**Sasebo Elementary
Japan**

2011

To the Students and Stakeholders of
Sasebo Elementary School:

It has been a pleasure once again this year to be your principal. Your alertness, participation, demonstrated desire to achieve, and citizenship have been the cornerstones that helped make this school year a fantastic and memorable experience.

Enjoy this yearbook now, and keep it safe so that you may treasure the memories always.

Journey Well!
Dr. Christopher Racek, PhD

Vision Statement

To promote lifelong learning through high expectations.

*Essence: We define high expectations as all students having the knowledge and skills necessary to succeed in the 21st century.

Goals and Interventions

- Goal 1: All students will improve their performance in literacy across the curriculum
- Goal 2: All students will improve their critical thinking skills across the curriculum.
