SUMMER CULTURE SCHOOL 2000**

Computer Club

At computer club we get to go anywhere we want to on the computer like the internet, games, Type to Learn, and more. The computer club teacher is Mr. Silvas. There is a helper for Mr. Silvas, her name is China Howard. At computer club, there are people from different grades and different classes. The computer club days are every Wednesday. Most of the times there are about 20 people attending. Parents are welcome to come to our computer club.

By Bryan Thiel

Student Council

The president for our Student Council is Charlene Cristobal. Our vice president is Lindsay Fontenot. Our secretary is Jenalene, and our treasurer is David Feathers. We have around 13 student council members. We meet every Thursday. Sometimes the parents give snacks after meetings.

This year we decided that on Valentine's Day all the girls would have to wear pink and all the boys would have to wear red. To celebrate Earth Day, we collected aluminum cans and planted a tree on the playground.
