1917 — 1963

The Berlin American High School
presents the 1964 Yearbook in memory of the late President,

John Fitzgerald Kennedy

INTRODUCTION

Between the covers of this 1963-1964 yearbook, sentimental and unforgettable thoughts and memories of the year are proudly emblazoned. We hope this not only proves to be a treasured keepsake to remind us in future years of old and dear friends whose paths have branched in various directions, but of happy and profitable times as well. For others it will be their orientation into halls of learning where they will be a vital part in the school years to come. This memoir brings to light the pleasure and experiences that Berlin American High has provided us in creating the formative background necessary in developing a more well-rounded individual ready to meet life's challenges.

Senior Class

Senior Class History

The little inconspicuous room that hides beside the library was like a mighty fortress to the Seniors of the Class of 1964. It was here that we planned our strategy to protect our interests. After all, we were outnumbered by every other class in the school. We were the most individualistic people in the school, or so it seemed when the twenty-eight of us attempted to agree on anything. When we finally called truce and made a decision, we were most active. Actually no project in the school was completed without Senior participation. We must have been suffering from delusions of grandeur because we simply HAD to lead the school onward and upward!

When there was a Student Council meeting, a third of the class marched out homeroom. However, it was not as though they were getting out of homeroom because, we were proud to say, they worked hard to keep the students busy with new activities. Honor Society kept the seniors even busier with their homework.

Perhaps the greatest loss to the Senior Class was the boys. Coach King summoned forth the male forces to protect the school against each visiting team while the few remaining Seniors sat alone in the bare little room. Since all the captains and most of the managers and star players came from our particular fortress, we were very proud when the trophies were presented.

We were not completely without culture either for we contributed four of the best members to the chorus.

The *Bear Facts* would have been bare had the Seniors not devoted their precious time and effort to the paper.

Somehow we decided on our rings and invitations, and managed to find times and places for our mutual fun. Through the thin and thick of it, we survived the year, led the school, and won the ultimate award — graduation.

Junior Class History

Juniors at the Berlin American High School excelled in many fields this year. The class was led by President, Loni Koch, Vice President, Johnny Booth, Secretary, Robbie Moore, and Treasurer, Mary Mann. Mr. Jensen, Mr. Shook, Miss Bernstein, Mr. O'Neill, and Mr. Ward were our sponsors.

Many Juniors took on a heavy load of academics this year. Scholastically, the Junior Class was well represented in the National Honor Society. Our contributions were Robbie Moore, who acted as Secretary, Mary Mann, who handled social events, Loni Koch, Kitty Harrigan and Terry Moore. The B. H. S. Student Council Representatives from the Junior Class were Kitty Harrigan and Pam Carson. The Junior Class Red Cross Representatives were Nancy Brewer, Jamie Mizell, Robbie Moore, Carol Patterson and Monica Swirchak.

Again, as in the previous year, the Juniors proved to be outstanding in athletics. Nine of us helped to make up this year's undefeated football team. In basketball, the Juniors helped the CUBS and the team was one of the top two in Class B at the time of this report. First Year sports, wrestling and track, were successfully backed by the Juniors.

The Junior Class proved to be ready, willing and able when they were asked by the Student Council to sponsor the Homecoming Dance in honor of the Class "C" Champions. Another responsibility of the Junior Class, by tradition, was to sponsor the Junior-Senior Prom in honor of the 1964 graduating class. The Juniors took pride in planning and organizing a most spectacular and enjoyable Prom.

The Junior Class of 1963-1964 has been a fine one, and as we established ourselves, we proved to be an asset to the student body. Next year, we will be looking forward to being the most outstanding class in Berlin American High School — The SENIORS of '65!

Sophmore Class

History

All of you are familiar with the word sophomore, which means "wise fool". By striving constantly, we have lived up to the title well.

The Class of '66" has been proud to have Marlowe White as President, Jay Jensen as Vice-President, Carol Hayes with dual job of secretary and student council representative, and Kay Mizell as treasurer. The other representative to the student council was 10-B's Larry Leibrock.

