Spirit Week

Senior Spirit

Here we go again...
 Another Spirit Week we tried to win!
 Pajama Day was okay
 Twin Day (what can we say?)
 Tacky Day was the best
 because half the Seniors can't dress!
 Purple Pride?....
 If only we had tried.
 The only thing done well
 was the Spirit Yell!
 You have to know we're teasin'
 when we tell you the top 3 reasons:
 #3 We felt it was our responsibility to give
 the underclassmen a chance!
 #2 Clubbin' all night made us forget
 "school related activities".
 AND THE NUMBER 1 REASON WE
 DIDN'T WIN SPIRIT WEEK:
 #1 See #2!

The Juniors had tons of spirit this year and we came in first in the Spirit Week competitions!

We painted the best bench, bought the most Spirit Links, dressed up the most (being tacky, in pajamas, twins and spirited), and won two of the games (the Senior-sponsored Tug-of-War and our game).

Following in the Junior class tradition, we sponsored the Friday night Spaghetti Dinner which includes the Ms. WAHS Pageant. Afterwards, the Student Council arranged a bonfire to make the evening before Homecoming a time to remember.

And we all know that next year, as the first class of the new millenium, we will take the games again!

Sophomore Spirit

Sophomore-spirit was running high this year as we placed third overall in spirit week activities.

The sophomore class kept up the yearly tradition of starting their bench later than every other class.

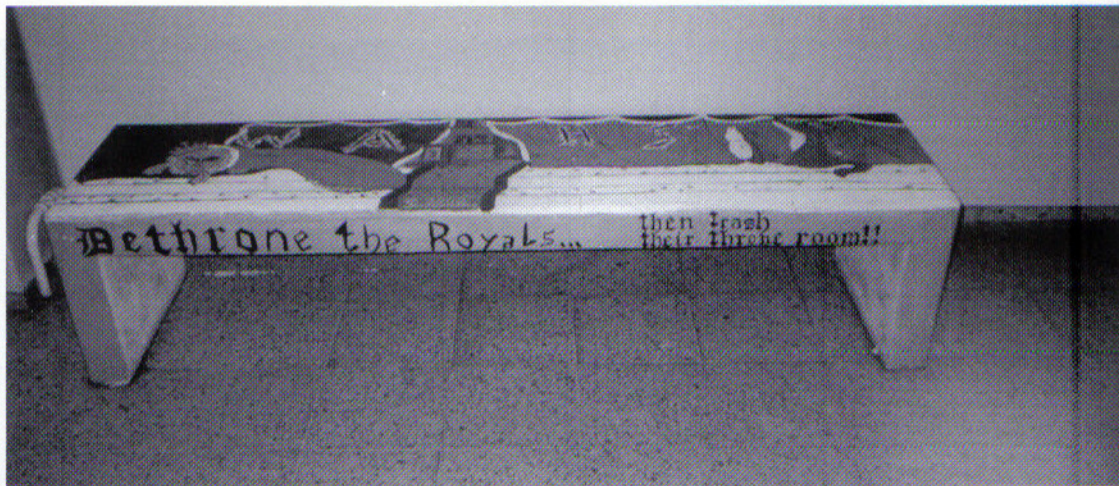

"Chubby Bunny" was the game sponsored by the sophomore class. The object of this game is to stuff your mouth with marshmallows, one at a time, saying "Chubby Bunny" after each. Your turn is over when you can no longer be understood. The person with the most marshmallows in their mouth wins. And this year it was a sophomore who won!

The Crowning of the King & Queen

The highlight of halftime is the crowning of the Homecoming King and Queen. Chosen from this year's court (Heather Amison, Lakisha Carter, Janina Douglas, Sarah Dudley, Elizabeth Sellers, Quintada Sutton; and Jonathan Butler, Clif Davis, Corey Keiffer, Jamaal Robinson, Freeman Swan and Ronnie Vengua) for the honor of King and Queen were Freeman Swan and Sarah Dudley.

"I'm not just a cheerleader, I'm an athlete!" - Malorie Holloway

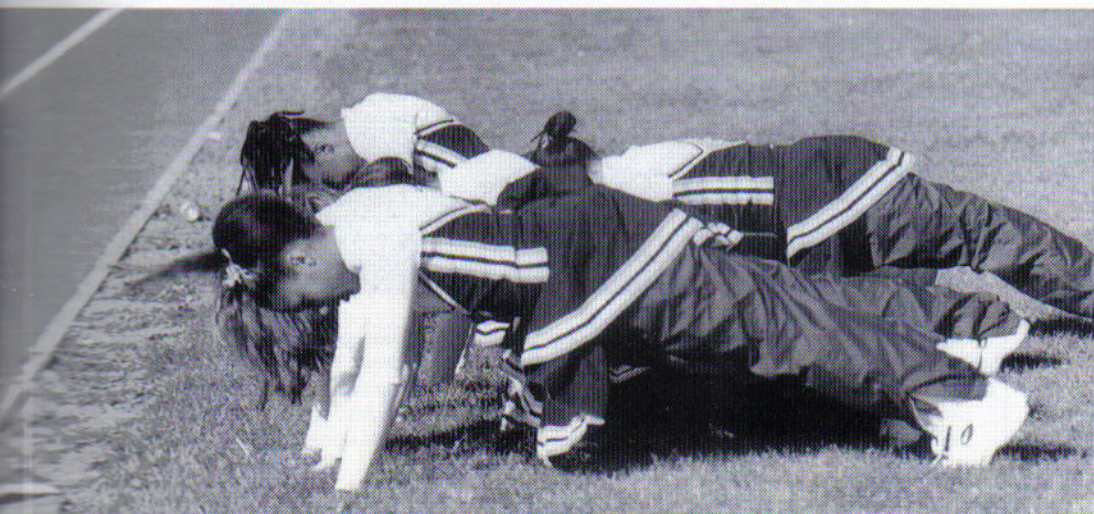

**"Once a cheerleader,
always a
cheerleader!"**

You know you're a cheerleader when you know that cheerleaders' pyramids are higher than the ones in Egypt! Being a cheerleader takes a lot of hard work, commitment and energy. Through this season, they managed to use enthusiasm wrapped up with experience and skill to pump up the

spirit at WAHS. Their ability to work together as a team superseded all expectations, but has also made them closer. They are truly a team! According to Coach Powell, it takes a lot of energy and potential to become a cheerleader. "...I would like to thank each and every one of you!"

