

The background is a dark blue gradient. It features several large, overlapping, curved white and light blue shapes that create a sense of motion and depth. In the lower half, there are stylized white lightning bolts or energy lines. The text is centered in the lower half, overlaid on these elements.

The Many Faces of Administration

Dr. Eldrenna Durham, Principal

My favorite quote, ***"Happy are those who dream big dreams and are ready to pay the price to make them come true,"*** guides me as a principal while working with our SMS family of about 270 students, 32 staff members, parents and the military community. The challenge that I have is to support all the members of our SMS Family.

I like to think of myself as a mentor, mediator, mother/nurturer, and confidante for the students in addition to being viewed as a community leader. I have a strong passion for education, because a teacher in middle school influenced me to complete high school and attend college.

My goal is always to see the big picture and view as many different sides of any situation. I try to conduct research and gather feedback from other sources. There is often far more than what appears on the surface.

Our vision is to make sure that all members of the SMS Family are treated with dignity and respect. Students need to make sure that they value the rights, privileges and freedoms that American children are blessed with. Remember that children in many countries are in the midst of wars, poverty and political agendas.

I challenge students to utilize their talents, take advantage of their right to a free public education and above all

Keep Thinking, Keep Learning and Keep Growing!

SPECIAL EVENTS

Native American Celebration

Our students were treated to an educational and entertaining assembly in November. A group from the United States presented information on the history of Native Americans and they performed many traditional dances. Some of our students even got to join in on the fun!

Winter Wonderland Concert

Our band and choral students presented a stupendous concert in December. Parents and fellow students were awed by the performances of the band, which was directed by Mr. Humphrey, and the choir, which was directed by Ms. Guerrero.

German and American Exchange

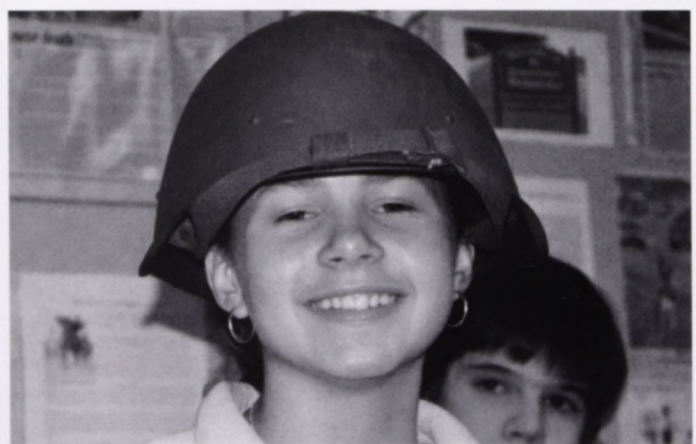

The German and American Exchange, sponsored by Herr Hieke, was a great experience. Our students spent one day at a local German school and then we hosted the German students at our school for one day. Many interesting cultural similarities and differences were shared.

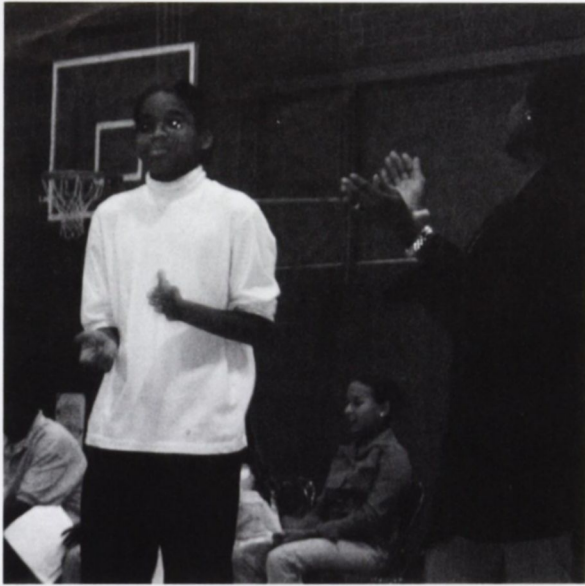

History Comes Alive

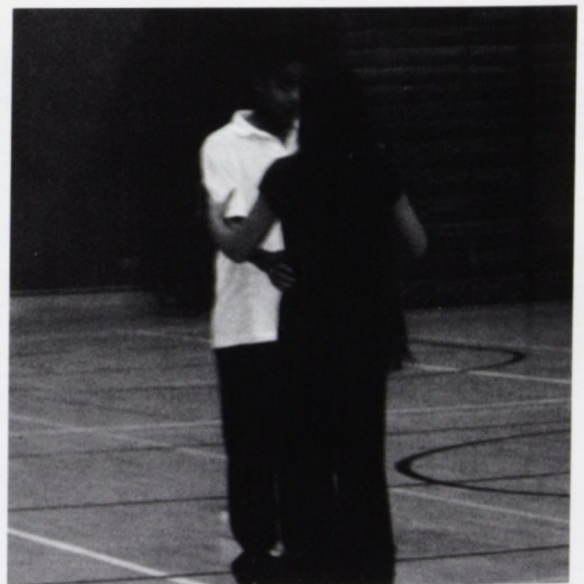

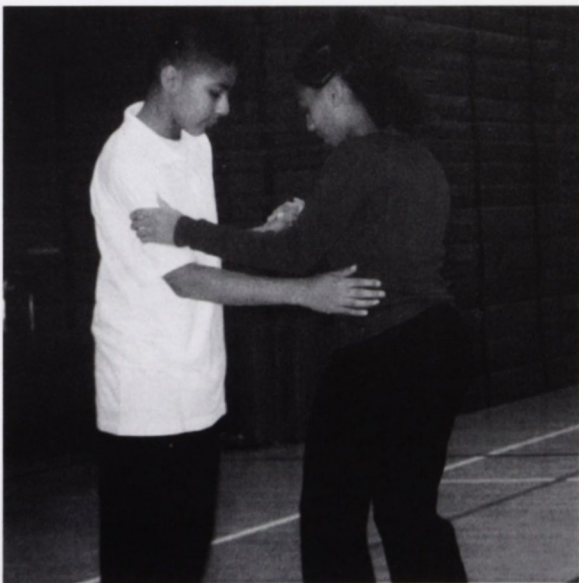

Our eighth graders had the unique opportunity to learn about American history from SSG Demorrow who visited us from Wiesbaden, Germany. He shared his knowledge, and many interesting artifacts, of American history. Our students were very appreciative of the presentation.

