Frankfurt American High School
Frankfurt, Germany

1966 FOCUS

The American student in Europe sees unfolded before him a mixture of the old and new. His travels take him to many interesting cities and hamlets, and rare indeed is the student who leaves this country without taking some part of the culture with him.

Days shorten, shadows lengthen, and memories grow richer . . . We have tried to preserve a small part of that time, of those days, of that life that was spent in Germany in the year 1966.

Published by: Annual Staff
Editor: Sue Milstead
Advisor Mrs. Nancy Houghtaling

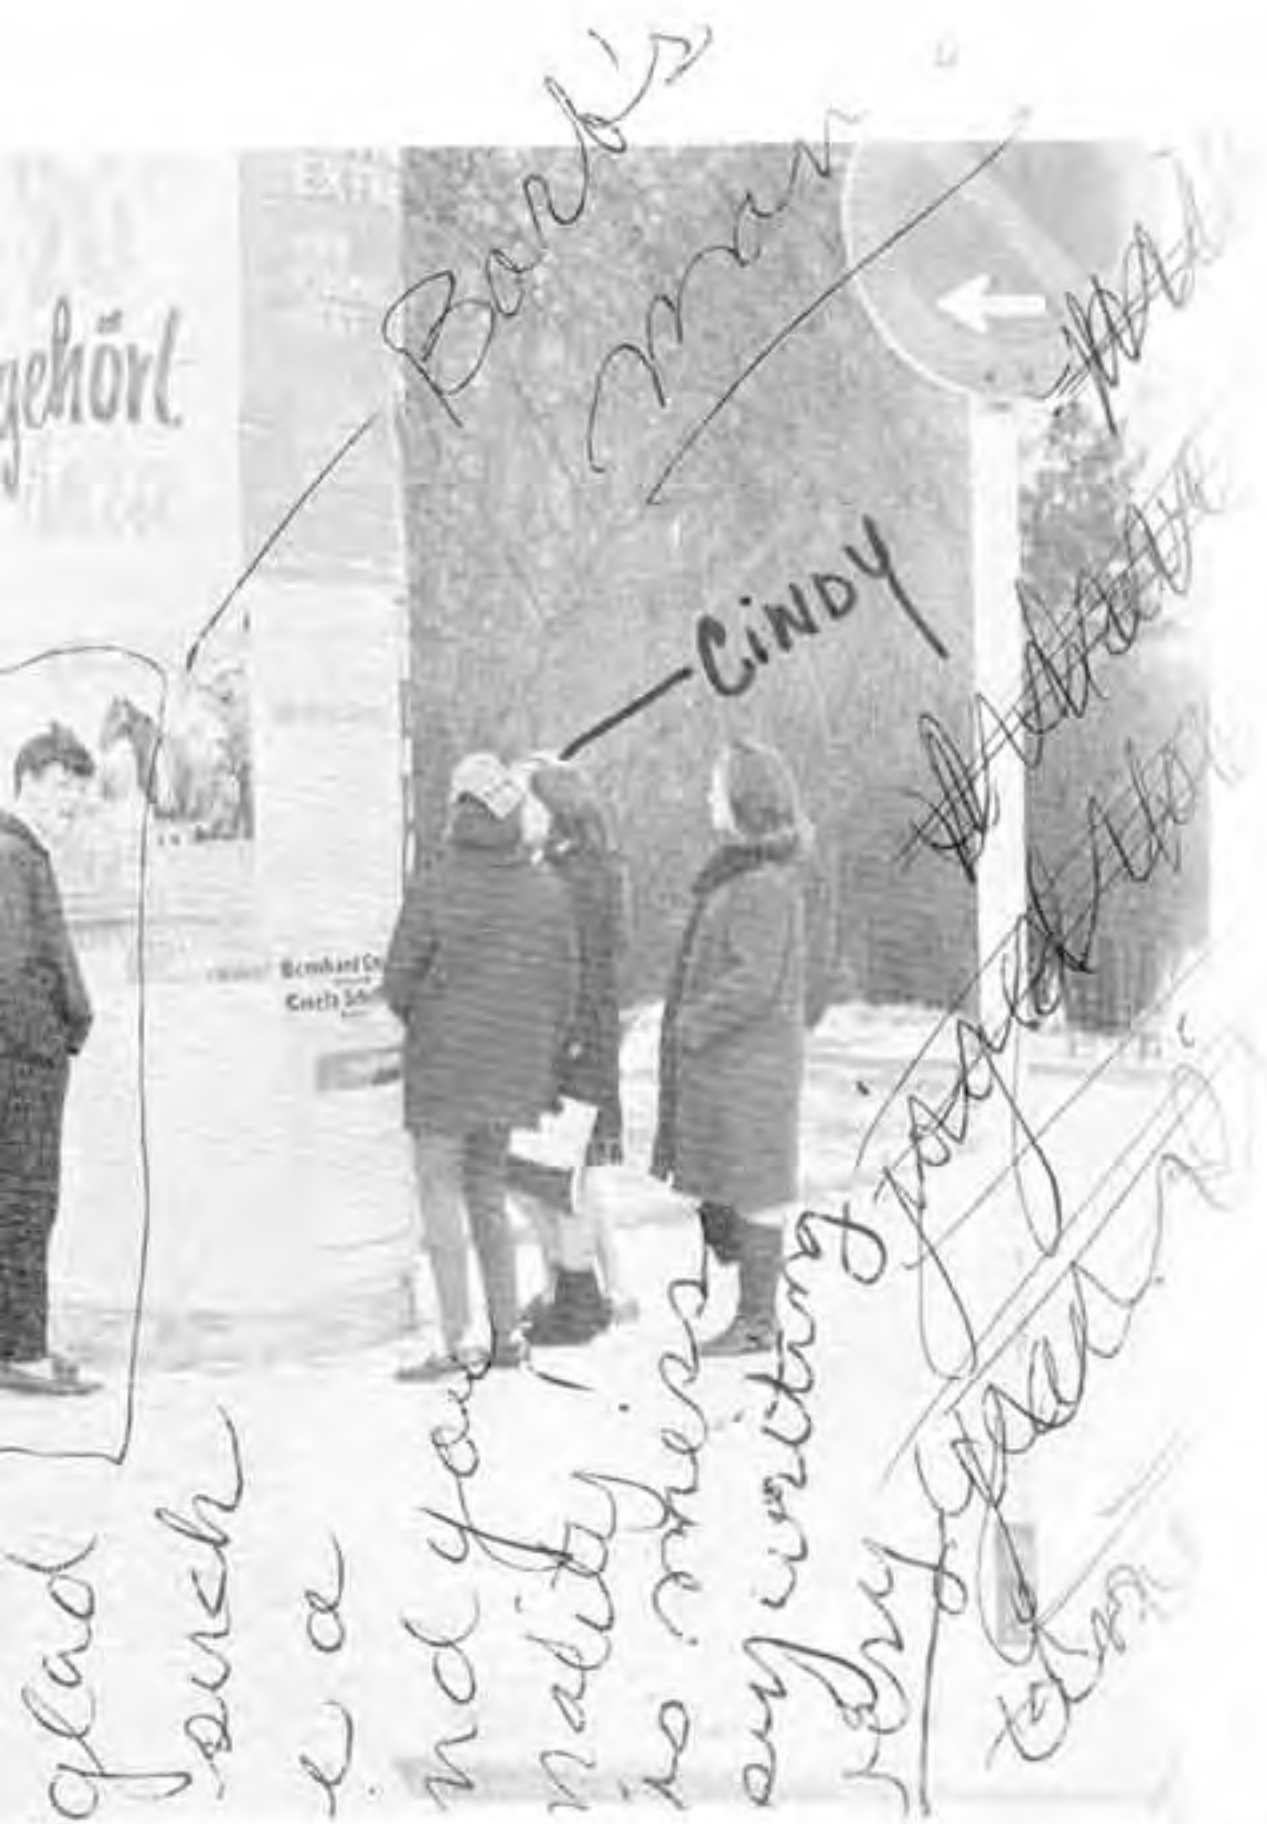

FRANKFURT

Common scenes of Deutschland: walks down cobblestone streets, bratwurst mit eine brotchen, helpful polizei, mammoth salted pretzels, plus storybook chimney sweep — these are only a few memories of the American teen in Germany.

Mary,

It's been a real
pleasure knowing you.
The Sadie Hawkins dance
was really fun.
Keep the school going
next year.
Your friend always,

Dorabusa

Great
Place!

But 4,000 miles or more from home cannot stop teens from being up to date on loafers, the Beatles, or the latest dance craze, maybe just that international pastime sleep which seems to be misplaced between our culturally enlightened and scholastically molded lives.