VARSITY FOOTBALL

The WAHS varsity football team clearly put forth an enthusiastic, spirited effort. Their win against Wiesbaden on October 9th gave them a rejuvenated spirit. An exciting homecoming game on October 16th had the Wolves winning at the half. Unfortunately the final score was 21-20 in favor of Ramstein. Looking at the overall stats, Würzburg's conference record was tied with Lakenheath and Wiesbaden.

JUNIOR VARSITY FOOTBALL

The Würzburg JV football team was truly spirited this year! Although small in number, they made up for it in the Wolfpack spirit and pride they displayed. The consensus of the teammates we spoke with was that both their coach, Mr. Shingleton and their teammates were "cool"! The players love to play football and several said they are looking forward to next year.

Experience gained by Varsity Volleyball Team

Volleyball 1999 was a rebuilding as only four girls returned from the 1998 season. A new offense had to be learned and yet still compete in the most difficult of divisions, division 1.

Unfortunately the Wolves lost an outstanding player, Mariella Alcover to a broken leg suffered in a match at Bad Kreuznach. This unfortunate accident called for more work from the rest of the team.

Under the leadership of Captains Stephanie Toth and Alicia Preskey the rest of the Wolves were able to pull out a victory over a team they had never beaten be-

fore, Heidelberg. They accomplished this feat as the squad traveled to Lakenheath, England for a triangular. While in England the city of Canterbury was visited with trips through the Cathedral and a Canterbury Tales museum.

The coaches Jean Schultz, Chandra Morrison and John Sullivan were pleased with the way the team worked. They were a good group to be around and it was fun to see how far they came during the season. Next season is already being looked forward to with hopefully six returning lettermen.

"What are we waiting for?" asks the varsity team during a game with Black Forest.

The Volleyball crew takes a Kodak moment in England.

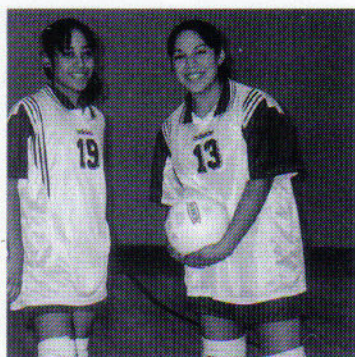

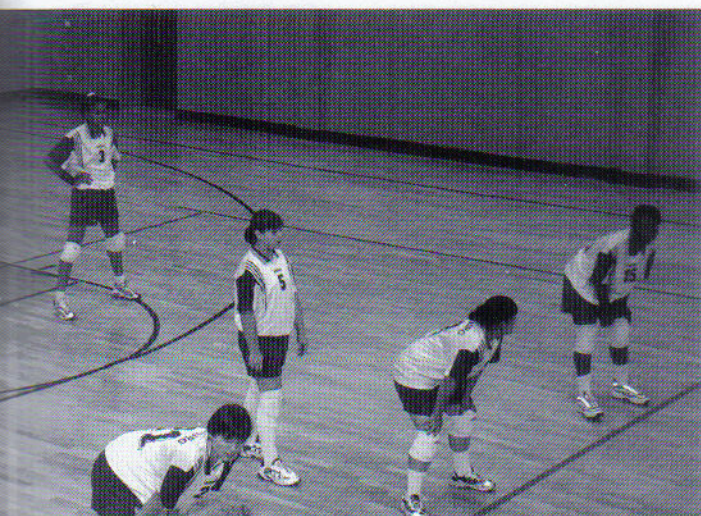

JV Volleyball

This year's JV volleyball team worked hard. But as you can see, they also knew how to have fun! Their coaches want them to know that they did a good job and improved greatly. We're proud of you all and looking forward to next year!

Running on the Cross Country Team

The Würzburg High School Cross Country Boys and Girls teams have had a great year.

Coached by Mr. Johnson and Ms. Chambers, the boys placed second at Würzburg, first at Ansbach, third at Hanau, Frankfurt International School and Kaiserslautern, and fourth at Heidelberg and Division 1. The girls placed second at Hanau and Frankfurt International School, and fourth at Heidelberg and Division 1.

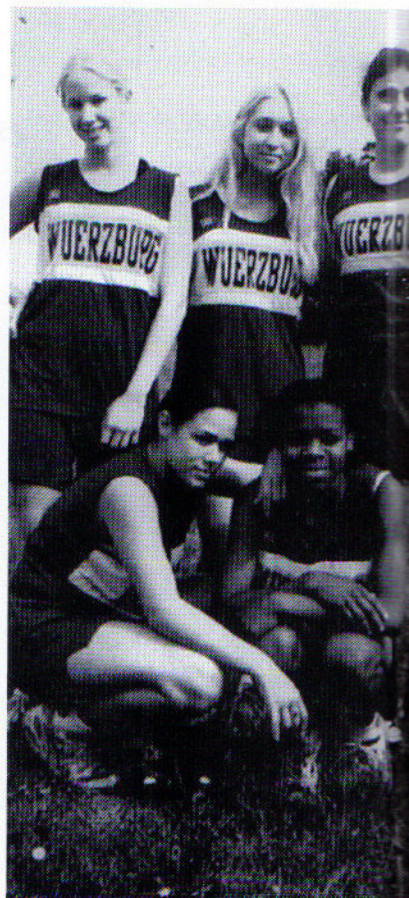

The best female cross country performer at Würzburg High School in ten years, Maria Garcia (season best time 19:53) had 2 first place finishes (Ansbach and Hanau), 3 second places, placed fourth in Division 1 and fifteenth at European finals. Heidi Berquist (season best time

23:17) had 4 top ten finishes and Freida Harrington (season best time 23:07) had three.

Clif Davis not only took second place at Ansbach and third at FIS, but he placed fourth in Division 1 finals, tenth at European Championships and was made All-European Cross Country. His season best time was 16:40 at Kaiserslautern. Brett Kinsey (season best time 18:20) and Eddy Fazaldin (season best time 18:07) both had 4 top 10 finishes, and were finalists not only in Division 1 but also in the European Championships.