Hispanic Heritage

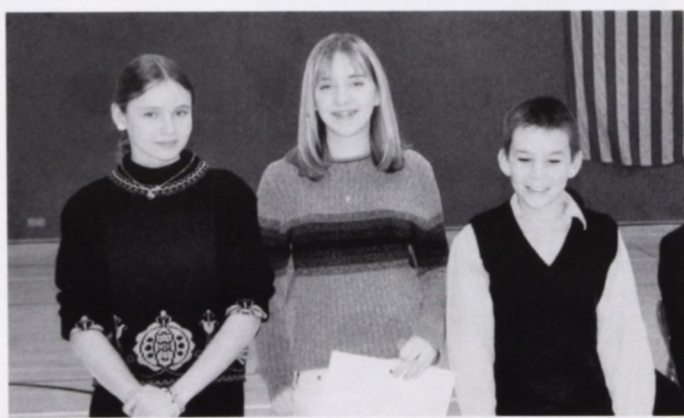

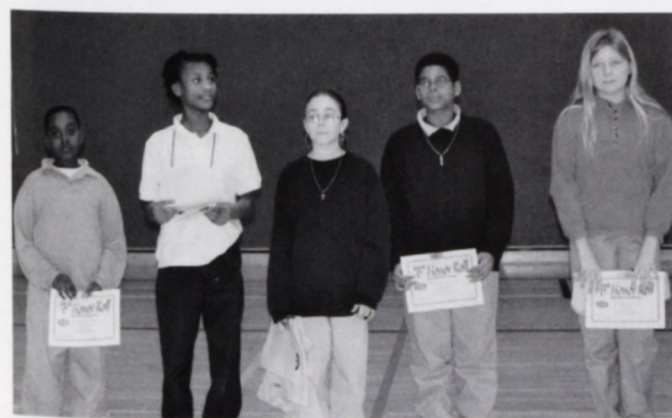

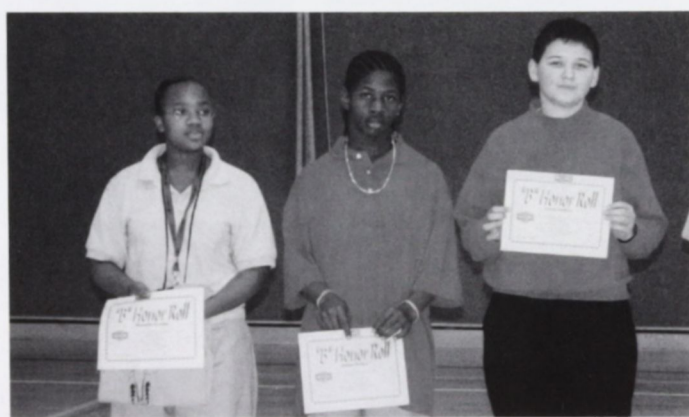

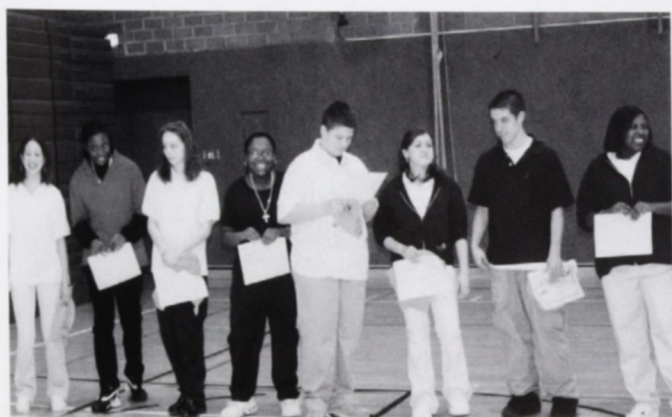

Historical background and many interesting facts were mixed with lively dancing at this year's celebration. Students learned about Antonio Lopez de Santa Anna, the inventor of chewing gum, and were treated with a piece on their way home from school.

Student Achievement

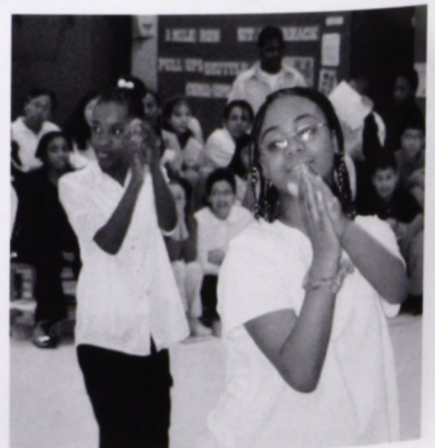

Spotlighting and honoring students who work hard and achieve in our school is one of the most special events at Schweinfurt Middle School! Our National Junior Honor Society, with the leadership of Mrs. Rose, did a superb job of presenting the certificates as well as many special gifts and surprises! Our students work hard and deserve this special recognition!

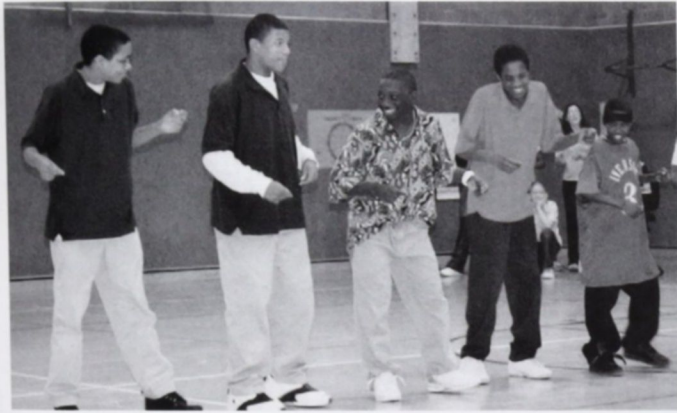

African-American Heritage

Our very own principal, Dr. Durham, inspired our African-American Heritage Program. The celebration included an inspirational speech by her and an exciting rendition of Dr. Martin Luther King, Jr.'s "I Have a Dream," given by 7th grader, Kelvin "Jay" Baker. Other highlights included the "Cha Cha Slide" audience participation and a student step performance. What fun!!!

Celebration of Dance

Many students worked long and hard in order to present a spectacular showcase of dances at this year's show. The students' talents and enthusiasm were awesome and the audience had a terrific time. Mr. Griffin was a terrific MC and Mrs. Leardi, Mrs. Cohen and Mrs. Williams were terrific sponsors.

