DoDDS Europe to open new high school in Schweinfurt community for school year 2011-12

WIESBADEN, Germany – The Department of Defense Education Activity announced today the establishment of a high school in the Schweinfurt community.

Students from the Schweinfurt military community have been commuting long distances to attend Bamberg High School since Würzburg High School closed in School Year 2008-09.

Dr. Clifford Stanley, the Under Secretary of Defense for Personnel and Readiness approved the establishment of a new high school, which is slated to be ready for the beginning of the 2011-2012 school year.

The new school will utilize what is now Schweinfurt Middle School. The middle school will be combined with the elementary school to form an elementary/middle school. A majority of the renovations required will occur at the new elementary/middle school.

The establishment of the high school will increase the overall DoDEA budget by approximately \$1.1 million per fiscal year. An additional \$2.4 million will be required for fiscal year 2011 for facilities modifications and renovations and start up costs.

"This is great news for the students in the Schweinfurt community," said Dr. Nancy Bresell, director of DoDDS Europe. "The establishment of the high school is consistent with our responsibilities to our overseas communities, particularly highly deployed ones."

"We conducted a comprehensive review of the request by the Army to open the school," she added. "We made the determination that the establishment of the school would be in the best interests of the more than 170 students."

The Schweinfurt Garrison commander, Lt. Col. Everett Spain, said the Schweinfurt community is deeply grateful to the Bamberg High School faculty, staff and students and community for embracing the students over the past several years.

"The news of the recent authorization to open Schweinfurt High School is a great opportunity for the students and parents of our highly deployed community," Spain said.

"Understanding that we have only two months to finish preparations for opening day, our community's leadership, families, students, and partner units and organizations remain dedicated to working closely with our DoDDS Europe colleagues to ensure success. The community looks forward to opening a high school founded on academic and character excellence that actively prepares our students to be America's leaders of tomorrow."

With less than two months to make the school a reality, DODEA headquarters has made this one of their top priorities.

The DODEA acting director Marilee Fitzgerald is excited about establishing a school in Schweinfurt and says it is a great story for the community and the children.

"To the extent possible, when DoDEA schools are located in communities close to where families live, it creates opportunities for them to become more involved in school, for students to participate more in school, and the building of a stronger connection with the school," she said.

"I see this as an important milestone in improving educational opportunities for military children and for the children of our military families in Schweinfurt," she added. "I look forward to an exciting opening day this fall."

One of the biggest challenges will be the personnel actions needed to staff the school. DoDDS Europe has set a priority for teachers in the Bamberg and Schweinfurt communities who would like the opportunity work at the new school.

The logistics of setting up the school is being made easier with the availability of equipment, furniture and supplies from Mannheim High School, which closed at the end of the school year.

"The separation of Bamberg and Schweinfurt communities created challenges for the Schweinfurt students and families, many of whom are affected by deployments," said Bresell. "This decision removes all barriers to a high quality high school experience for the much deserving students."

razorback spirit

Spirit Week is our annual kickoff for our Homecoming game and dance. This year, Monday started off the celebration with Wacky Tacky Day and a lot of mismatched outfits. Twin Day was Tuesday, we saw tons of twins, triplets and other multiples. Wednesday was Nerd Day, who knew Razorbacks were such a nerdy group? Thursday, everyone dressed in black for Black Out Day. Spirit Week ended on Friday with everyone wearing black and red to show our true Schweinfurt colors.

Showing true island spirit on twin day, Jelshka Farinacci (11), Janica Ecleo (11), Abigail Bernardino (10), Ronelle Tajalle (10), and Aimee Cutcher (11) surround Pedro Mesa (10) as he attempts to perform "Hawaiian Medley" on his lap slide guitar.

Men in Black or bouncers? Leon Roy (9), Dominic Adams (10) and Konner Dean (9) strike a pose outside of the gym before the pep rally.

families are forever!

The word family can be defined in many different ways, but at Schweinfurt High School, family means love, laughter and a greater bond. Being a twin is very unique, but what is more fascinating is that our school has four sets of them. We also have cousins who are attending high school together, rare in a military community. You might find the twins, siblings or cousins arguing around school, but, at the end of the day, their love and care for one another will not perish.

powder puff & pep rallies

Powder puff games turn the game of football upside down. The girls play against each other in a game of flag football, while the boys don cheerleading uniforms and cheer the ladies to victory. Surprisingly, the freshmen and junior girls beat the sophomores and seniors.