Congratulations to the entire team!

Tennis Team

Tennis season, as Caleb Frazier describes it, "was a lot of fun." And considering that he and Steven Rose took third place in regionals and qualified for Europeans, I would have to agree.

In singles, Denise Terry ranked number three on the all-European team. She also scored by taking third in regionals and third place in Europe.

Girls doubles team Gemma Mangrobang and Shwna Skirvin played in regionals.

Veteran players from last year were: Denise Terry, Shawna Skirvin, Jose Mangrobang, Julia Smith, Pierre Smith and Nick Downing.

It takes a lot of practice and determination to play tennis. And often a lot of patience, waiting for your match to come up. The Wolves did a great job and had a lot of fun along the way.

Coach Konzal looks forward to a great season next year.

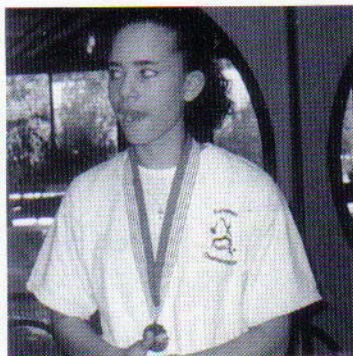

"Tennis is a great sport that takes a lot of hard work, patience and practice!"

GOLF

The 1999 Würzburg golf team consisted of four players this season. They were Derek Steenson, Chris Susnir, John Richter and Tyler Bray. Though not big in number, the team was big in patience, hard work and dedication. The team was coached by Mr. Lindsey. This was his second year of coaching the Wolves Golf Team.

On September 13, 1999, the golf team took third place finish in the Kitzingen Match with 91 points. Derek not only earned the best individual performance in Heidelberg and had the longest drives in both Wiesbaden and Kitzingen, but he also qualified for the European Championships. Chris earned the closest to the pin award in the Kitzingen match and John had the best performance at Ramstein Regionals, placing twelfth.

Being a cheerleader takes a lot of energy, competition and hard work. Just ask Malorie Holloway and Sharon Findlay, both captains of the Varsity Squad or ask Heather Amison and Christel Tatum, captains of the JV squad.

The cheerleaders also competed in the DoDDS Europeans and came in third! Way to cheer, girls!!! See pages 22-3 for the earlier cheerleading news!

Girls Basketball

Who says girls can't play basketball? If you believe that you haven't seen the WAHS Girls' basketball team. When it comes to basketball, these girls are full of talent, energy and good old-fashioned enthusiasm. With the support of Coach McAloon and Coach Kleeman, these girls exceeded excellence beyond their and our wildest dreams. Even after the departure of a very talented and dedicated player, Pam Aponte, the girls stepped up to seek out victory with immeasurable accomplishment.

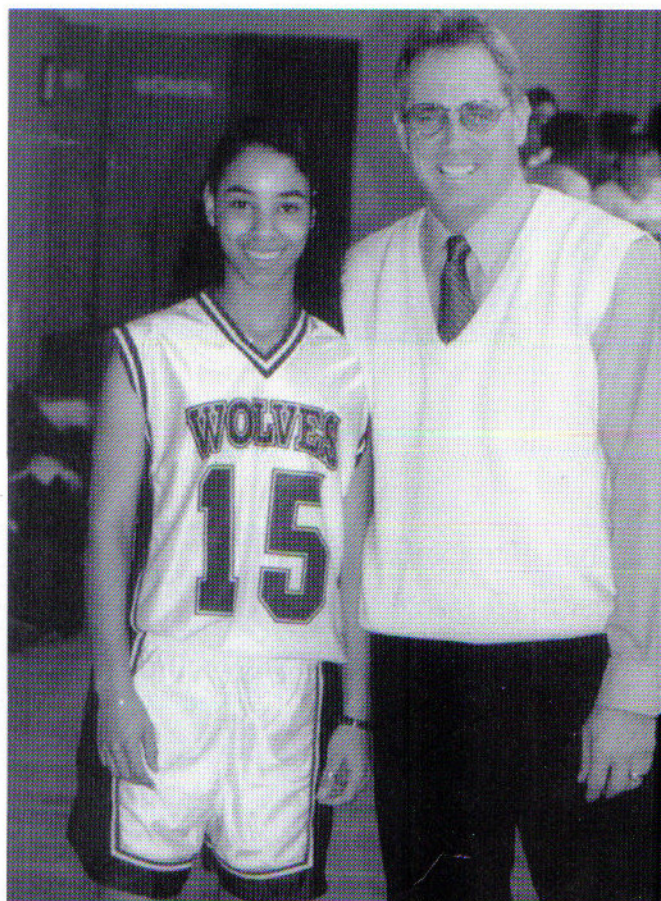

"As the coach of the Lady Wolves, I was most proud of their collective efforts both on the floor and in the classroom. The girls excelled in both arenas and have a tremendous positive influence in our school," stated Coach McAloon. The girls finished the season with the help of top scorers Cassandra Frank and Janine Rush. Toni Nelson led in steals