European Heritage

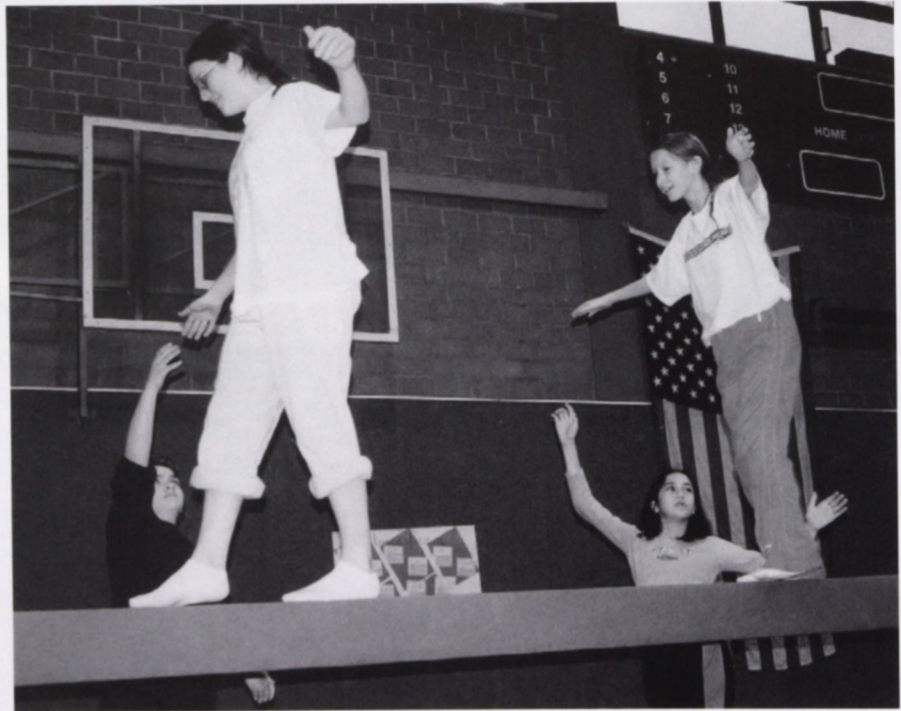

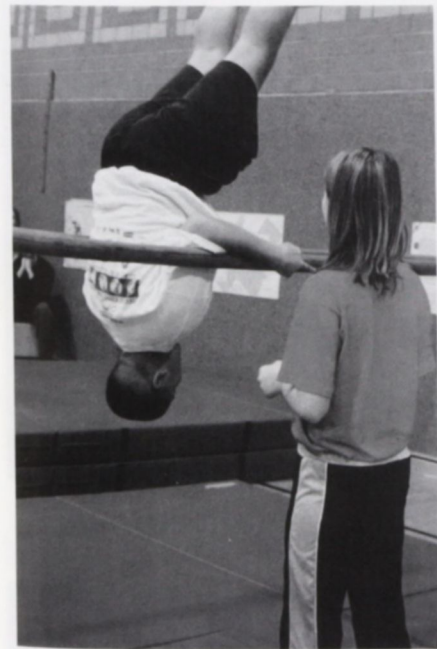

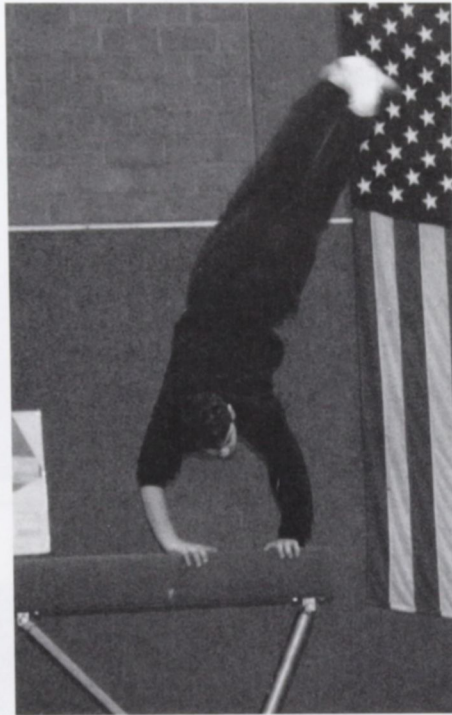

Mrs. Brooks, Mrs. McNair and several of our students presented an informative and entertaining assembly in January. The assembly included native European clothing, a special musical salute and a very creative skit that reminded all of us that it is our differences that make us special.

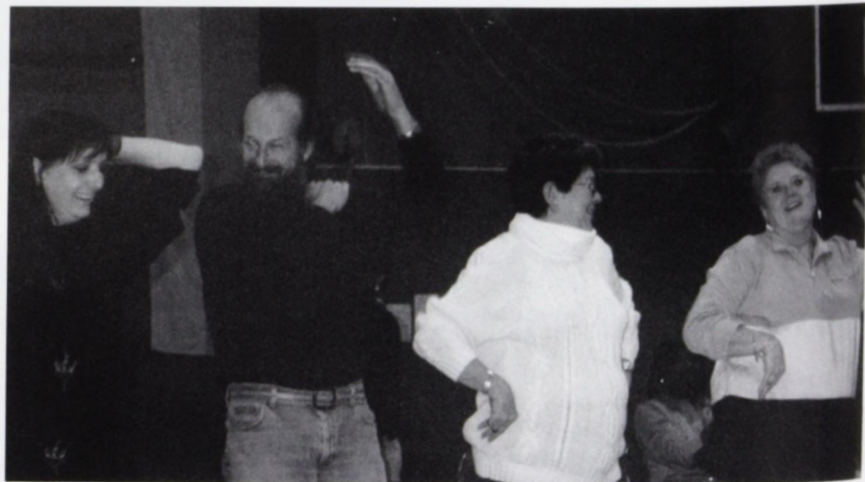

2970009

Gymnastic Magic

This year's gymnastic show was a rolling success! The audience flipped over the talents of the performers! Parents and students were jumping with excitement! All of our physical education students participate in a gymnastics unit under the direction of Mr. Erwin and Ms. Rose.

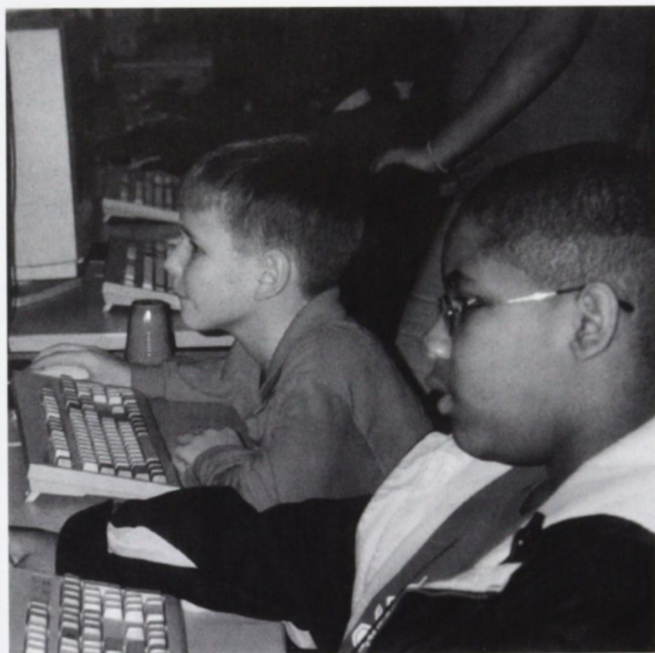

Special **E**vents...Special **M**emories

**AFTER SCHOOL
ACTIVITIES**

Math Enrichment

Enrichment math is an excellent and fun way for our students to extend their skills and knowledge in mathematics. This after school activity helps our students work toward their academic goals in math. Mrs. Kennedy is the sponsor.

Student Council Improves Our School!

8th Grade

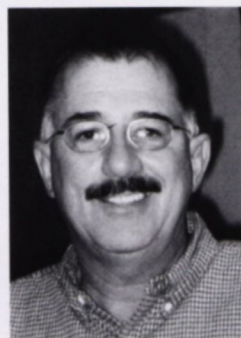

Student Council is a great learning experience. Each grade level and advisory has elected members to represent their classes and advisories. Student Council works hard all year on various projects that improve our school. Mr. Conrad is the sponsor.

