so unique and special and one that you, your friends, and all of your teachers and school volunteers have contributed to making successful. So, enjoy turning these pages of your yearbook, taking time to stop, reflect, and celebrate all that has made this school year special—you and the Arnn ES learning community! Go, Knights!

A black and white photograph showing three children in a gymnasium. Two boys and one girl are jumping rope. The boy on the left is wearing a dark t-shirt with a graphic and the number '3'. The boy in the middle is wearing a light-colored long-sleeved shirt. The girl on the right is wearing a light-colored tank top and jeans. They are all holding ropes and are in motion, jumping. The background is a plain wall with a baseboard.