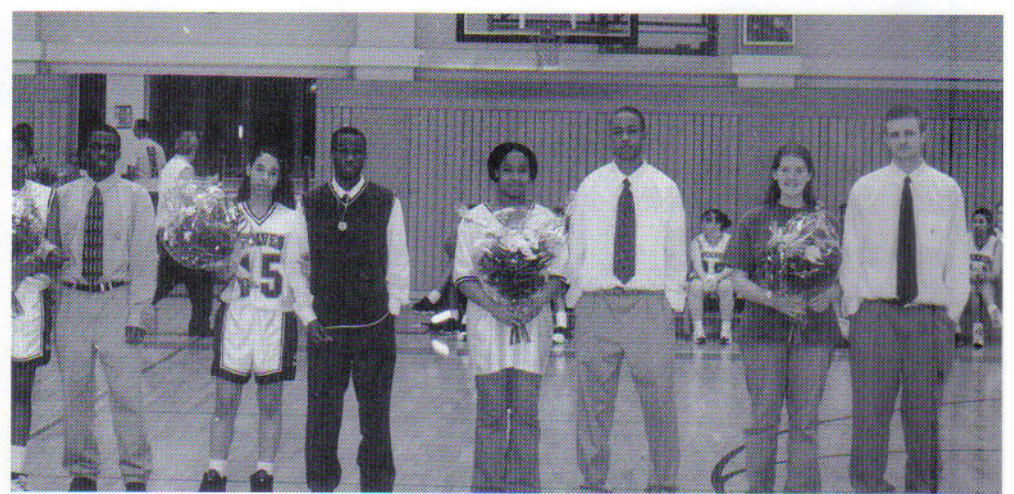

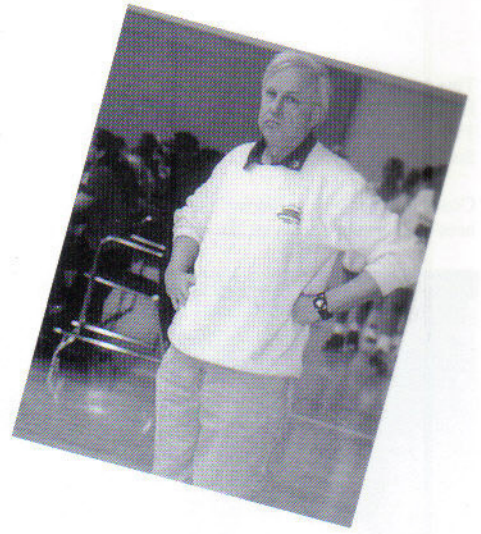

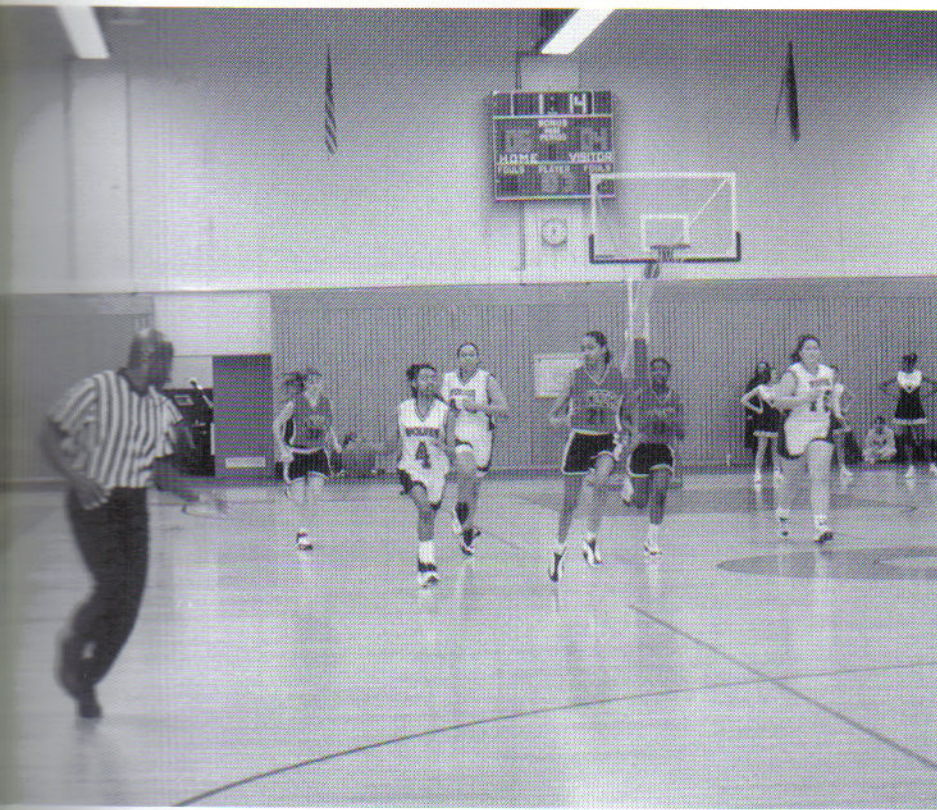

and assists and Cassandra Frank in rebounds. Shondrelle Sanders and Jennifer Scholz guided the team in scoring. Freida Harrington, Jennifer Scholz and Jessie Roberson stepped up to the "European Challenge" by supporting the team at Championships.

TRACK 2000

Spring sports are difficult to include as the yearbook deadline is so early. We have included what we could in the next few pages because we didn't want to leave out track, soccer and softball.

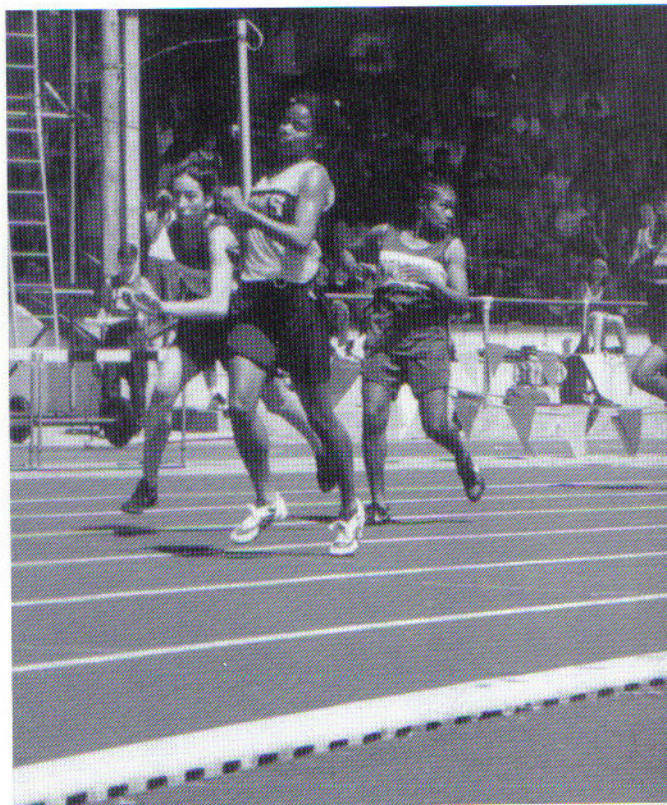

According to Coach Sullivan, Würzburg Track has been very successful over the years. This year's squad hopes to continue the tradition into the new millenium.

This year's team motto is "We all have ability. The difference is how we use it!"

Thanks to Coach Sullivan there are pictures of track stars in action.