7th Grade

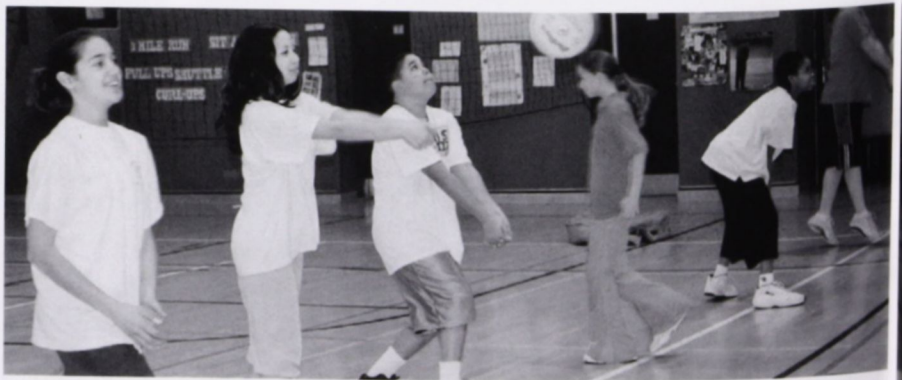

6th Grade

Volleyball Stars

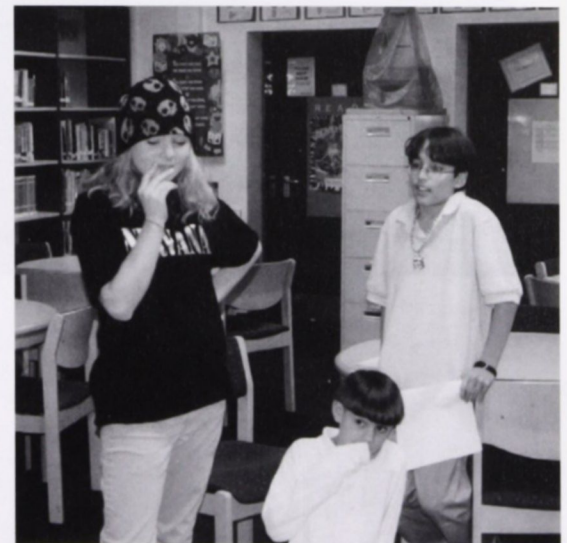

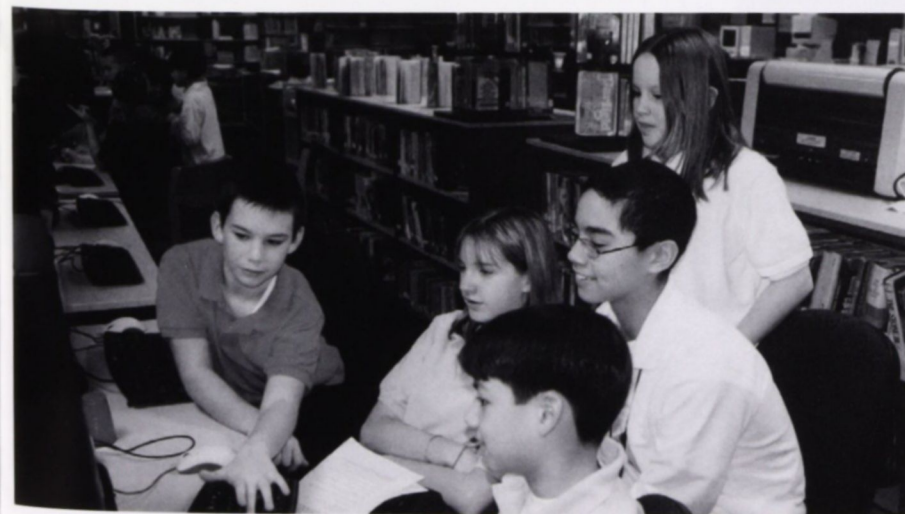

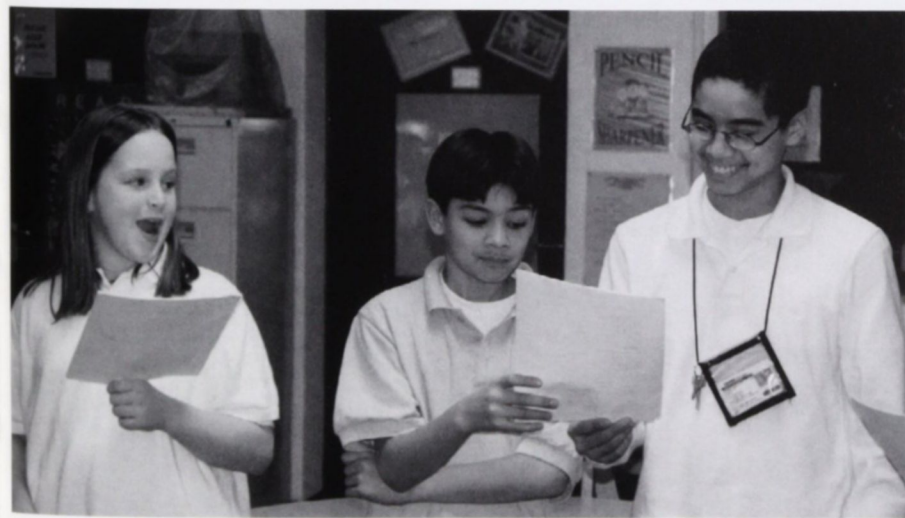

Bump! Set! Spike! After school volleyball was very popular with the students at Schweinfurt Middle School this year. Mrs. Carter, the sponsor, taught and encouraged the use of proper techniques and good sportsmanship. In addition, the students had a great time with their friends!

Odyssey of the Mind

Ms. Maka is the proud sponsor of the "Omers" who participate in a creative problem solving class called Odyssey of the Mind. They work together as teams to solve a long-term problem as well as spontaneous problems along the way. They use lots of creativity in planning a skit as part of their solution.

Chess Champions

Challenging your mind and practicing your problem solving skills are just two of the objectives of the Chess Club. The others are relaxing and enjoying time with your friends! Mr. Griffin is the sponsor of this exciting club and encourages students to play other board games in addition to chess.

Guitar Class

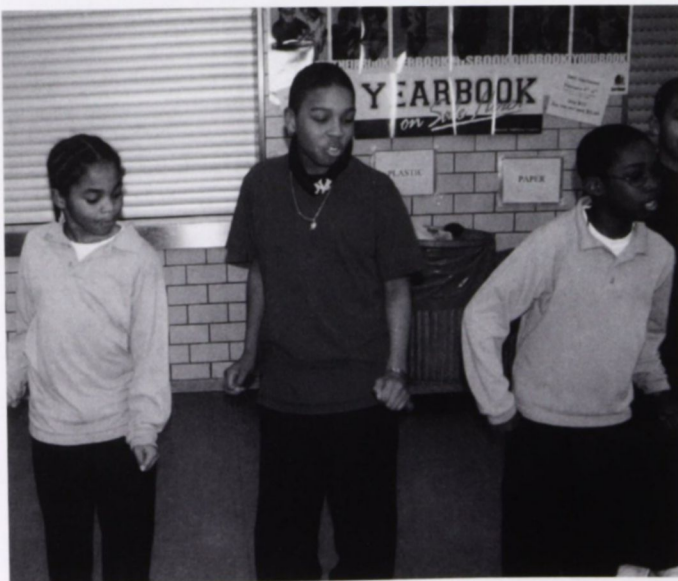

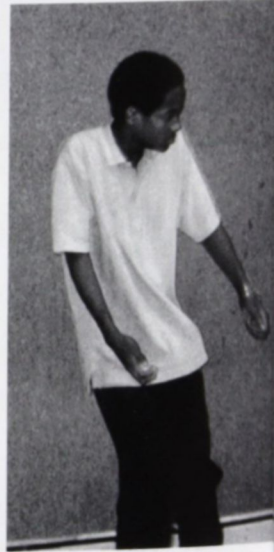

Mr. Humphrey began a brand new after school activity for our students. He is using one of his many musical talents to teach students how to play the guitar! The students are learning all of the basics and having a jammin' great time while dreaming of fame and fortune!