Throughout the school year, Schweinfurt students enjoy spirit-filled Pep Rallies. This year we saw everything from a pie in the face to a dance competition. There was music, shouting and lots of energized students.

Jaime Manglona (9) selected Mr. Zachary Cyphers as his "student" of choice during the pep dance competition. Jaime led the dance with fancy footwork which included break dancing. Mr. Cyphers had a few moves of his own!

It looks like the sophomores are taking charge against the freshmen, but in the end, it is the ninth grade girls that win.

Logan Mansfield (11) carries John Durosseau (12) during the pep rally game of Ships & Sailors.

Assistant Principal, Marc Villarreal, is braver than the average razorback. He trusted the cheer squad to lift him six feet off the ground.

Actions speak almost as loud as the audience during the pep rally.

The winning powder puff players and coaches pose for a team picture. Kneeling: Erin Bolinger (11), Dallas Vermillion (11), Taylynn Hayes (9), Chelsea Sias (11), Brattany Waters (12), Malyah Okumura-Ormita (11), Tierney Houston (9) and Mariah Okumura-Ormita (11). Standing: Logan Mansfield (11), Brittney Johnson (9), Roman Zaytsev (10), Gabriela Mendez-Beltran (9), D'Kyra Simmons (9), Janica Ecleo (11), Santrice Jackson (11), Dezserae Rigdon (9), Shaniquah Lipki (11) and Conner Kreager (11).

flashing lights @ homecoming

Schweinfurt High School celebrated their first Homecoming Dance on October 1, 2011. The festivities started at school and continued with the Homecoming football game to the finale, the dance! Flashing Lights, with its strobe lights, great music and colorful decorations made a magical place to be for the night.

Not pictured are members of the Homecoming senior court: Tanzania Thomas, Katherine Street, Leah Rogers, Tevin Stewart, Brandon Wright and Timothy Bishop. Also not pictured are the tenth grade Duke and Duchess, Trevor Wright and Kaylee Brennan.

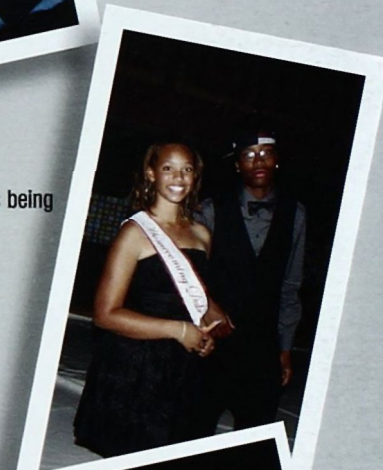

Katherine Street (12) and Shaniquah Lipki (11) signal that they are enjoying dancing under the flashing lights.

Freshman Alyssa Isom and Tristin Mansfield were Homecoming Baroness and Baron.

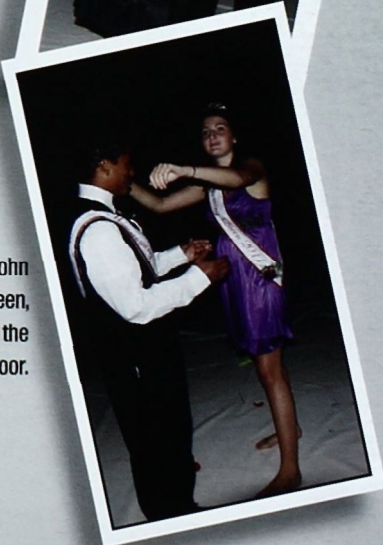

Juniors, Dallas Vermillion and Logan Mansfield were Homecoming Princess and Prince.

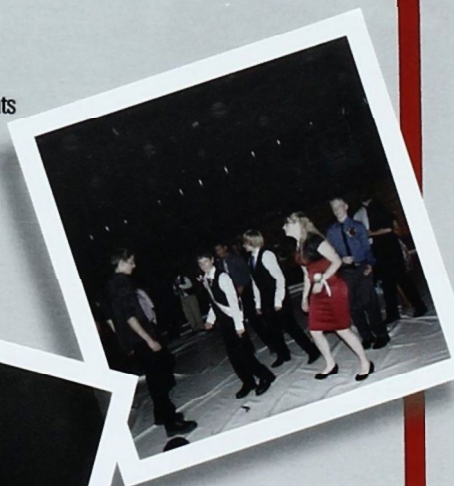

Liyah-Bree Washington (11) is being escorted by John Kiner (10).

