KARLSRUHE

DER KAVALIER

1966-67

GERMANY

To the Students of KARLSRUHE HIGH SCHOOL . . .

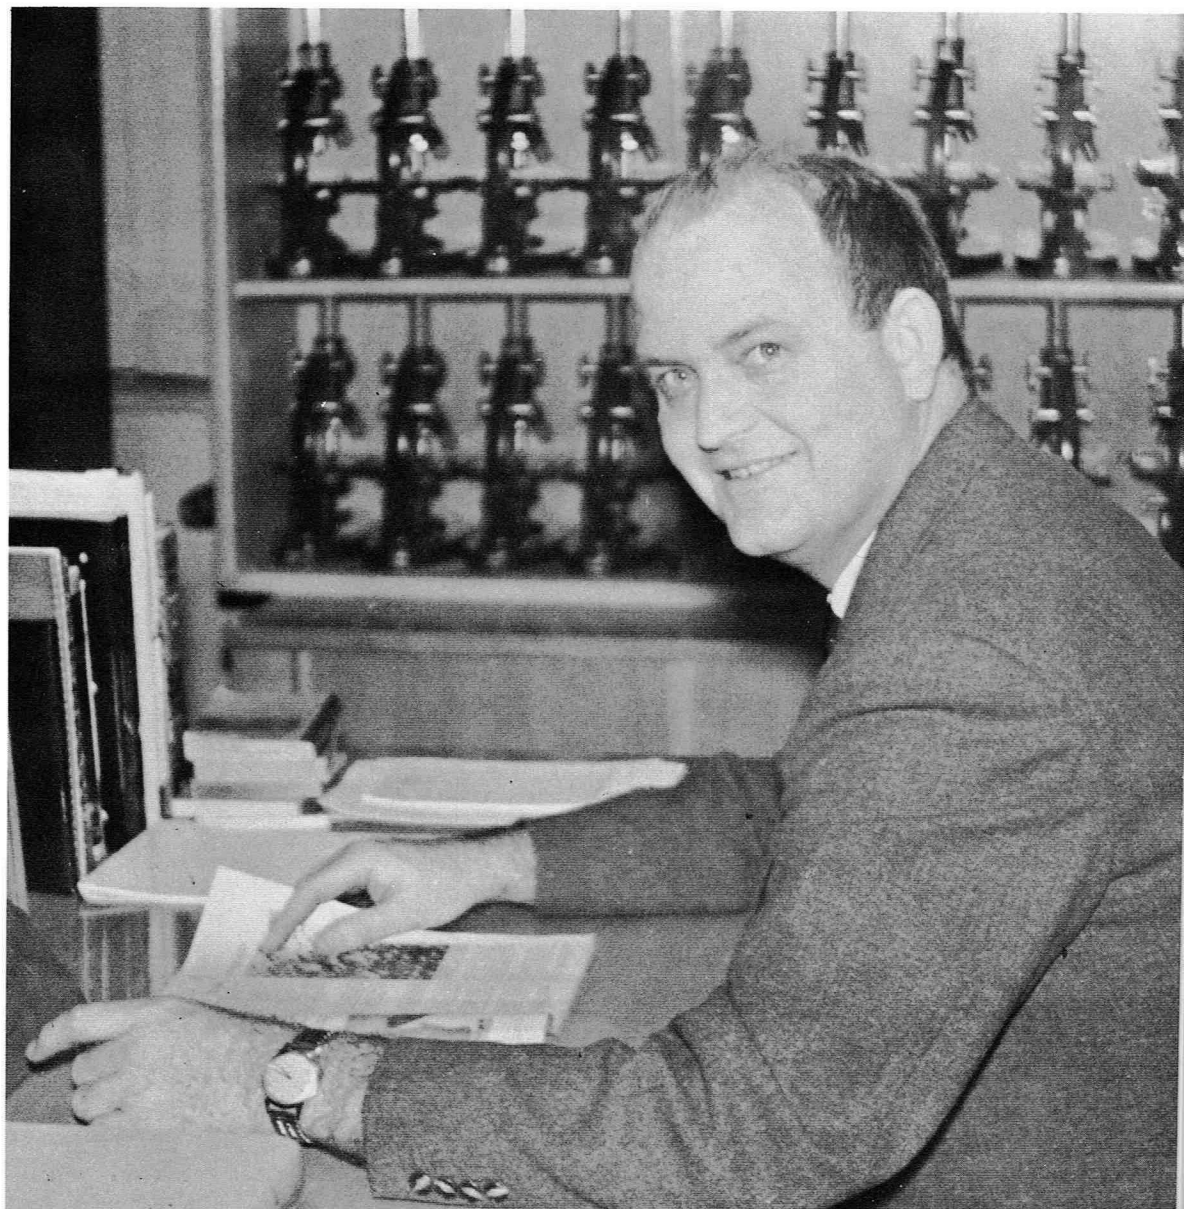

You are indeed fortunate, for your school and your community are part of an international setting, affording you an immediate opportunity to observe the culture and customs of Germany and Europe.

At no time has it been more vital than in the twentieth century to promote better relations among the peoples of the world. Through your own experiences you can capture the excitement, the achievements, and the color of Europe. At the same time you can contribute to better international understanding.

THOMAS L. HOUSER

Dedication . . .

The Yearbook Staff proudly dedicates the 1966-67 edition of DER KAVALIER to our respected biology teacher, golf coach, and Student Council advisor. Mr. James E. Bailey has cheerfully taught us and our predecessors for the past seven years in this school. His calm, harmonious manner, professional competence and his thoughtful helpfulness has contributed greatly to our pleasant memories of our school years at Karlsruhe High School.