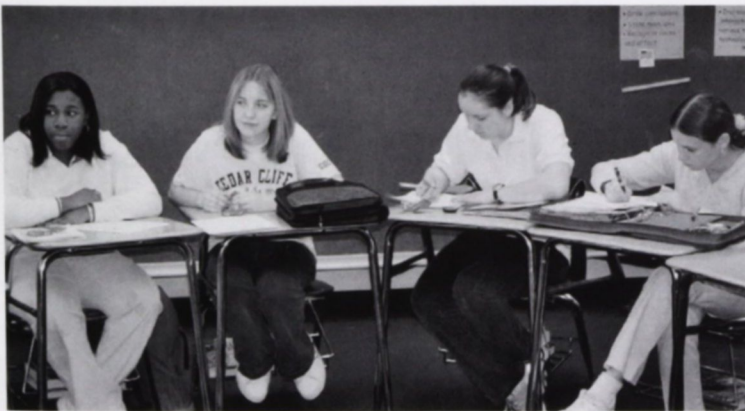

Dance Club

Moving to the beat of the music was loads of fun for students at our school this year. Under the direction of Mrs. Leardi, Mrs. Williams and Mrs. Cohen, students enjoyed learning new styles of dancing as well as creating some unique moves of their own.

National Junior Honor Society

The National Junior Honor Society, NJHS, promotes the recognition of students who reflect outstanding accomplishments in the areas of scholarship, character, leadership, service and citizenship.

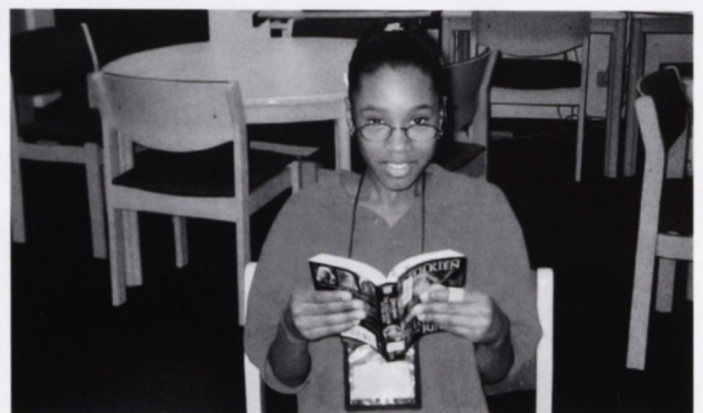

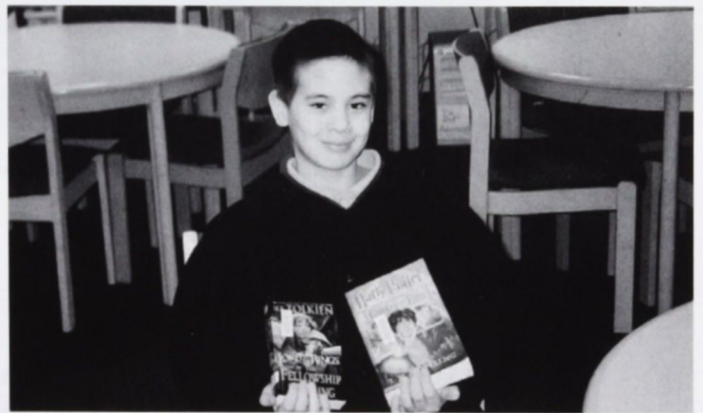

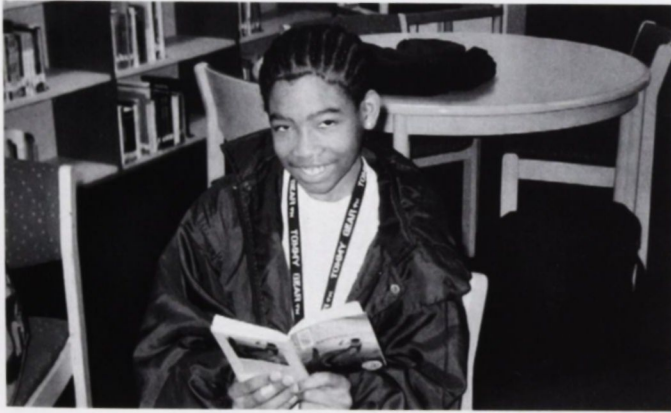

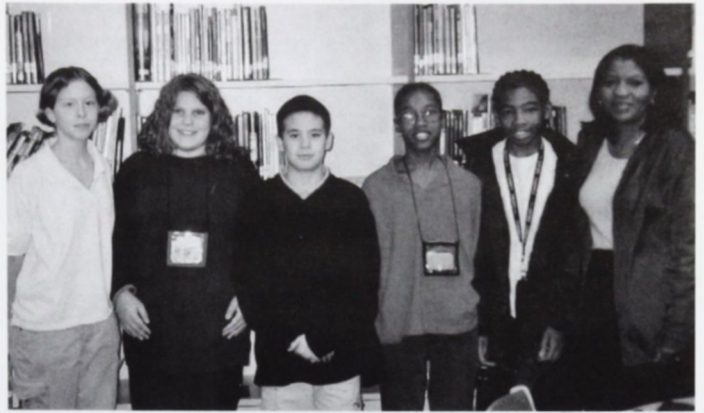

Arts and Crafts

Throughout the fall and winter, many of our students were able to demonstrate their creativity in Mrs. Schmidt's arts and crafts club. The projects taught the students some new crafting techniques as well as highlighted their talents. These terrific projects will be treasured for many years.

Reading Enrichment

Enjoying reading and getting better at it are the purposes of our Reading Enrichment Club. Students worked with Mrs. Daniels in the fall and with Mrs. Heath in the spring to improve their reading skills and learn to love books. Students discovered that reading opens new worlds to them.

Aeronautics Abound

Mr. Gillis loves sponsoring this after school activity because students who participate get to see that “fun” can be educational. In this activity, students enjoy designing, building and flying model airplanes.