The Homecoming King, John Durosseau (12) and Queen, Devinne Crawford (12), lead the crowd on to the dance floor.

The dance floor is full of students enjoying the moves involved in doing the "Macarena" correctly.

Students take a breather while slow dancing.

Corrina Sweeney (11), Elizabeth Roth (11), Anthony Johnson (11) and Tjalf Mareschka (10) pose with Victoria Miller from BMHS.

Caleb Isom (12), Nicholas Lockett (9) and Sean Andrade (10) strike a pose for the photographer.

Ashely Dowdy (11), Brattany Waters (12) and Tyris Newton (12) take a breather on the bleachers.

Tenth graders, Romnick Fallejo, Abigail Bernardino and Anthony Cain have their picture taken in order to remember the good times at they had at the homecoming dance.

We all know you look cute, but short, tight skirts and dresses should be saved for the weekend.

student no-no's

We're a great school, but some of our fellow students...who shall remain unnamed...think school rules don't apply to them. Some of the most common infractions have to do with the dress code, these include: hats/hoodies, sagging pants, tank tops, bare tummies and shorts/skirts that are too short. Other offenses include: mp3 players, hats/hoodies, sagging pants, public displays of affection and cell phones. Take a look at our everyday "Student No-No's".

A hoodie, sunglasses, and texting on your phone! You're just begging for a detention!

tattoos, piercings & exotic hair

One of the most important things for students is style. Students, from generation to generation, have demonstrated their individuality and manage to find unique ways to stand out in a crowd. Whether it's dying their hair a funky color, or getting all tatted up, students at Schweinfurt know what's cool.

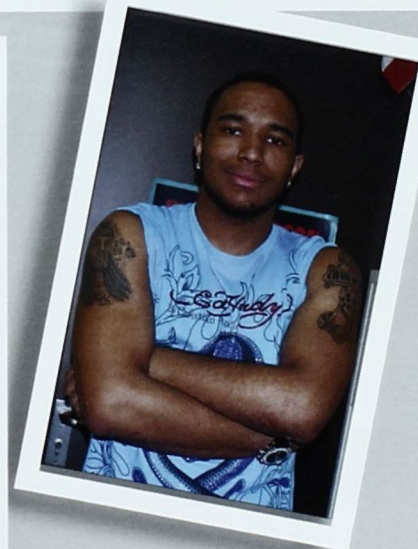

Samantha Fox (12), Natascha Galeana-Vazquez (12), Almee Cutcher (11), Emily Bryant (12) and Demi Bargemann (9) pose for a group photo showing their various piercings.

Wade Adams (12) and Caleb Bishop (11) enjoy being the only 2 students with dreadlocks.

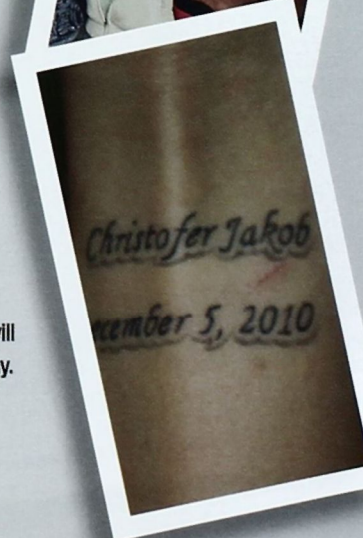

Jaysmarie Bruno (12) shows off her brand new rose too next to the butterfly on her forearm.

Joshua Richardson (10) tattoos portray his love for music.

Juniors, Cayla Surber and Ayisha Saylbu, change their hair style (and color) often.

Natascha Galeana-Vazquez will never forget her son's birthday.

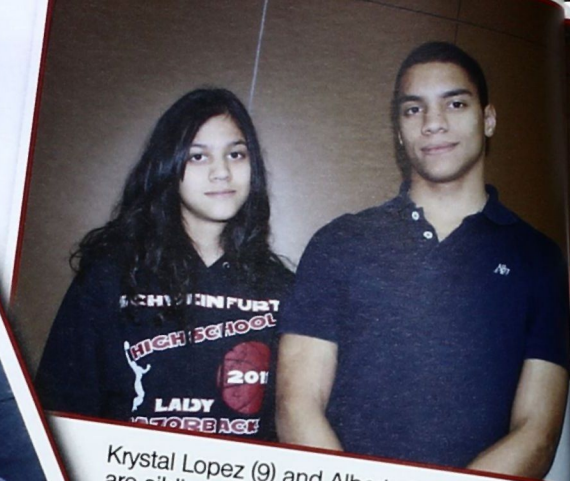

Noah Hill (10) sports a mohawk.