Showing notable academic abilities, 80% of our class are now accomplished biologists, due to the patient teachings of Mr. Simcox and nights of hard studying. Thanks to Mr. Jensen, we are now able to reason enough to realize that geometry is definitely our subject, for all of us can now recognize the logic of most statements. We give our utmost thanks to Miss Hargrove for inspiring us to become orators, writers and dramatists. We became so involved with Shakespeare's *Julius Caesar* that the Ides of March is now our official day of mourning.

In football, our school won the Class C championship with the enthusiastic participation of the sophomore class. At any basketball game or wrestling match our flamboyant athletes could be seen fighting for victory, and our ardent girls cheering them on.

Considering that the sophomore year is one of the most difficult in high school, we feel that we have worked hard and that our class has been well represented in the school life of 1963-1964.

Goodby Mr. President!
Auf Wiedersehen!

Freshman Class History

The Berlin High School Freshman class grew by leaps and bounds. There were always new faces to greet, and many old friends were still with us. The year, however, saw several "old Berlin hands" return to the States. By Christmas our class consisted of about one hundred students. Although this group was large, its school spirit, enthusiasm, and hard work made it appear to be much larger.

The boys worked hard at football and helped to win the Conference Championship. Those who did not play sat on the sidelines and backed our team. A large group of students made the long Bremerhaven trip to cheer our boys on to victory. We were especially proud of Larry Jenson and Steve Denton, two of our classmates who made the varsity. Throughout the season the basketball team was also supported with enthusiasm. Linda Pruett and Brenda Spake were chosen as cheerleaders and helped to cheer all of our teams on to successful seasons.

Top Scholars were Larry Jenson, Bill Harrigan, Sam Kamikawa, Chadwick Weeks, Steve Denton, and Phil Reeds. These boys really showed the girls, but look out! Next year the girls will be out for revenge!

Freshman class officers for the year were President, Larry Jenson, Vice-President Bill Harrigan, Secretary Dorothy Poling, and Treasurer Chris Fair.

Our Freshman year in Berlin American High School was busy, interesting and exciting. I am sure we all feel as if our comprehension of this year's school work was great. Also our learning is part of our first big step toward college and life for better and greater knowledge.

Junior Chorus

The Junior Chorus is made up of 7th and 8th graders. The purpose of this chorus is to familiarize the members with the problems of vocal technique and the written score, which will better qualify them for high school choral work. Carol Thebaud is the accompanist and Mr. Robert Ward the director.

Chorus and Band

Band

The Berlin American High School Band is now in its second year. Its members are from the 8th through the 12th grades. Our 42 piece band has appeared at all home football games, basketball games, assemblies, special programs, the music festival and graduation exercises. Our repertory included works of Bach, Brahms, Purcell, Wagner, Vaughan, Williams, Erikson, Sousa, Mancini and others. The band is directed by Mr. Robert Ward.

Senior Chorus

The High School Chorus meets daily; it has 68 members; 30 boys and 38 girls. The accompanist is Pam Carson. The chorus was instrumental in the Christmas program; has performed in assemblies and Church Services. The Berlin Music Festival was primarily a function of the chorus. The staging of Oklahoma will be the feature of the spring semester.

The Christmas Pageant

The annual Christmas program took place in the school gym on December 18 and 19, 1963. The program which featured both choruses, the band and tableaux, was presented four times to capacity audiences. Much energy was put forth to prepare and present this program. It does fulfill its purpose; however, for it gives the Music Department the opportunity to help build the right Christmas spirit in our school and community.

Football

The 1963 football season will be remembered as one of the highlights of the past school year. For the second straight year we were undefeated, adding another trophy to our school. This year's record was somewhat of a surprise because only five lettermen were back from last year's championship team. Many on the squad were small and inexperienced, yet the record shows these handicaps did not hold us back. Our first game was against Bitburg, a much bigger and more experienced team. But we won 25—14! After playing our first game at home, we traveled to Bad Kreuznach and played what proved to be the most hard fought game of the season. We won by a slim 6—0 margin scoring our lone touchdown in the second quarter. Our defense secured that victory by stopping all the Bear Kat offensive drives. In the next game at home against Toul, both our offenses and defense got together and defeated Toul 40—0. We then went to Bremerhaven to play our arch rivals at their homecoming. The game was close in the first half, but we erupted for three quick second-half touchdowns to pull out a 26—0 whitewash. Bremerhaven was the third straight opponent we had blanked.