STUDENT LIFE

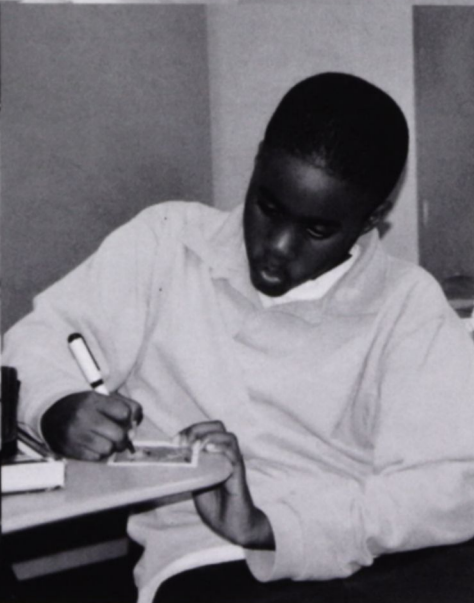

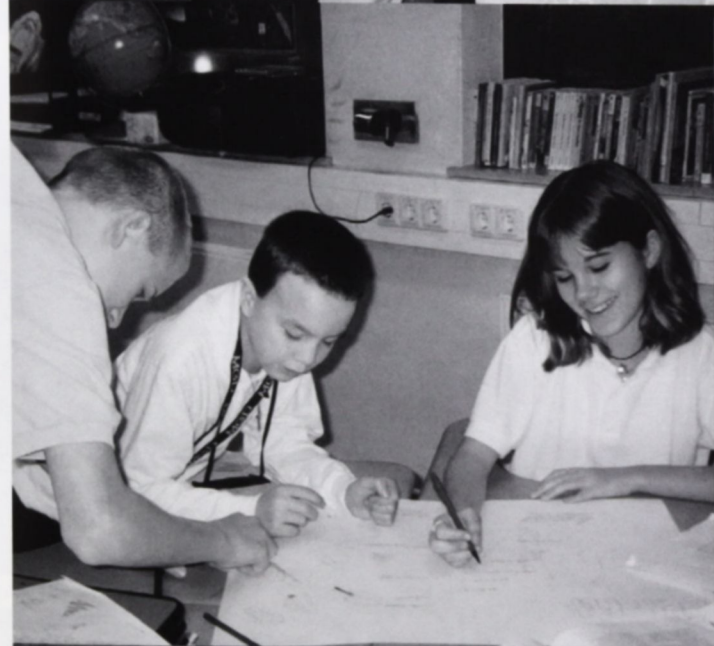

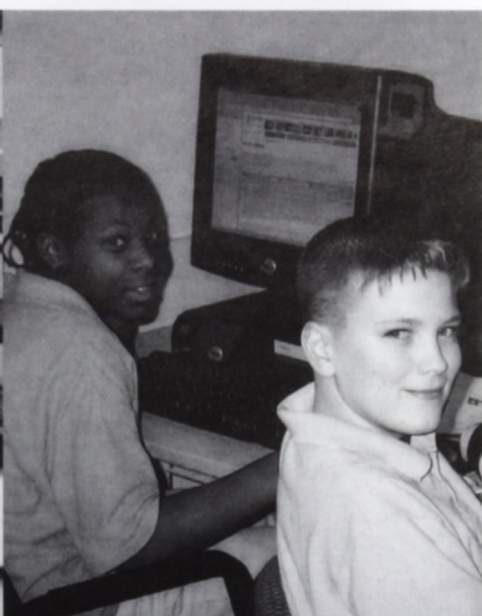

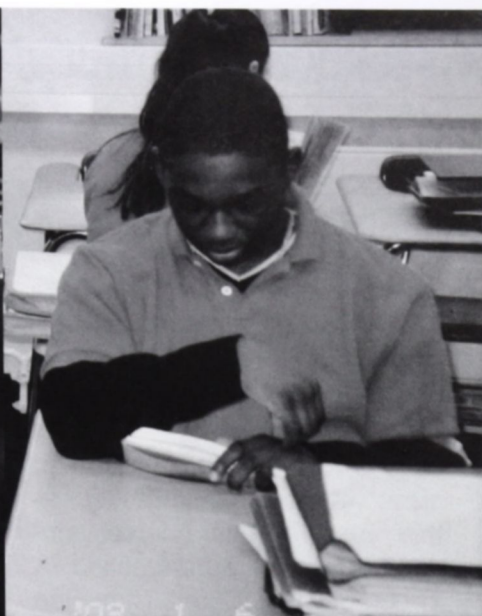

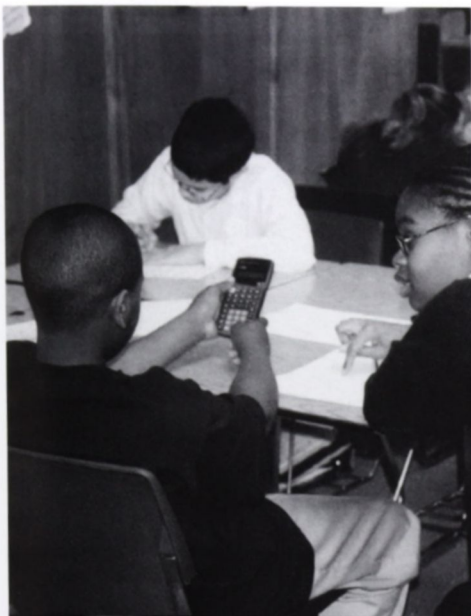

Golden Knights

Golden Knights shirts are appearing everywhere! Only students who display a good attitude, demonstrate excellent citizenship, and make the honor roll for two consecutive quarters are privileged to wear these shirts of PRIDE! Students must maintain their honor roll and good citizenship status, as well as perform community service in order to remain a Golden Knight.