Mariella Alcover broke her leg in the fall of 1999. She hopes she can return to winning the 4 x 4 relay in 2000 (photo right).

With Coach Elliott showing them the path and the team taking the first step, they will be well on their way to a bat-shattering softball season.

The Curious Savage

The fall play this year was "The Curious Savage", a play based in a mental institution. This humorous play revolves around Mrs. Ethel Savage (Katharine Bayer), the step-

mother of three very rich but selfish children Samuel (Ben Stroup), Lily Belle (Lorrie Cantrell) and Titus (Tim Kerrick) who are also the heirs to their

father's millions. Mrs. Savage is put in a mental institution where she encounters many strange but lovable characters: Florence (Valerie Uviedo), Hannibal (Jim Cartwright), Fairy May (Alexandra Mateo), Jeffrey (Ben Ayres) and Mrs. Paddy (Bridget Bynum). The institution is

staffed by Miss Wilhelmina (Mara Phipps) and Dr. Emmett (Jerry Otwell).

Directed by Mr. David Flom, the play, which ran three nights, was a great success. It was enjoyed by both audience and actors.

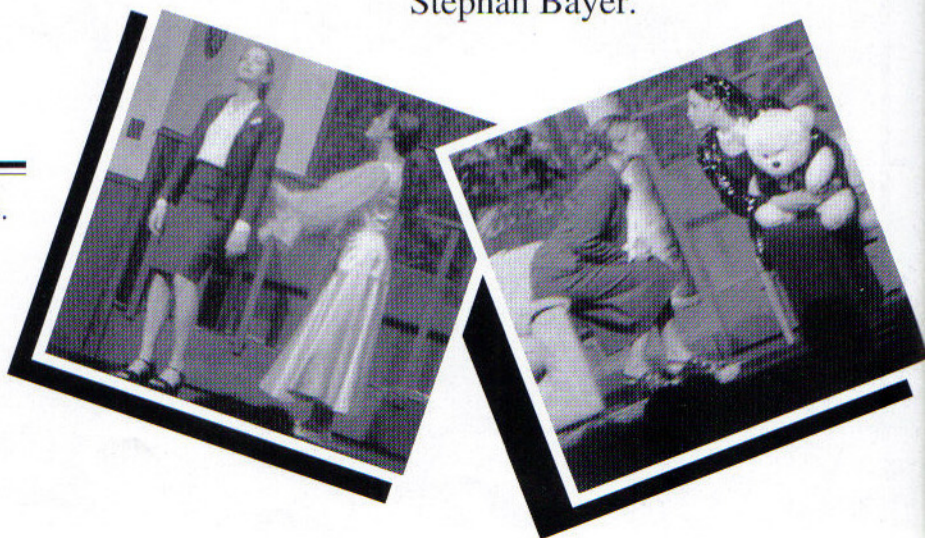

The backstage crew who also worked hard to make this play great are: Stage Manager Christel Tatum, Erica Cartwright (lights), Greg Kerrick and Robert Baker (sound), and Josh Wells-Betancourt, Daniel Lapham, Tabitha Vail, Kim Tee Karen Carpenter, David Mac Kinnon, Dan Humphreys, Joe Bayles, Trista David, Alex Ryan, John Hamilton, Brian McGowan, Brian McPherson and the cast members; Rehearsal Secretary Sabine Williams, House Manager Amanda Flom and posters by Stephan Bayer.

THIMUN: The Hague International Model United Nations

Würzburg MUN students represented Belarus and the World Health Organization (WHO) at the Hague, Netherlands this year. Approximately 3500 students from around the globe participated in the weeklong event. Many topics, such as Water and Life, Human Rights, the questions of East Timor and Palestine, and

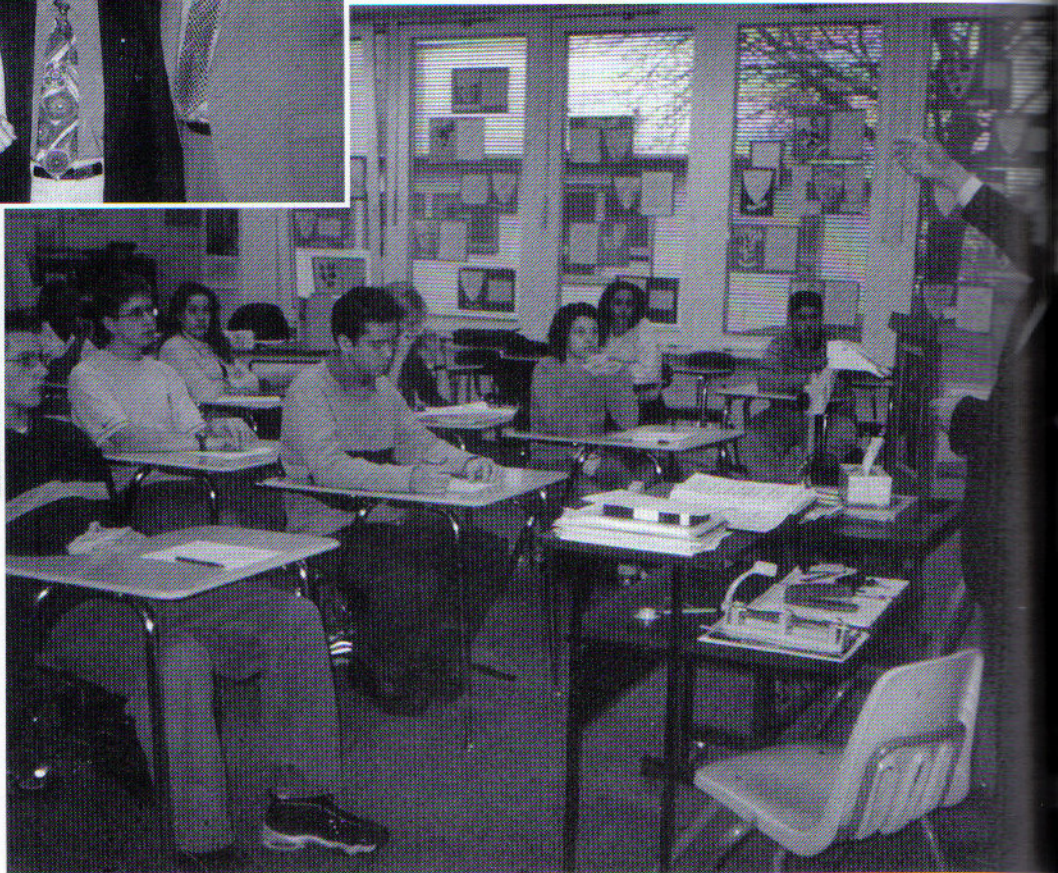

HIV-Aids, were discussed during the long days of debate. Even though some considered the days tiresome, most delegates felt the debates were exciting and interesting. For the first time in six years, a WAHS student served as a Student Officer. In this highly competitive position, Allison Atterberry represented the Wolves well as Deputy Chairperson of the Environment Commission. As the Head Delegate for WHO, Maran Phipps gave an excellent opening speech and moved effectively between the committees and commissions to support fellow delegates. Eric Dowty,