The following Friday we had our Homecoming pep rally at the bonfire and burned Karlsruhe in effigy. On Saturday we rolled over their Knights 61—6. We put 40 points on the scoreboard by halftime then cruised to our largest offensive barrage ever.

This nine touchdown burst and an 11—0 record in our two past seasons inspired us to beat Bitburg in our last game. The game with Bitburg was played at Spangdahlem on a cold, windy day. Both the offensive and defensive units filled to produce a sweet 35—0 trouncing of the Barons, which made us the undefeated champions again.

Congratulations go to head coach Joe King and assistant coach John Gjernes for the fine job they did in molding the 1963 champions.

Wrestling

Wrestling is the oldest of all sports. Greek mythology told of Hercules wrestling with Anteus, Greek athletes wrestled at the earliest Olympic Games, and later Roman athletes strove for victory in the coliseum. Every nation has had some form of wrestling.

Wrestling is a vigorous and stimulating activity which requires a high level of total body strength and endurance. This year, wrestling was introduced for the first time into the Berlin High School sports program. This new sport gave many boys the opportunity to participate in a varsity sport and not be hindered by size. It gave them a chance to compete against someone of their own weight in one of the twelve weight classes that make up a team. The weight classes ranged from 95 pounds and were at regular intervals to include an unlimited weight class for anyone over 180 pounds.

The season consisted of two meets each against Wiesbaden, Frankfurt, Kaiserslautern, Baumholder, and Bad Kreuznach. The team had little success against the experienced teams, but managed a two meet sweep against another newcomer to the sport, Bad Kreuznach, scoring at least one individual win in every weight class against them.

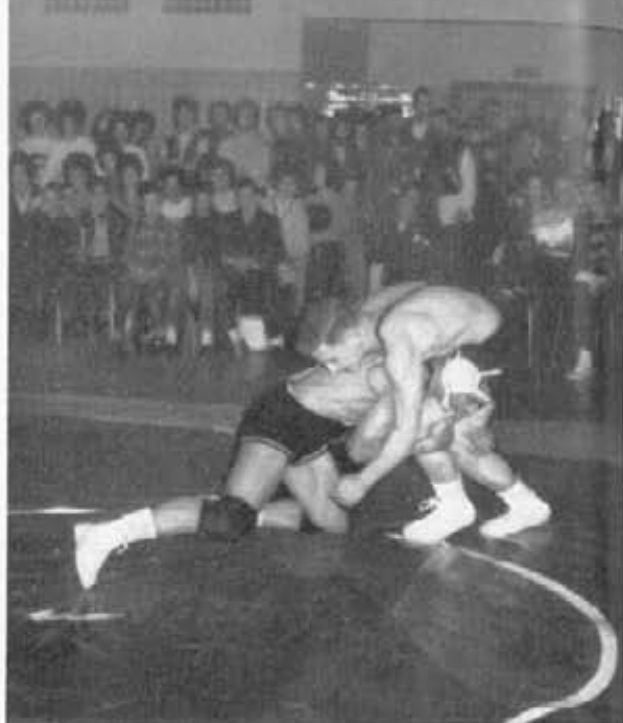

After the season schedule is completed the Northern and Southern Regionals are held. The top four placers in the regionals compete two weeks later in the USADEG individual and team meet which determines the wrestling champions of all the Army High Schools in Europe plus the guest Air Force schools from Wiesbaden and Bitburg.

The 1963 Champion team came from Wiesbaden with Frankfurt as runnersup.

Frank Harris is shown cross fading, which is the counter to the single leg pick up.

Edward Jiru is on the verge of being taken down with a two leg pick up against Frankfurt.

Cheerleaders

"Let's go Berlin, we WILL win this game!" and there were few losses for Berlin this year! Right in there fighting (in their own difficult way, however!) were the six peppy, smiling girls pictured on this page. During the course of the year they could occasionally be seen limping from class to class or devouring throat lozengers. These active girls in maroon and white were Berlin's cheerleaders for this year's season.