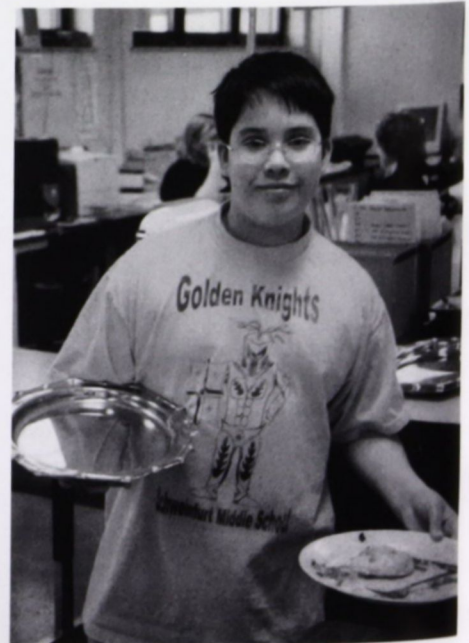

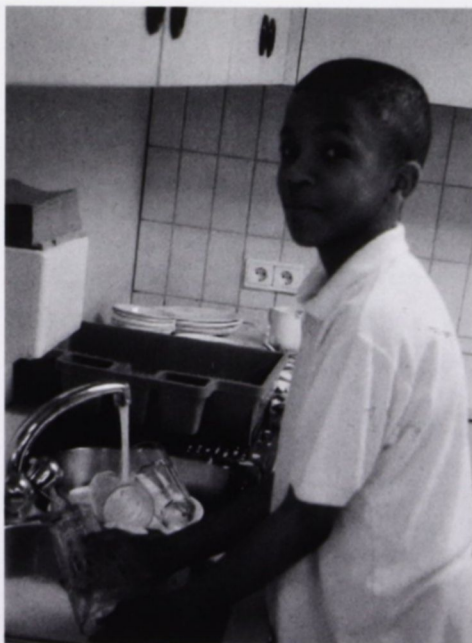

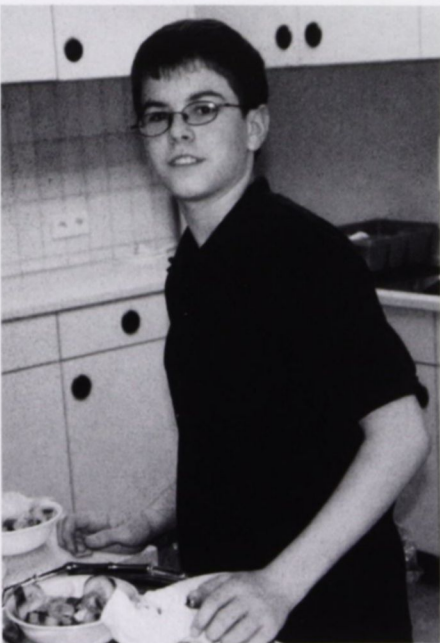

Business Enterprise

Mr. Purdin's Business Enterprise class was a continuing success this year. In this course, students run a restaurant called "A Touch of Class Cafe." They plan a nutritious menu, budget for the meal, prepare the food, set a proper table, serve, and even clean up! Students report this class as one of their very favorites, and the adult patrons of the restaurant think it's great, too!

Sharing of Cultures

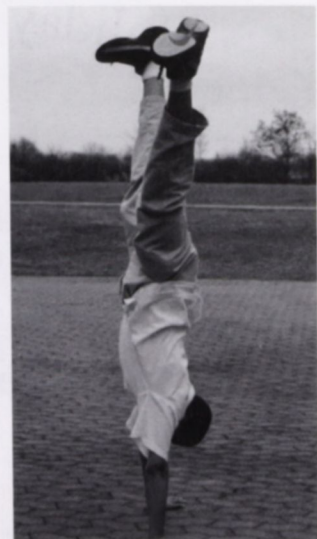

During a unit of study on India, the sixth grade World Cultures classes were very interested and appreciative of the wonderful fashion show that was made possible by one of our parents. Mrs. Hollin provided the fashions that our students wore in a celebration of the Indian culture. Students learned a great deal, whether they were modeling costumes or simply viewing the show.