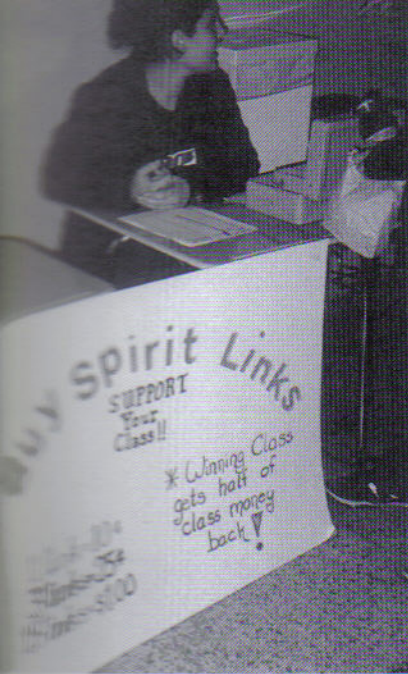

Ambassador for Belarus, organized delegation in the voting process to find consensus on world problems and gave an inspiring opening speech in the General Assembly. Sarah Dwyer representing WHO in the Assembly sponsored an important resolution on the Peaceful Uses of Outer Space that was passed by a majority of her commission. Robert Newton and Mary Joensen representing Belarus in ECOSOC made a reputation for themselves by the many amendments they submitted. Students also formed new friendships with their fellow delegates from around the world.

Getting ready for The Hague involved lots of fundraising. Denise Albina sells spirit links during lunch. Many students bagged long hours as well.

National Honor Society

The service project for NHS in October was the "Mini-Monster Mash". According to their sponsor, Mrs. Sullivan, Heather Amison and Maran Phipps (pictured right with Leah Comish-center) did a responsible and thorough job of organizing it by leading the set-up of games and decorations. And thanks to all of the members, it was a huge success!

Little Shop of Horrors

The WAHS Drama and Music departments present the musical comedy hit "Little Shop of Horrors" March 2, 3, 4, 9, 10 & 11.

"Little Shop..." is an affectionate spoof of 1950's sci-fi movies. The story revolves around a down-and-out skid row floral assistant, Seymour, who becomes an overnight sensation when he discovers an exotic plant with a mysterious craving for fresh blood.

As he becomes more and more successful, and romantically successful with his fellow worker, Audrey, the demands for the plant's food become more difficult to fulfill. They are especially difficult because the plant talks to Seymour!

The shop owner, Mr. Muschnik, Audrey's boyfriend, Orin, the Street People, the Urchin, the Girl Group and Audrey II add even more to this delightful and entertaining play.

The Girl Group (clockwise from front) Valerie Uviedo, Amanda Flom, Mary Todd, Alicia Preskey, Bridget Griffin-Bales, Tabitha Vail, Cassandra Boyd, Erica Cartwright (not pictured- Katharine Bayer).

Orin (Ben Stroup) checks Seymour's (Ben Ayres) teeth in the photo left.

Music, Sweet Music

Such a sweet sound that flows through your ears as the melody comes from room 182C. Mr. Ron Judd is the man in charge of the rockin' rollin' downstairs C Hall. The Chorus performed at the Cantigny Club and along with the band at the Winter Concert on December 8, 1999. Besides their football game performances, the band also plays at Graduation.

The 11th U.S. Army JROTC battalion was established at Würzburg American High School in the school year 1985/86. It became an "Honor Unit With Distinction" in the school year 1989/90 and we have maintained the honor of being the best in Europe since then. Being a "Gold Star" unit has many advantages for the cadets in the program. These include direct appointments to the three different military academies as well as having the ability to give out hundreds of thousands of dollars in scholarships.

The mission of JROTC is to motivate young people to become better citizens. The cadets also gain vast knowledge and gain skills in the areas of Leadership, Citizenship, Team Work, Rifle Marksmanship, First Aid Training, Public Speaking, Drill and Ceremony, Map Reading and Military History.

This year the Annual Military Ball will be held on Saturday, February 26, 2000 at the Cantigny Club on Leighton Barracks. The Annual Military Inspection will be held on the 15th of May.

2nd Place European Champions Würzburg Rifle Team

The 99/00 Wolfpack Rifle Team placed second at the USAREUR European Rifle Championship on February 4, 2000. Although initially hoping to successfully defend its coveted European Championship, the team faced a worthwhile adversary in the form of Bad Kreuznach's veteran team of third and fourth year shooters. With only one experienced shooter (Nick Downing), the rifle team was faced

with the task of overcoming stiff odds. Fortunately, first year shooters like Gerald Wilkinson, Pierre Smith and Joseph Hernandez exceeded everyone's expectations, allowing us to capture a solid second place finish at Europeans, second only to our

Bad Kreuznach rivals. Team members: Captain Nick Downing, Co-Captain Gerald Wilkinson, Thomas Gibson, Jonathan Susnir, Samantha Eldridge, Pierre Smith, Jason Hrusa, David Swiney, Christopher Susnir, and Jose Mangrobang.

Gerald Wilkinson and Nick Downing accept the 2nd place Championship trophy for the team as SGM Freeman looks on.