They backed the team, aroused the crowd and helped to create an enthusiastic and "noisy" atmosphere by boosting, jumping and cheering for their favorite athletes. (No doubt they prayed as well.)

Going to almost every away from home game they gave their team their undying support. The cheerleaders also promoted school spirit by selling maroon Berlin booster buttons.

Returning "letterman" Loni Koch headed the group as Captain with newcomers Carol Leyden, Mary Mann, Robbie Moore, Linda Pruett and Brenda Spake adding vocal volume.

The position of cheerleader brings with it many responsibilities and long hours of practice as these girls well know. Their time and effort has been greatly appreciated. We give our admiration to them for their support and promotion of school spirit and we all join with them in cheering. "We're from Berlin — couldn't be prouder!"

FAREWELL

As the year approaches an end, each Senior looks toward graduation with mixed emotions; one phase of life is ending, and, at the same time, a new phase of life, the future, which is to be filled with rich experiences, is just beginning.

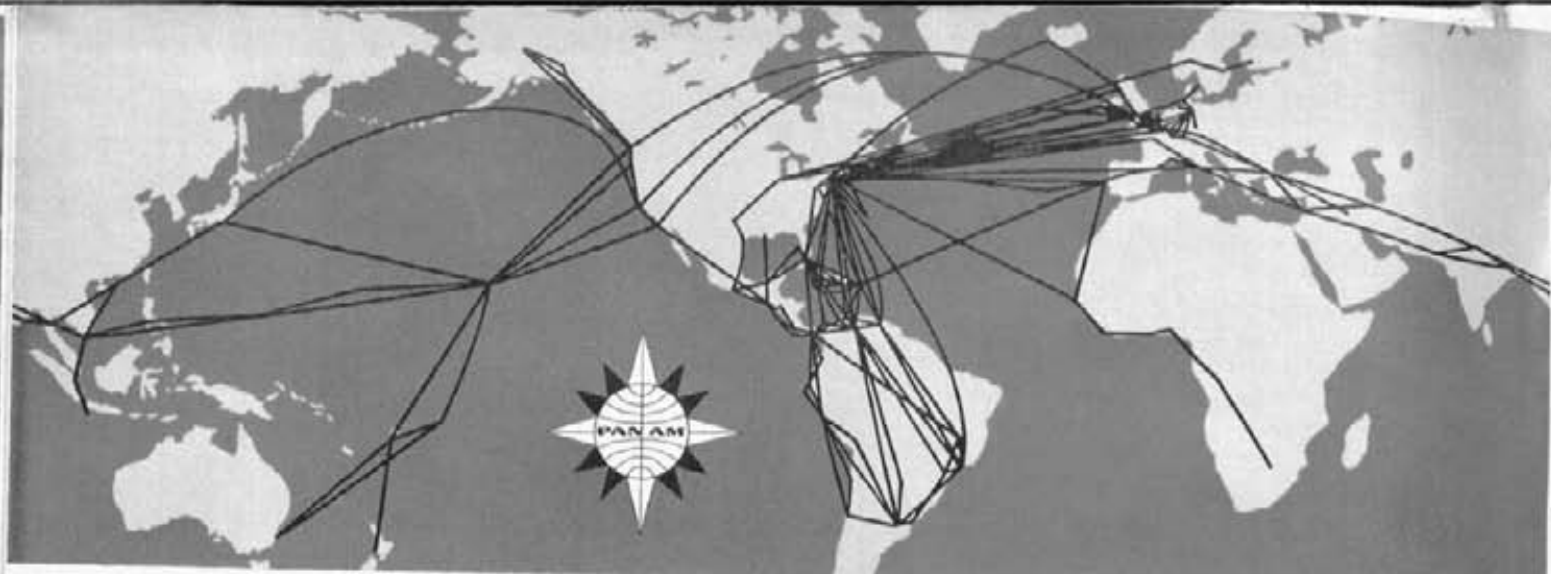

We leave with this thought . . . "Nothing altogether passes away without result. We are here to leave that behind as which will never die." (Goethe)