DEDICATION . . .

The boundaries of campus life, extend far beyond the immediate area; they move in even widening circles to include the home.

We students of FHS, appreciating the fact of why we are here in Germany, are proud of our fathers who are serving their country.

We gratefully dedicate the 1966 FOCUS to our Parents . . . may all their dreams for us come true!

Mr. Herman D. Search, Supt. of Schools,
District VI

Concerned with the administration of a school system comprising more than 116,000 students and including a staff of more than 5,000 employees, United States Dependents Schools, European Area covers the entire continent and is subdivided into eleven school districts. Its mission is to maintain a school system providing educational opportunities through twelve years of school for government dependents. Under the direction of Superintendent Mr. Herman Search, the Taunus School District embraces fifteen elementary schools, seven junior high schools, as well as our own Frankfurt American High, the largest high school in USDESEA.

Captain C. P. Watkins,
Dependents School Officer, Taunus District

Mr. and Mrs. Moore and Mr. Green at the Moore's annual Faculty Christmas Party.

Students of FHA are justly proud of their administrators; these are the men who keep the many complex areas running smoothly. Mr. T. C. Moore, Principal, continually displays a personal interest in the student and in turn is regarded as a respected friend by all.

The role of Vice-Principal is never easy, but Mr. Jim Green performs his assignment effectively. Troubleshooter Green is chief liaison officer dealing with faculty and students.

This year FHS welcomed two gentlemen of exceptional merit to serve as Assistant Principals — Mr. George Gundacker, Attendance Officer, and Mr. Dean Rains, Annex A Assistant Principal.

Each year the need for guidance in our schools becomes more apparent, and at Frankfurt High, the student finds a well trained staff ready to assist him not only in problems of the present, but also in steps toward the future.

With Miss Julia Rowe as department chairman, the office is ever busy scheduling achievement, placement, and College Board Examinations; recording grades; and analyzing results. The work of the guidance department cannot be expressed in hours; it is never ceasing, always working to do more and still more for the student of FHS.

Mr. K. Petersen

Miss H. Bayhi

Miss M. Hill

Many students of Frankfurt High find themselves away from home as well as their native country; they must adjust to dormitory life. To help with this adjustment, FHS is most fortunate to have the services of seven dormitory counselors under the direction of Mr. Kenneth Petersen. The dorm counselors' day begins where the teachers' day ends; briefly they adopt the responsibilities of the home in seeing that the student follows a healthy routine in his after-school life. Thanks to the counselors, the "dormies" can make this experience most enriching.

Annual

Though far removed from his native land, the student in Germany must still have a well grounded knowledge of English and its related subjects. Covering more than grammar and usage, it is a course that embraces all others and gives us the whole student, one who is able to read great works of literature and evaluate them in relation to self, as well as compose a solid paragraph of critical thinking.

Frankfurt High offers a rich program in English, Speech, Drama, and Creative Writing with advanced placement and honor classes in sophomore, junior, and senior years. Under a new department chairman, Miss Betty Nicholas, the English section had a most exciting year. A new and interesting course of study was introduced this year with special emphasis on the paperback, many of which were approached as core reading.

Bleak indeed would the world be without the rich culture offered by art and music. At FHS, students have the opportunity to take three different courses in Art, while in the music line, a large selection opens to him in Band, Orchestra, Melloteens, Choral Groups, and Music Appreciation. This year, as well as last, the art classes made field trips to some of the artistic treasures which are found in our immediate area. The music section brightened many school programs, club meetings, and lonely hospital wards throughout the school year. The department, under chairman Mr. Herbert Ried, helped students realize how rich and rewarding the pursuit of art and music can be; for when logic deserts them, as at times it must, the melodies and the beauty discovered in these two subjects will lighten the days of their lives.

INTERNATIONAL FRIENDSHIP

One of the causes of breakdown in international communication is the language barrier. We are fortunate in having a group of teachers dedicated to the purpose of breaking this barrier. Under the direction of Miss Anne Moore, the department offers courses in French, Spanish, and German the last being instructed by native speakers. In addition, students attending Miss Costello's Latin I, II, or III classes find it no dead language; rather do they discover the richness of their own tongue woven into a Latin background.

Miss Moore Dora, World History

To profit from the past, to adjust to the present, and to improve the future — these phrases explain the aim of the social studies department headed by Mr. Robert Moss. The department offers courses in American History, World History, Economics, International Relations, American Government, as well as Psychology.