First Quarter Reward

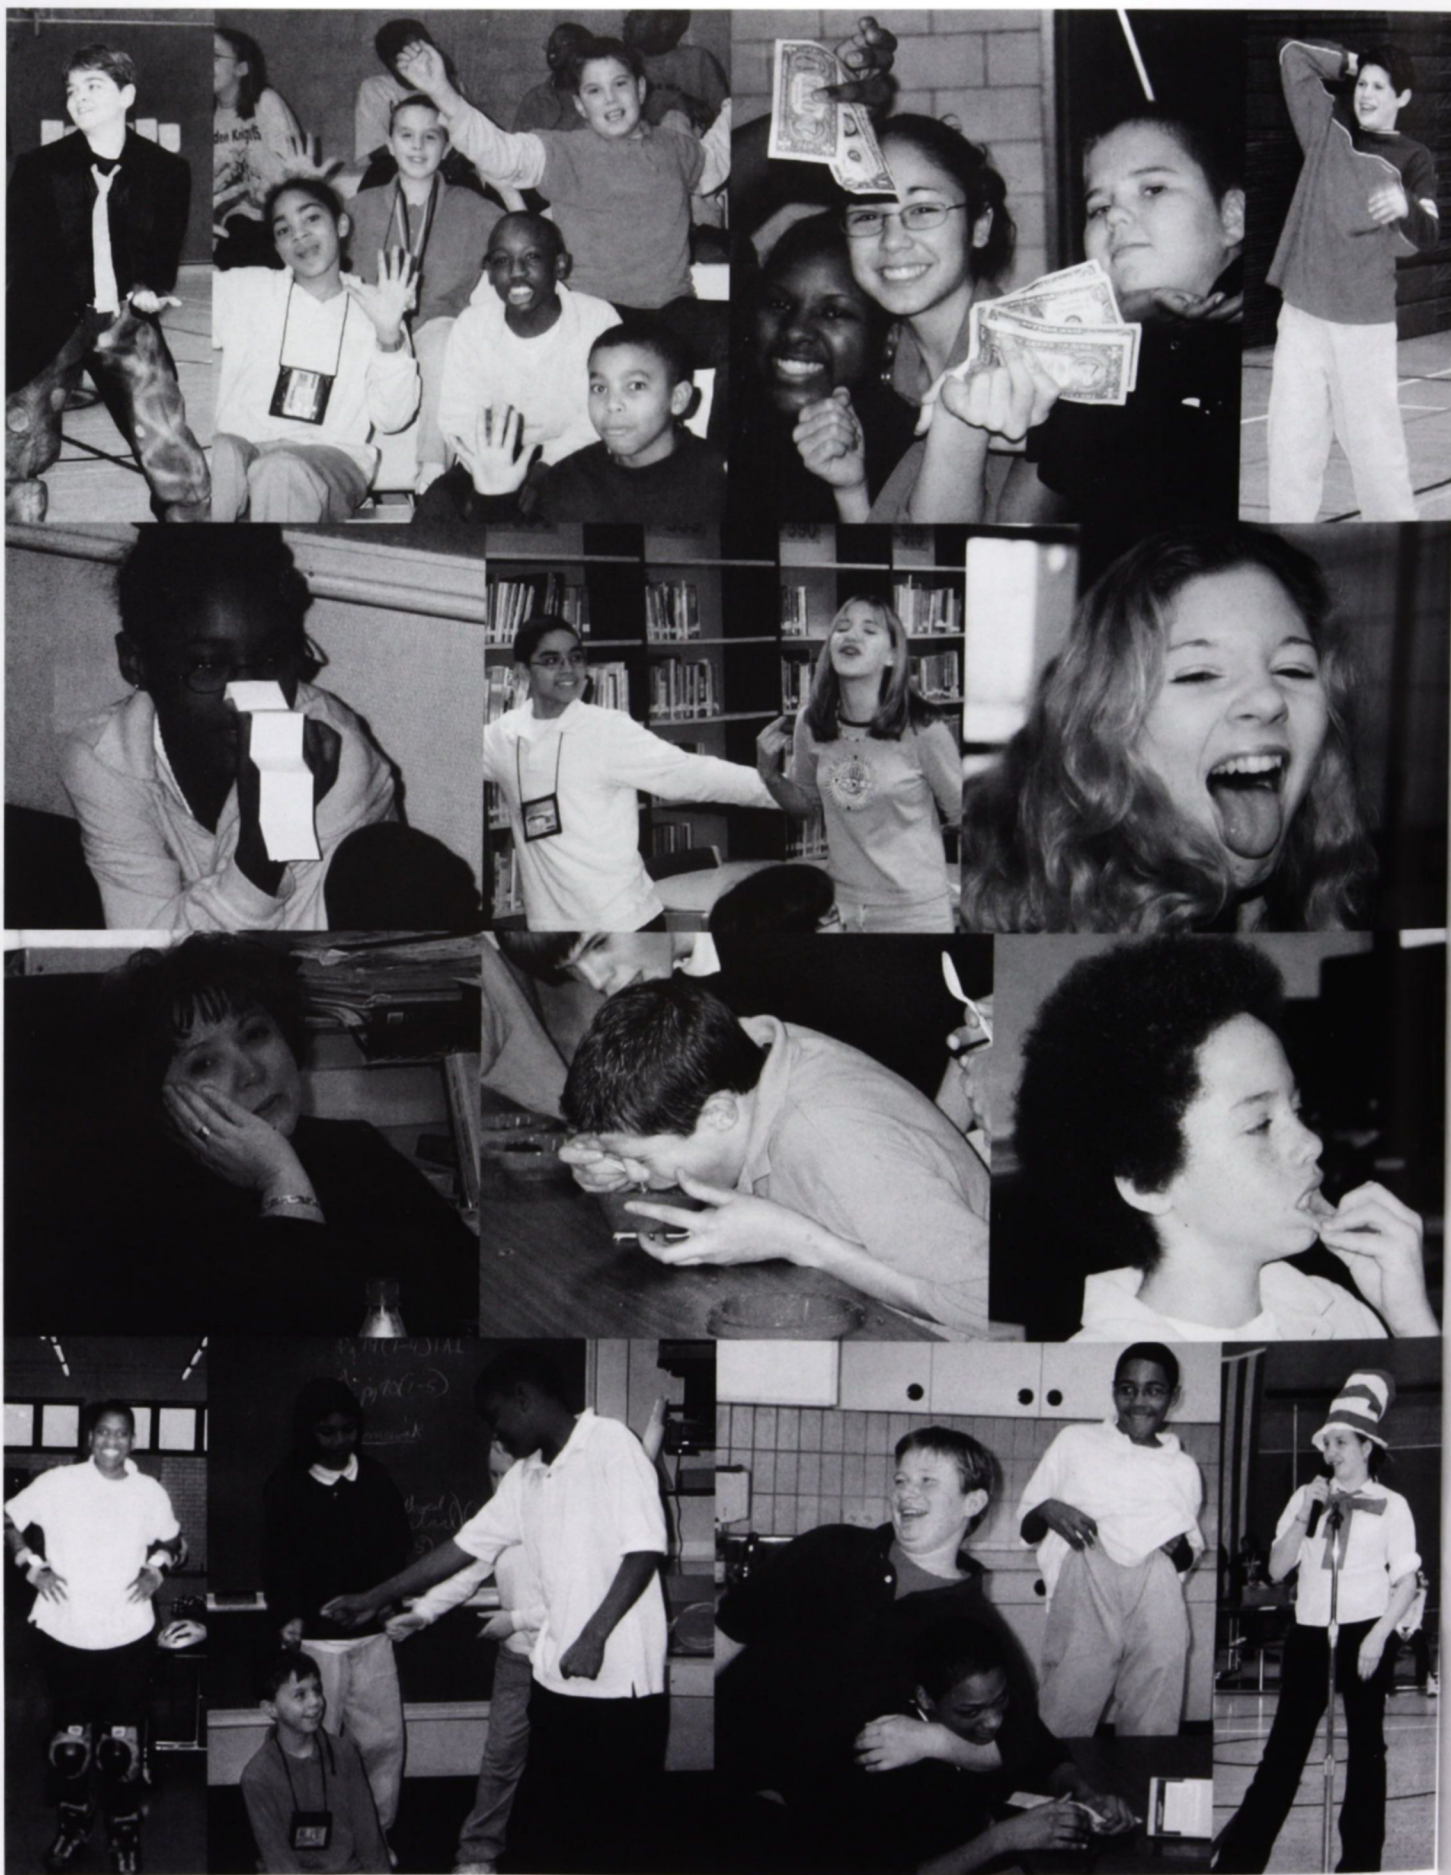

Off to the movies! All students who had shown excellent behavior throughout the first quarter were treated to a day at the movies. Students laughed and enjoyed the movie, *Like Mike*, shown at our local theater. They seemed to enjoy the popcorn, soda and a chance to visit with friends almost as much as the movie!

Second Quarter Reward

February found many of our students ready to be rewarded. Their excellent behavior provided them the opportunity to participate in their choice of the following activities: bowling, line dancing, volleyball or board games. A great deal of excitement was evident during this well deserved treat!

Yearbook

The yearbook staff was a bit surprised at the many different tasks and jobs that were a part of producing our school's yearbook. They worked hard on everything: fund-raising, photography, sales, layouts, cropping, as well as writing and editing headlines, captions and text. This book is a tribute to all of their dedication and teamwork!

Roses are Red,
Violets are Blue,
Georgia Peaches are Sweet and
So are You!

Shanira

Set High Goals and Believe in Yourself.
You can make your dreams come true.

You are and Always
will be Daddy's Girl
and Mom's Tutu
We Love you Nira

Dear Julius,

We are proud of you and your accomplishments in the 7th grade.

Continue to do your best, aim high and pursue your dreams. You will be successful.

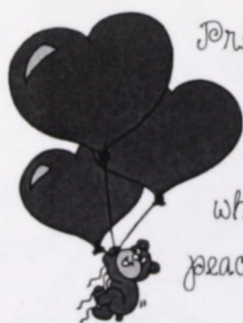

Watch ye, stand fast, and be strong. Continue to let your little shine wherever you go and may you have peace, joy and comfort in all you do.

Blessings to you always,
Love, Mom and Dad

Dear Kayla,

We are proud of you and the accomplishments you have made in the 7th grade. Continue to do your best. Be strong and courageous; remember who is on your side!

Press toward the mark, aim high, reach for the stars and you will be successful. Let your little light shine wherever you go, be steadfast and unmovable and may you have peace, joy and comfort in all you do.

Blessings to you always,
Love, Mom and Dad

Briana,

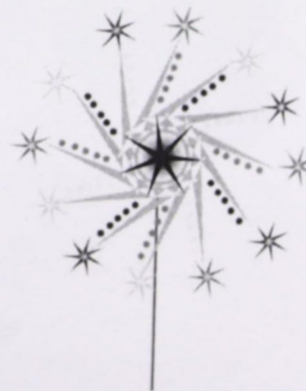

Congratulations!

on a job well done.

We love you.

Love,

A Daughter's Gift

When I imagine

The life you will live,

I think of the pleasure

Your presence will give;

I see the joy your smile will light

And the wonder you'll weave

When your dreams take flight

I feel the hope

That will grow with your grace

And the difference you'll make

To each heart you embrace.

I imagine your life

As I know it will be;

For, my daughter, you've given

All this to me.

**The Most Worshipful Palmetto Grand Lodge sends
"BEST WISHES"
to the Schweinfurt Middle School Yearbook Staff**

We hope this book provides memories that will last a lifetime.

Honorable Louis C. Mackie, 33°, Grand Master

1217 Bachelor Street, Columbia SC 29169

FirstCommand
FINANCIAL PLANNING™
Family Financial Planning since 1958

Getting Educated With First Command

First Command Financial Planning provides scholarships annually to deserving dependents of American military professionals at many installations around the world. Since 1983, more than \$2.5 million has been donated through this program.

Wondering what college savings plan is right for you? To learn more, call our Wuerzburg, Germany, office at 0931.278.980.

Providing the opportunity for every professional military family to achieve financial independence.