Kaija Brown-Wessel (10) displays her head of blue hair.

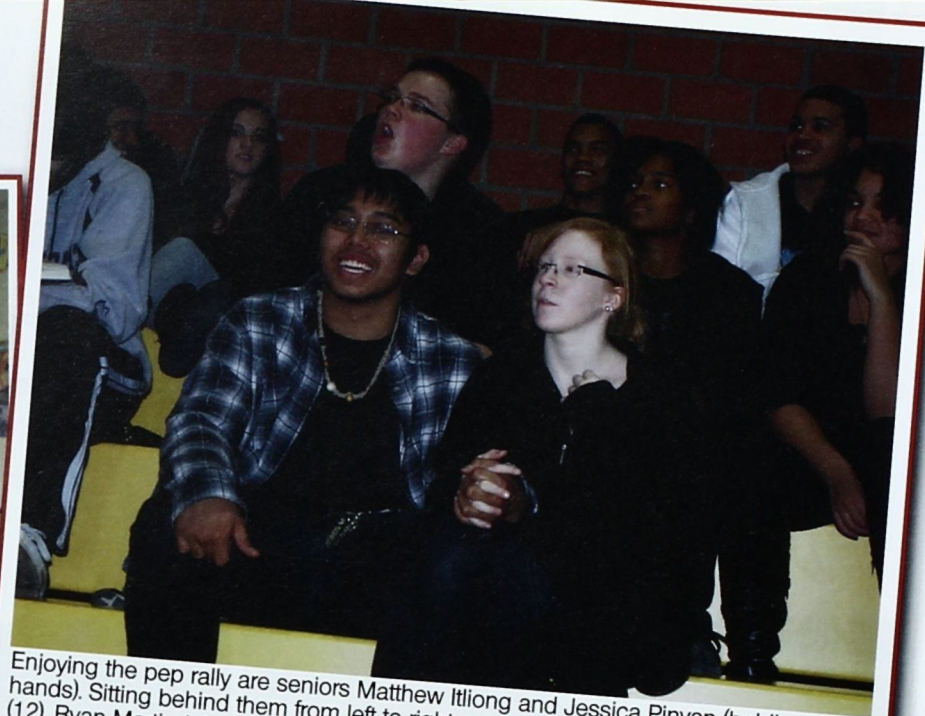

Curtis Adams (12) helps his girlfriend, Aimee Cutcher (11) master strum patterns on his guitar.

Krystal Lopez (9) and Alberto Lopez Perez (12) are siblings who stay physically active.

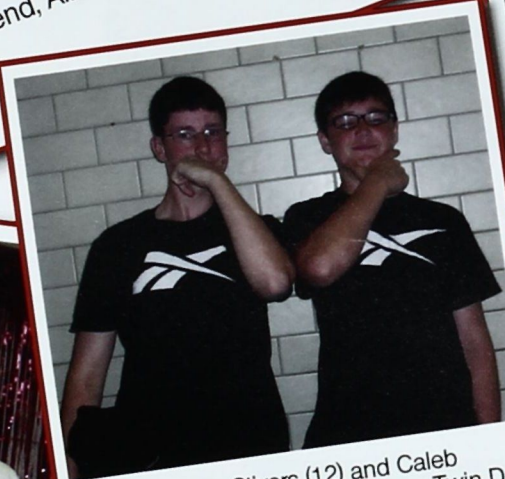

Ethan Bryant (10) and Emily Bryant (12) have attitude!

Enjoying the pep rally are seniors Matthew Itliong and Jessica Pinyan (holding hands). Sitting behind them from left to right are Angel Cabrera (12), Ashley Marsh (12), Ryan Martindale-George (11), Alberto Lopez Perez (12), Tajanese Wilson (12), Camerin Perona-Finley (11) and Sylina Byron (12).

Abigail Bernardino (10) and Rodolfo Bernardino (12) show their true feelings about being at school.

Brothers, Vaun Stivers (12) and Caleb Stivers (10) dress and act alike on Twin Day.

Kaylee Brennan (10) poses with her date, Roberto Bachelor (10), at the homecoming dance.

Jacob Long (9) and Christina Munden (9) seem to be enjoying their first homecoming dance.