In social studies, attention is focused on man in relation to his place in civilization. The problems that harass us are debated for only through discussion do we progress toward the vision of world peace.

A department that has recently introduced new methodology, the mathematics section under chairman Mr. Otis Halliday has become most popular at Frankfurt High. Demanding practical thinking, mathematics daily presents exercises in mental gymnastics. Today math is a subject demanded in some form in almost every walk of life; therefore, the student at FHS is encouraged to take Algebra, Geometry, Trigonometry, or General Mathematics.

Perhaps no other subject is in more demand today than science. While striving to protect herself more effectively, our country is also constantly looking for peaceful uses of the vast fund of knowledge now open to man.

To help meet this challenge, FHS offers courses in Applied Science, Biology, Chemistry, as well as advanced work in Physics. Department chairman Miss Matilda Kuzara and her staff are responsible for helping approximately 1000 students discover the wonderful world of science.

Mr. Ralph Simpson, Typing, Business Arithmetic, Office Practice

The world of business is ever growing and is always on the move. The many facets of our nation's economy depend on sound business principles; yearly the business world claims talented young people who help the wheels of progress move more effectively.

Mr. Lowell Kraft, department chairman, and the business staff offer the student courses in Stenography, Business Law, Business Arithmetic, Office Practice, Bookkeeping, General Business, and Typing. This year many students worked on campus as office assistants, thus gaining experience in basic practices.

A department affording much help to the student seeking active vocational life is the practical arts section. Here the student receives training in as many different skills as facilities permit. The department offers varied subjects for students interested in home-making and industrial arts. Courses are offered in Home Economics, Crafts, Mechanical Drawing, and Industrial Arts.

Begun last year, a work study program was expanded this year to include even more students than previously; it is hoped that the plan can be enlarged still more to involve as many students as possible.

A sound mind must be built on a sound body, and with this in view, the physical education department under chairman Mr. George Austra, offers Physical Education to all classes. Offering not only P.E., the department helps round out school life with many extra-curricular sport endeavors.

NURSE VITAL TO SCHOOL

Miss Leona Eggert
Future Nurses of America

Miss Leona Eggert, school nurse of FHS, is always a pleasure for the student to visit, not only because she relieves the pain, but because of her winning smile and warm understanding.

The library of any school must serve not only as an additional tool of learning but also as a source of recreation. This year, our library welcomed two outstanding qualified librarians, Miss Elaine Fieldler and Mr. Barry Jameson. Miss Fieldler instituted special library classes for sophomores, juniors, and eventually seniors. Mr. Jameson reviewed all AVE material and made it readily available to the various departments. Throughout the year Miss Fieldler and Mr. Jameson, with the help of two assistants, Mrs. Clara Steinborn and Tony Tomurcuk, made the library a favorite place for reference work and just browsing.

EAGLES END SEASON, IN 1ST-PLACE TIE

Once more the Frankfurt Eagles, under the direction of Coach Robert Moss, and Otis Halliday, proved themselves to be a match for any team.

The Eagles received only one defeat in the entire season, when they lost to Wiesbaden, Oct. 1. However, the Warriors paid a heavy price for their victory by losing their Homecoming Game to Frankfurt, Oct. 23.

At the end of the season, eight All-Conference players were chosen from Frankfurt: F. Benton, J. Caldwell, M. Collie, M. Dacy, R. Downs, S. Graham, J. Sandidge, and J. Ulbricht.

EAGLES BEAT LUDWIGSBURG

Mr. Moss discusses strategy with Mike Dacy.

BUT LOSE TO WIESBADEN

Les Ashby carries the ball with the help of Eagle blocking.

Mike Dacy blocks Warrior pass just in time.

On Oct. 1, the Frankfurt Eagles were defeated by Wiesbaden, 16-10, after falling inches short of the tying T.D. in the final minutes of the game.

The first quarter saw little offensive action for Frankfurt, as the Warriors intercepted one pass, blocked three, and held the Eagles to only one first down.

In the second quarter, Frankfurt's offense rallied, as Bob Bepko completed a long pass to Mike Dacy for a first down. John Sandidge, then, brought the ball to the Wiesbaden 2-yard line, and Ken Hamilton scored the T.D. Hamilton again went over for the 2-point conversion, tying the score at 8-8.

