## WE ALL CALL DIFFERENT PLACES "HOME"

KAHS students are a diverse group and the majority of the fifty states is represented by at least one member of our student body. Students were polled as to what state they considered "home" and the results of the poll are shown graphically on the right.

# SPIRIT WEEK

# 

KAHS's Spirit Week began on October 14, 1986, with Mix-Match Day and ended on October 18 with the Homecoming Dance. The KAHS Bonfire was held on the Air Field at 7:30 Friday night. During the bonfire the Homecoming Court (all except the Queen and King) were announced. Saturday's Homecoming Parade began at 11:30. First place for the floats was awarded to the Class of 1989. The Homecoming Game began at one o'clock. At half time, the Homecoming Queen and King were announced and given their crowns. Homecoming Dance on Saturday night was a success for both the Senior High, who held theirs at the Fidelitas Club, and the Junior High, who held theirs in the Multi-Purpose room at KAHS.

# Activities

When the National Honor Society was established in 1921, the hope was to create an organization that would recognize and foster academic achievement while developing other characteristics essential to citizens in a democracy. Scholarship, character, service and leadership are ideals that remain relevant today as they did for the past sixty years.

Through chapter service activities, members maintain and extend the qualities that won them the selection. KAHS Honor students have a service project each month. These students have done bulletin boards for teachers and have made the calendar for the month, served as ushers and are available for community activities where service is required.

## NATIONAL JR. HONOR SOCIETY INTERNATIONAL LEAGUE OF SCHOOLS

The International League of Schools is an organization composed of students and faculty from four secondary institutions in the Karlsruhe-Baden Bade area. In addition to Karlsruhe High School, member schools include the Baden Senior School (Canadian) and the Lycée Charles de Gaulle (French), both in Baden Baden, and the Windeck Gymnasium (German) in Bühl. With the intention of promoting international cooperation and understanding, the I.L.S. engages students from member schools in a series of monthly activities designed to bring together young people from different national, cultural, and linguistic backgrounds. Day trips and weekend excursions to places of cultural, historical or scientific interest are combined with activities of social nature to enable members to share ideas and enjoy themselves in a truly international atmosphere.

## KAHS JROTC

The ARMY JUNIOR RESERVE OFFICERS' TRAINING CORPS (JROTC) at Karlsruhe High School is a dynamic, highly successful program which aggressively challenges the physical and intellectual capabilities of its members. Dedicated to furthering student citizenship and developing in young adults those values which have made America great, the cadets have contributed immeasurably in enhancing school morale, discipline and image. The program's rifle drill and color guard teams have performed throughout West Germany, representing Karlsruhe High School and demonstrating to all their absolute dedication to excellence. This year also saw the completion of a superlative new JROTC facility which is unequalled in Europe. The cadets are immensely proud of their school and consider it an honor to be part of the Karlsruhe High School student body.

THE YEARBOOK STAFF of KAHS is a hard-working group; putting together a yearbook consists of a lot more than sending a bunch of pictures to the publisher. The book must be planned in detail, with attention to theme, events, and activity sections and space for each allotted on a diagram called a ladder. Photo schedules have to be set up to cover as many events as possible. Sponsors and coaches have to be contacted. Photos have to be shot, processed, and selected. The nearly 700 candid photos in this book were selected from more than 2000 photos taken. Each photo must then be stamped, cropped, and its position indicated precisely on special 4-copy sheets called quad-paks. Every word in the yearbook must be written, typed, proofread, and its position indicated on the quad-pak. Headlines must be written and fitted. All this has to be done by mid-January to insure that the book is received by students in the spring. Meanwhile, funds have to be raised. Because of the high cost of printing and the small number of copies that are run, the actual cost of the yearbook is around \$30.00 per copy. Our thanks to the community groups who sponsored pages — their help allowed us to sell the book to the student body at a price much lower than the actual cost.

## WOMEN'S SOCCER

**THE 1986 WOMEN'S SOCCER** season proved to be a good learning experience for the players even though they did not win any games during the season. Experience gained will be of value in the upcoming season as the majority of players will return. ## MEN'S SOCCER

**THE 1986 MEN'S SOCCER** team finished the season with a 4-3 record. Season highlights included wins at the beginning of the season against Ulm and Giessen and later against Ansbach. The season was filled with injuries, but the Knights pulled through to end up with a winning season and the third best record in A League. The Cross Country team was full of high spirits, even though they only won one meet. Please note, that all the runners this year were beginners. They performed very well, having to go against two and three year runners. Karlsruhe's most valuable runner was Jennifer Irish.

## KNIGHTS FOOTBALL

The Knights have a talk with Coaches Devero and Dexter.

The Knights started the 1986 season off with a 39 to 16 win over Munich in a game that saw Paul Eubanks and Jonathan Williams rush a total of 321 yards for the Knights. The next week, the Knights traveled to Ansbach where they played to a 10-10 tie. Paul Eubanks scored the only touchdown for the Knights and Frank Ennix sacked the quarterback in the end zone for a safety. In this game, the Knights lost Jonathan Williams for the season with a dislocated thumb. The Knights next trip was to Bad Kreuznach where they met their first loss of the season. In the game, Paul Eubanks ran a 98 yard touchdown in the first quarter. Fred Kiger then threw a pass to Lenny Lesure for the two point conversion. The Knights then came home to a game with Giessen and their worst defeat of the season, a 65-6 pounding. The Knights only score was on a halfback pass from Paul Eubanks to Fred Kiger. In the last home game of the season, the Knights beat Berlin to raise their record to 2-2-1. The Knights scored on two Fred Kiger passes, the first to Mike Parker and the second to Paul Eubanks. The Knights then traveled to Osterholz, where heavy casualties plagued them. Kenny Charles, Joe Nowland and Fred Kiger all sustained injuries. In the final game against Fulda, the loss of key players made it impossible for the Knights to win the contest. The Knights finished the season with a 39-26 defeat. The bright spot was Lenny Lesure who ran two kick-off returns back for touchdowns. The Knights fought the odds all year and despite their record were a tough group of guys.

## KARLSRUHE TENNIS

The 1987 Tennis team had to be the best ever. They finished the season with a 4-2 record. The only two losses came from Munich and Patch, which were not in our division. Six players from the team went to the 1986 Tennis Championships: Jason Thompson (singles), Kenny Starr and Charles Forester (doubles), Etta Olivo (singles), Michelle Wolboldt and Angela Forester (doubles). Even though the team did not place in the top five, they did very well in the tournament. Jason went in ranked fifth and made it to the semifinals, losing to the player who won the singles event.

## A Hard Hitting Team!!!

The 1986 team this year was very strong. Most of the players came out of the season with winning records. Next year's team is expected to be even better.

## GENESIS

SALT, the senior high youth group, and GENESIS, the junior high youth group, are Christian organizations aimed towards the spiritual awareness of students. During the meetings, the students sing, play off-the-wall games, and have in-depth discussions concerning Christianity. In addition, both groups go on several trips during the year which add to the fun.