Sisters, Katherine Street (12) and Logan Street (10) have much in common, not JROTC.

Posing for a group photo at homecoming are Jordan Simpkins (10), Devontay Collier (11), Leah Rogers (12), Usman Joseph (10), Brattany Waters (12), Diandra Quashie (12), Shaniquah Lipki (11), Liyah-Bree Washington and John Kiner (10).

rig-or-ous, [rig-er-uh-s] *adjective*, characterized by rigor; rigidly severe or harsh, as people, rules, or discipline

ac-a-dem-ic, [ak-uh-dem-ik] *noun*, the scholarly activities of a school or university, as classroom studies or research projects

language & arts **foreign** languages

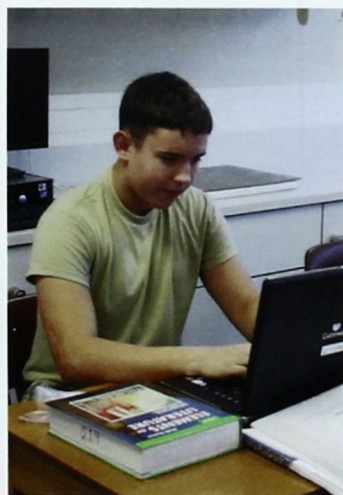

In order to graduate, students must complete 4 years of English and two years of the same foreign language. At Schweinfurt, students choose between German and Spanish. A comprehensive language arts and foreign language curriculum prepares students for the future by enabling them to recognize the importance of learning and understanding multiple languages and the value of learning about other cultures.

career

&

technical education

The Career and Technical Education (CTE) Program offers career-related courses and is organized around career clusters that identify pathways from secondary school to two- and four-year colleges, and the workplace. Classes include business, computers, culinary arts, video communications and career practicum (CP). CP is when students work up to 3 hours a day in a variety of fields. Many CTE classes enable students to earn industry recognized certifications.

social studies

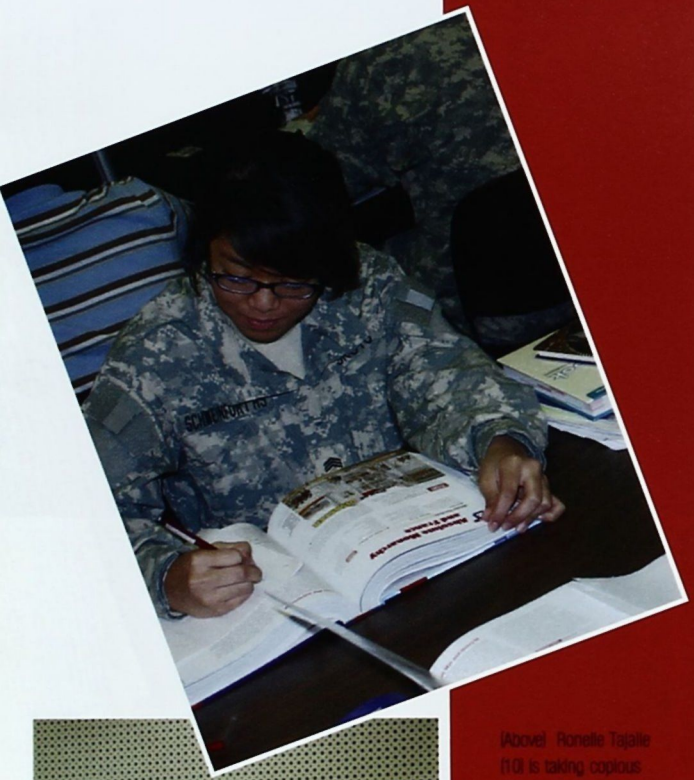

fine arts

Social Studies emphasizes the growth and preservation of a democratic society by offering courses which will prepare students to be citizens in a culturally diverse world. Three years of course work are required. Students must take classes in U.S. History, World History and U.S. Government.

To meet graduation requirements, students must also take at least one year of course work related to visual arts, music, theater, dance and/or humanities.

junior reserve officer training corps

The Army Junior Reserve Officer Training Corps (AJROTC) is an educational program with the mission "to motivate young people to become better citizens."

With guidance and direction from their instructors, CW3 Woods and SFC Young, cadets learn many valuable skills, in and out of the classroom, throughout the school year. Although part of a team, each cadet is capable of reaching their full potential by following the leadership skills of loyalty, duty, respect, honor, integrity and personal courage.