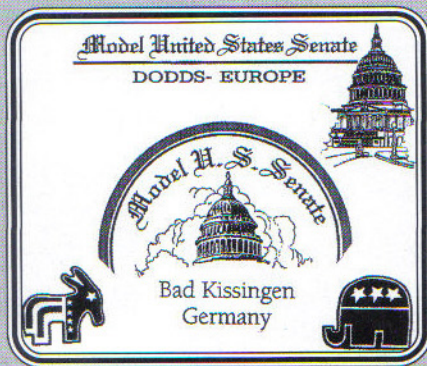

The Rifle Team: (front row) Thomas Gibson, Nicholas Downing, Pierre Smith, Chris Susnir; (back row) Jose Mangrobang, Samantha Eldridge, Jonathan Susnir, Gerald Wilkinson, David Swiney and Joseph Hernandez.

MODEL UNITED STATES SENATE

MUSS is a worthwhile and unique simulation activity that allows students from DoDDS (Germany, the Azores, Italy, Iceland, England, Turkey and Bahrain) to come face to face with the procedures of the US Senate. Participants from WAHS are: Allison Atterberry (Majority Whip Don Nickles), Stephan Bayer (Computer and Security), Katharine Bayer (Press Corps), Angie Carrillo (Ecology Lobbyist), Eric Dowty (Senator Bob Graham D-FL), Alexandra Mateo (Senator John Rockefeller D-WV), Robert Newton (Frank Lautenberg D-NJ), Patrick Otwell (Wildlife Lobbyist), and Rachel Wolfe (Senator Conrad Burns R-MT). The person responsible for organizing this event is Mrs. Karen Webber, who is not only the WAHS sponsor but the Director of the European MUSS program as well.

Before coming to Bad Kissingen, one hundred students are assigned the roles of US Senators. Others attend as lobbyists, press, cabinet members, the President and Vice-President. Each student prepares a bill on topics from one of the seven committees' issues which include foreign relations, environmental affairs, internet regulation and welfare. The students are required to research domestic and global issues in keeping with the viewpoints of their role.

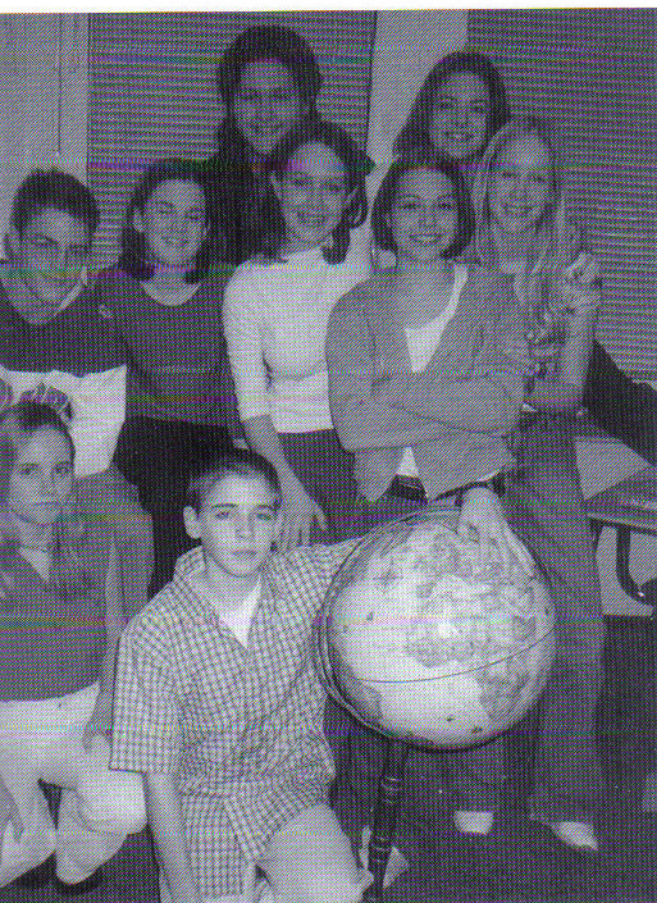

During the course of four days, senators and lobbyists meet in committees and as the full Senate to discuss and debate bills. The President meets with his Cabinet and delivers the State of the Union Address in the Opening Ceremony. The reporters are kept busy meeting the deadlines for the production of a daily newspaper, *The Capitol Press*. MUSS is a unique DoDDS program that provides an enjoyable and excellent opportunity for students to learn first hand about their government.

G/A Seminar

Students meet to discuss current issues

Ten WAHS students will be attending a special seminar sponsored by the Free State of Bavaria and the Center for Political Education through the Ministry of Culture. They are: Rachel Wolfe, Chelsea Puls, Mark Vail, Austin Henry, Lauren Garber, Sharon Findlay, Kathleen Sullivan, Ingrid Nagle, Stephanie Toth and Jen Galloway. They will be joining German students from a Gymnasium here in Würzburg and a Gymnasium from Thuringia. The subjects

to be studied include: German history-Division and Unification; the post-unification era and unification's impact on young people in Germany; citizenship and asylum seekers in Germany; a changing Europe--NATO and the USA; and the United States of Europe--Dream or Nightmare?

Built into the schedule is lots of time for group discussion of the issues and time to learn about the differing school systems. Within small working groups, students will be asked to problem-solve current issues facing Europe and make a group presentation at the end of the seminar.

Students attending the German-American Seminar in March get together to prepare for the event.

Ms. Fortson-Leno guides the students as they learn about the issues that they will be discussing.

Student Activities

"Excellence in Learning Through Excellence in Teaching" portrays a powerful message to the stakeholders of our school. It is only through the exceptional skills and talents of our faculty, staff, students, and administrators, individually and collectively, that Wuerzburg High School has been able to create an environment of academic excellence. This environment of excellence is present when students accept the challenge to be an experimenter and a discoverer, an innovator and a creator, a thinker and a problem solver.