In the final quarter, Wiesbaden scored again. In spite of a strong offensive drive, the Eagles were unable to score, except for a 2-point safety, and the game ended in defeat for the Eagles, 16-10.

FHS RETURNS TO BEAT MUNICH,

The Frankfurt Eagles scored in every quarter, and rolled to a 33-12 triumph over Munich, Oct. 7.

Frankfurt drove 45 yards for the first T.D. Bob Bepko went over from the one-yard line for the score. Steve Smith kicked the extra point.

Mike Dacy scored in the second quarter on a 20-yard pass from Bepko.

Steve Smith ran eight yards for the final T.D. of the quarter.

Ken Hamilton and Bob Banton both scored for Frankfurt in the third and fourth quarter.

Ken Hamilton seeks an opening through K-Town blockers.

LATER, K-TOWN

The Frankfurt Eagles scored an impressive victory over K-Town, Oct. 16, by combining their air and ground attack. The Eagles scored two T.D.'s with passes, and picked up three on the ground.

Ken Hamilton dominated the game, carrying the ball 18 times, running for 6 first downs, and scoring two T.D.'s, and 4 extra points for the Eagles.

The Eagle defense also sparkled as they held K-Town scoreless until the last quarter, recovered 3 fumbles, and intercepted 2 passes, bringing the final score 34-12.

HIGHLIGHT OF SEASON

On Oct. 23, the Frankfurt Eagles combined their outstanding offense with the best defensive showing of the season, to pound Wiesbaden 12-0, and assure a first-place tie.

In the first quarter, neither team scored. Wiesbaden came within 13 yards of a T.D., but the Eagles held them off, and made a good offensive showing of their own, with 3 first downs, and one completed pass.

In the second quarter, Joe Caldwell set things up by intercepting one pass. John Sandidge ran for a first down, followed by Bob Bepko, who set up a Bepko to Dacy T.D. pass, bringing the score to 6-0.

The Warriors fumbled the second half kick-off, and Frankfurt recovered. Les Ashby ran for a first down, and the next play John Sandidge exploded for a long T.D. run, which insured an Eagle victory. The extra point failed again, and the score stood 12-0.

The remainder of the game, the Eagles showed they weren't satisfied with 2 T.D.'s Bepko passed for a first, followed by Ashby, and Hamilton who ran for 2 more first downs, before the Eagles were forced to punt. The game ended in victory for the Eagles, 12-0.

Mike Dacy runs hard for Frankfurt pass.

FINAL GAME WIN

Dacy struggles to escape K-Town tackler.

In their 1965 Homecoming Football game, the Eagles romped over K-Town for the second time, 13-0.

In the first quarter, Roger Downs intercepted a K-Town pass to set things up for the Eagles. After a long drive led by Les Ashby, Ken Downs, and Mike Dacy, Don Lindsey went over for the T.D. Steve Smith kicked the extra point, bringing the score to 7-0.

In the second quarter, both defenses dominated the game, but later on, John Sandidge scored the second T.D. for the Eagles on a 40-yard pass play. The two-point conversion attempt failed, and the first half ended 13-0, in Frankfurt's favor.

The second half was scoreless for both teams. Roger Downs made another interception, and the Eagles moved to the K-Town 4-yard line, but failed to score. Thus, the 1965 Football season ended with a 13-0 victory for the Frankfurt Eagles.

Sam Soper concentrates on keeping a steady pace.

TO SUCCESS

The 1965 Cross-Country team, under the vital direction of Coach Messier, began the fall season on the right foot by defeating Ludwigsburg, Sept. 25, with a score of 20-36. They backed up this opening victory by beating Wiesbaden the following week, 24-31. After once more emerging as the winners by outrunning the Munich Mustangs, it looked as if the Eagles' winning streak couldn't be broken. However, the following week, the K-Town runners beat Frankfurt by nearly 10 points. On Oct. 23, Frankfurt again paid for her early victories by losing to Wiesbaden, 30-27. The Cross-Country boys, though, ran to an admirable ending of the season at the climactic tri-meet at Heidleburg, Oct. 30, competing against Heidleburg, and Nurnberg. Frankfurt came in second, with the final score standing at 36-22-81.

The outstanding runner of the season was Mike Floerchinger, who set a new time record for the Frankfurt course, both for himself, and the school. Mike came in fifth in the regional meet. Sam Soper gave Floerchinger a solid support by continually running a close second, followed by the dependable pace of John Riddle.