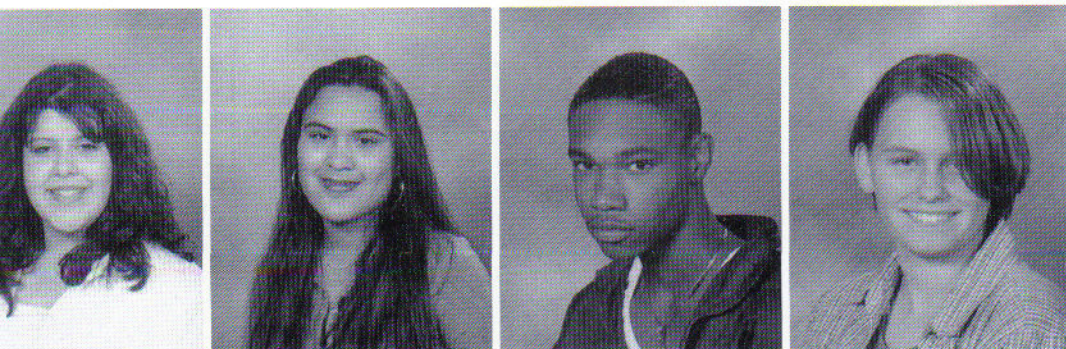

Academic excellence is also present when students accept the challenge and the responsibility to be self-directed, self-disciplined, self-dependent and aware of their intellectual, moral, and social responsibilities to themselves and to society. Academic excellence is present when the students and the faculty create a caring and concerned learning environment for each other and their peers in the classroom, the hallway, and throughout the campus. Academic excellence is present when students and teachers celebrate learning and achievement through the visible display of the "best" work of all students.

This commitment to **"excellence in learning through excellence in teaching"** that exists at Wuerzburg High School has been made through the combined efforts of a dynamic faculty, an outstanding student body, and an involved and supportive community, all of whom hold high expectations for student success. It is, indeed, my pleasure and my honor to be the principal of your school.

Club Beyond

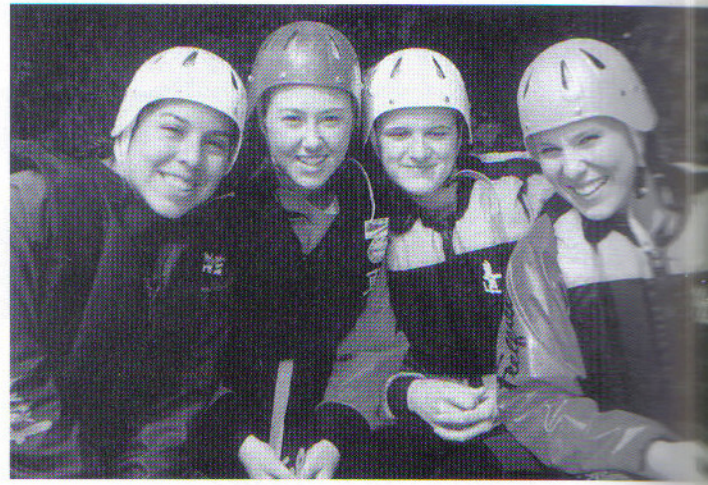

"We loved you so much that we were delighted to share with you not only the gospel of God but our lives as well, because you had become so dear to us"
1 Thessalonians 1:2

Club Beyond would like to thank all of you who made this year so amazing. We do love and care for you very much! Thank you for all the memories you have given us. We cherish the friendships that are too numerous to picture on these pages.

We hope that one day you will look back on this yearbook and remember all of the crazy club nights, Friday night Beyond Club meetings and awesome road trips. We pray that these fun experiences and friendships will encourage you in your faith and help you down the roads to come.

"I thank my God every time I remember you" Phillipians 1:3

Marty, Liz, Joe, Jennifer, Ryan, Jonie

I am standing upon the seashore. A ship at my side
spreads her white sails to the morning breeze and starts
for the blue ocean. She is an object of beauty and
strength. I stand and watch her until at length she
hangs like a speck of white cloud just where the sea and
sky come to mingle with each other.

Then someone at my side says: "There, she is gone!"

"Gone where?"

Gone from my sight. That is all. She is just as large in
mast and hull and spar as she was when she left my side
and just as able to bear her load of living freight to her
destined port.

Her diminished size is in me, not in her. And just at the
moment when someone at my side says: "There, she is
gone!" there are other eyes watching her coming, and
other voices ready to take her up the glad shout: "Here
she comes!"

And that is dying.

In Loving Memory
Barbara Ann Hann

March 31, 1941 February 20, 2000

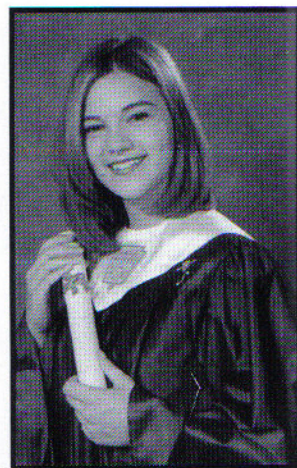

Barbara was the Registrar at
WAHS for many years. But to
many of us she was so much more.
She will be remembered as a very
kind woman, a good friend and
an asset to our school.

Heather.

We have always known that your graduation would be both a happy and a sad occasion in our lives. Sad only because as you leave to begin your own life, the brightness of your smiling face, the sound of your laughter, and the joy and trauma of your daily adventures will no longer be a part of our everyday world. These things will be sorely missed. You have added more to our lives than any words could convey. You have enriched my personal life more than anyone will ever know. There isn't much difference in the happiness we felt on the day you were born and the happiness we will feel on your graduation day. Your birth was a celebration of things to come and your graduation will be a celebration of a seventeen-year job well done. You have made us so very proud. We know you will be successful with whatever path in life you choose to follow. Remember to always look for the good in everything, reach for your shining star, and let happiness be yours.

Success...to laugh often and love much; to
win the respect of intelligent persons and the
affection of children; to earn the approbation
of honest critics & endure the betrayal of
false friends; to appreciate beauty; to find
the best in others; to give of oneself; to leave
the world a bit better; whether by a healthy
child, a garden patch,
or a redeemed social
condition; to have
played and laughed
with enthusiasm, sung
with exultation; to
know even one life has
breathed easier because
you have lived...this is
to have succeeded.
We wish you success.

What is a friend?

A friend is somebody who knows you and likes you
 Exactly the way that you are-
 Someone who's special and so close in thought
 That no distance can ever seem far.
 A friend is somebody who shares all you secrets
 And laughs at the same things you do-
 Who helps you make plans and is happy to hear
 When something nice happens to you.
 And, whether you're neighbors or live miles apart,
 A word from a friend gives a lift
 To your heart and your spirit that shows you once more
 Why friendship is life's dearest gift!