Eric Tamm runs his best for a J.V. victory.

EAGLES OUT-SHOOT

NUERNBERG . . .

After losing an exhibition game to London, the Eagles won their first official game of the season against Nuernberg, Jan. 14.

On Friday night, rallied by Bob Walker's 16 points, and the 15 belonging to Mike Dacy, FIIS easily downed Nuernberg with a score of 57-45. In the Saturday game, the Frankfurt Eagles overcame the first-quarter Nuernberg lead with a half-time score of 36-27, Frankfurt's favor. Although Nuernberg again overtook the Eagles in the third quarter, Frankfurt, spurred on by Mike Dacy's field goal in the final two minutes, defeated Nuernberg with a score of 65-67.

WIN OVER MUSTANGS MAKES EAGLES — UNDEFEATED

The Frankfurt Eagles continued their successful shooting by downing the Munich Mustangs twice, once on Jan. 21, and again, Jan. 22. These victories gave Frankfurt the lead in the Blue Division by remaining undefeated.

On Friday, Mike Mason led the Eagles with his 20 points, and Bob Walker with 15, to an easy victory of 84-68.

Saturday, the Eagles again sailed past the Mustangs, 69-52. Mike Mason again contributed, along with an admirable showing by Mike Leffler, Mike Dacy, Bob Walker, and Bill Boone.

AS J.V. SETS EARLY WINNING STREAK

The Junior Varsity Basketball Team, under the coaching of Mr. Luethmers, began their season with a bang, winning one game after another. They kept up this drive throughout the entire season, and constantly strove to match the Varsity wins. With the help of top scorers — Jeff Kidder, Matt Hodgdon, and Greg Eaves, the J.V. could look back with pride on a successful season.

NUERNBERG DEFEAT

Charles Bailey pins Nuernberg opponent.

The Frankfurt High Eagles opened up their 1965-66 wrestling season on December 11 with a pair of victories over Nuernberg, 37-20 and 35-23. Ed Lovejoy had the fastest pin — 30 seconds — in the first match. Jack Brady posted the fastest pin the second match, in 34 seconds. The winners of the first match were Glen Lloyd, Pete Moren, Jack Brady, Charles Bailey, Ed Lovejoy, and Pat Byrne. They all pinned their opponents. Mike Collie won by forfeit. The winners of the second match were Glen Lloyd, Pete Moren, Jack Brady, Ed Lovejoy, Pat Byrne, and Mike Collie.

Bob Gilbert breaks down N. Eagle.

The Frankfurt Eagles scored impressive victories over K-Town in both their matches, Jan. 14.

In the first match only one Frankfurt wrestler lost, and one drew, as the Eagles grappled to an easy 44-7 victory.

Glen Lloyd, Pete Moren, Charles Bailey, and Andre Todd, won by decision.

Peter Kai, Jack Brady, Lewis Holston, Ed Lovejoy, Pat Byrne, and Mike Collie all pinned their opponents.

In the second match, the Eagles made it look easy again, as they rolled over K-Town 46-6.

Glen Lloyd, and Pete Moren won their matches by decision. Peter Kai, Greg Koonce, Danny O'Connor, Lewis Holston, Charles Bailey, Ed Lovejoy, Andre Todd, and Mike Collie all pinned their opponents.

Pete Moran nearly pins opponent, and gets one point.

The Eagles and the Mannheim Bisons battled to an exciting 24-24 tie in their first match, January 21. After falling behind 19-6, Charles Bailey started things moving with the first and fastest pin of the match. Ed Lovejoy followed with another pin, while Pat Byrnes added 3 points by decision, and Mike Collie spoiled Mannheim's victory hopes by pinning his opponent and securing the tie. The winners were:

Glen Lloyd	—	112 lbs.	—	decision
Pete Moran	—	127 lbs.	—	decision
Charles Bailey	—	145 lbs.	—	pin-1:05
Ed Lovejoy	—	154 lbs.	—	pin-1:55
Pat Byrnes	—	165 lbs.	—	decision
Mike Collie	—	unlimited	—	pin-1:55

LATER, MANNHEIM

Ed Lovejoy gets Mannheim Bison ready for score pin.

GOLF DEBUTS AT FHS

This year for the first time, a 1965 Golf Team was organized, consisting of four members, under the direction of Miss Virginia Johnson. Despite long hours of training, the season was unsuccessful, losing to the golf teams of the other top schools, many of which had much experience behind them. However, the golf pioneers worked hard to improve their record throughout the entire season, and next year, sporting the same effort shown in '65, but with a little more experience, the FHS golfers will surely wind up with a perfect record.

TENNIS SERVES SECOND WINNING SEASON

Under the guidance of Mr. Frank May, the tennis team came into its second official season at FHS. Tryouts were held early, with Mr. May, and some of last year's members, giving pointers to the newcomers on how to continue the championship earned by the 1965 tennis team. They then went on to match the previous record.

It looks as if the FHS tennis team is out to set an annual winning streak.

The Student Council began the 1965-66 school year with plans to carry out some uncompleted 1964-65 projects, as well as introduce new ones of its own. Leading off with a record-breaking sock hop, the Student Council did its share in boosting school spirit by supplying buses to away football games, wrestling matches, and basketball games, sponsoring the spirited Homecoming bonfire, along with introducing the monthly calendar of events to generate student awareness.

The main project of the year was to publish the long-awaited Student Handbook which could be reprinted every year. While this was in progress, much hard work was also put into making the '66 Student Council Carnival one of the biggest successes in recent history.

New ideas, imagination, and organization were the keywords of the '66 Student Council which worked to make everyone a part of FHS, thus helping make this school year a memorable one.

SENIOR TREE TRIMMING PARTY

The Debonnaires took first prize with their rendition of "California Here I Come."

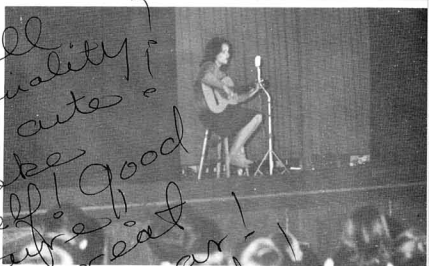

Pat Sterne and Jim Taylor sing "Turn Around."

Rosemary Woodruff, Karen Rankin, and Nancy Short sang "protest songs."

The Esquires won applause for their "Shot in the Dark."

Mary DaCosta tied for first place with the Debonnaires. She sang "Hiroshima" and "House of the Rising Sun."

FRANKFURT HIGH'S VARIETY SHOW

The purposes of the Key Club are to develop initiative and leadership, and to serve the school and community. The Frankfurt Chapter has operated a lost and found service, prepared the auditorium for all school assemblies ushered at evening functions, and escorted visitors to the High School. One of the goals each year is to provide a scholarship or obtain something needed for the school. In order to do this the Key Club sponsored a dance with the Keyettes, sold sweatshirts, and sold pennants.

KEYETTES

Welcome MARY!

Introducing themselves for the first time this year at FHS are the Keyettes, members of the Keyettes National of the USA! These thirty girls have fulfilled their motto, "We Serve" on numerous occasions; from ushering PTA nights, to boosting the spirit with Voo-Doo dolls, to sponsoring faculty teas, to donating baked goods to the Red Cross winners . . . Identified in their handsome black blazers with the Keyette insignia, the girls will be glad to help you in any way possible - just ask.

Members chat before annual induction ceremony.

The Frankfurt Chapter of the National Honor Society bases its activities on the principles of scholarship, leadership, service, and character. Members are chosen from the students who have maintained a 3.4 average and who exhibited a desire to serve and to lead by participation in FHHS activities.

The outstanding service project of this year was the student bookstore which was enlarged to include school supplies. The profit provides an annual \$500 scholarship to a deserving student. The club also published a student directory, an easy to read index of students' addresses and telephone numbers.

Under the experienced guidance of Miss Rowe and Mr. Cossell, the National Honor Society enjoyed a successful and worthwhile year.

QUILL AND SCROLL

Quill and Scroll is an honorary society for outstanding students of journalism who possess an above average grade point. This year, for the first time in FHS, Radio Club members were among those chosen. The club's activities include sponsoring the annual dinner for the four publication staffs in FHS, and raising money for the annual Quill and Scroll scholarship to a deserving journalism student.

TALON.

The **Talon** literary magazine is a collection of FHS creativity, serving as an open door through which students can see their own literary and art work published in the spring. Poetry, sketches, short stories, each child of emotional and intellectual expression is an integral part of the magazine. "Meet the deadline!" someone screamed, and in the eyes of the staff and editors there was a wildness. Pencils wrote, cut, rewrote, electric typewriters were moved from the main building to headquarters in Silver City, for perfection had top priority. The copy went to Darmstadt, to bed, and in the luncheon hut there was a community sigh of relief, of sadness, of pride. The **Talon** staff presents a beautiful record of the dreams, thoughts, ideas of today's youth.

The *Eagles Echo*, Frankfurt's school newspaper, is published monthly by the Journalism club. Much hard work and preparation goes into producing the paper. Members work diligently at all hours to meet the all-important deadline. Editors have been known to remain at Darmstadt until midnight in order to put the paper to press on time.

The policy of the paper is to stimulate thought by giving opportunities for constructive freedom of expression. All stories published in the *Echo* are supplied by student reporters. Students learn how to work on a newspaper, but even more important, they become aware of the activities and problems at F.H.S.

The 1966 *Focus* was a project of work combined with pleasure. Started in September with a group of sixty-five, the staff soon shrank to a working thirty. Different ideas were tried and discarded before members were satisfied. Photographic problems, financial difficulties, and deadline nightmares proved minor harassments. Aims were many — an artistic lay-out, fresh presentation, live copy . . . but above all, the staff emphasized, "Get the *Focus* to the press on time!"

TEEN THIRTY!

The major objective of the Radio Club is to provide students with the opportunity to understand radio broadcasting as one of the means of mass communication. This organization, in affiliation with AFN Frankfurt presents the weekly radio program "Teen Thirty," which features the latest popular record releases with current FHS social and sport news. This activity affords students experience in directing, engineering, producing, writing, and announcing for radio.

DRAMA CLUB

Frankfort Chapter of the National Thespian Society.

The Art Club, with the addition of a few Art I and II students, is comprised of sixth period art students, who have completed one to four years of high school art courses. This year the Art Club has been quite active in producing posters and silk screen prints for various organizations, such as the Frankfurt American Wives' Club, the Scholarship Association, and the poster committee for the Senior Class Play.

Besides working on projects for organizations individuals from the Art Club work on bulletin boards, try to promote class spirit, and produce individual projects. The Art Club is a service organization which not only serves the school but enriches the active members as well.

THE SPIRIT OF FHS —

PEP CLUB

Reorganized this year by President Phyllis Bergman and Miss J. Hudson, sponsor; the Frankfurt High Pep Club is easily distinguished by its forty members in their black and gold uniforms. The main purpose of the club is to encourage school spirit and cheer the Eagles on to Victory. It is both an honor and a privilege to be inducted as a member, as membership is based on attaining at least 20 points by participating in various Pep Club activities. The club this year had several bake sales, held spirit contests, sold spirit tags, and dreamed up all sorts of things to promote more spirit — cheerbooks, crazy skits for pep assemblies, spirit week . . . give 'em the claw, the claw, the claw!

These girls with the true Eagle blood in their veins have been a big part of the FHS spirit and have proven their motto: "Support is half the Victory!"

ANOTHER FIRST FOR FHS

On November 6, after having only two weeks to make uniforms and practice, the Drill Team of FHS marched for the first time. The drill routine at the Homecoming Game was very successful and it gave the members of the team the encouragement they needed to continue their fine marching performances during the remainder of the football season and basketball season.

Under the capable leadership of Sue Squitieri, Kathy Banks, and Marty Mosier, the Drill Team started something new at Frankfurt High this year, in an endeavor to promote school spirit and in the hope that it will set a tradition for future years.

GERMAN CLUB

Officers: President Jack Rachid, Treasurer Shirley Suzuki, and Secretary, Laura Meant.

After a year of inactivity, the German-American Club was organized this year under the sponsorship of Frau Langer and Mr. Kramer.

As in former years, the club membership consists of students from the nearby Gymnasiums (German High Schools) and from FHS.

The general purpose of the club is to promote German-American friendship among the students of both countries, by becoming acquainted with each other, exchanging ideas, and learning about the language, culture and customs of each country.

The club has frequent meetings after school with lectures and discussions, as well as various social events in the evening.

SPANISH CLUB

Recognizing their unique position as the only Spanish class in FHS, Mr. May's first period class decided to form a Spanish Club. Soon the club had grown as other students interested in the various aspects of Spanish culture, joined the group. Activities range from giving their own pinata party, to attending a performance by famed Spanish guitarist, Carlos Montoya.