The newly formed Schweinfurt High School's volleyball team proved to be a force not to be taken with a grain of salt. With a combination of a lot of hard work and effort, the Razorbacks rose to the challenge and pulled off a great first season. Each member combined their individual strengths to overcome any obstacles or barriers. One obvious hurdle was the lack of red and black Razorback uniforms.

fall cheer

"Gooooo Razorbacks", the cheerleaders chant. Nobody seems to embody school and team spirit more than our brand new fall cheerleading squad under the direction and guidance of Coach Melinda Maulucci. The Razorback cheerleaders are always the first ones out in the field supporting their team at every game. Cheer after cheer, they keep the team motivated, the crowd's spirits high and inspire undying determination among the players.

Students who are in the NJHS and NHS have to demonstrate good character, scholarship, leadership and service. Once nominated and accepted into the honor society, a member must maintain a 3.0 - 4.0 average and must volunteer. A minimum of 5 service hours per quarter are required. The societies help the community and contributes to fundraisers such as food and clothing drives.

The Culinary Arts Club has been very successful, despite the lack of funds and equipment. Under the direction of Chef Hana McWilliams, students learn and practice different techniques of cooking, from simple foods to complex dishes. Students explore and experience the culinary world. Most importantly, they have fun! Students spend at least two afternoons a week and sometimes a weekend day creating delicious masterpieces that they serve to distinguished guests of Schweinfurt High School and to the Schweinfurt community.

yearbook

capturing the moment

The production of a yearbook usually starts the year before. As a new school, the yearbook couldn't be started until after the doors opened. With a borrowed camera and a bare bones staff of five students, we chose a name, then a theme, and then took off from there. "How exciting it is to be part of telling "our story" in print!" Mrs. Rush.

"It is my privilege to work with such enthusiastic and motivated students in Student to Student. We look forward to welcoming new students into the Schweinfurt community." -Ms. O'Neill

As a DoDDS school, Schweinfurt High School seems to always have students transferring in or out from our transient Army community. S2S members friendly faces to guide and make sure the new students have a knowledgeable person to ask questions and directions. S2S members strive to make the new students feel welcome and help them become a part of our Razorback family as fast as possible.

student council

also known as associated student body

The Student Council is the most visible organization on campus. The StuCo and its sponsor, Ms. Melinda Maulucci, are the source of many of the fun activities on and off the school grounds, such as the homecoming dance, spirit weeks, pep rallies, the gingerbread house making contest, and many other fun activities. The StuCo officers also have more mundane duties, such as being tour guides for special guests (see above) visiting our school and as representatives of Schweinfurt High School at functions off campus.

Hi TJ! We're so very proud of you. We know you can and will accomplish everything you set your mind to. At the present, your life is a blank canvas ready to be painted with your colorful personality. Remember, God has a plan for your life. Always put Him first, and everything you put your hands to will prosper. You are a handsome, talented young man and your future is at your fingertip. No matter what you do, enjoy life! We love you!

Mom & Dad, Nikki, Josh, Caleb & Dyanond
(And all your family and friends- you're just loved!)

Congratulations Brattany

My little surprise package. Though it is no surprise what a wonderful, beautiful, intelligent young woman you have become. You are so very dear to me. Life would not be complete without my little Brattany. The laughs and smiles you have given me through the years are irreplaceable. I could not be more proud of the person you are and the choices you have made. You are truly unique and bring joy, laughter and love to my life. You have become a young woman, but you will always be my "little girl". I love you!!! - Mom

"Your living is determined not so much by what life brings to you as the attitude you bring to life; not so much by what happens to you as by the way your mind looks at what happens." - Khalil Gibran

My mini me... Graduating!!! How will I handle your mom while you are away at college? Make good grades, have fun, and just enjoy life while you can. - Love Jerry

All grown up and graduating high school. Don't forget about me, I am your only sister!
- Love Karli

You are one of the most intelligent and charismatic young women we know and that will take you far in life. You are more than capable of accomplishing the goals you have set in your life. Congratulations Brattany! We love you and are so very proud of you. - Grandma, Dennis, TT Rita, Anthony, Cheeks

Diandra,
As you start life on your own, full of choices un-chosen and paths un-tried, remember that you can. Think of all the things you have tried and how well you have done and how much you have learned. Through the years, I watched you with pride as you have grown from a child to a young woman. I can't wait to see what the future holds for you. I know we have spoiled you, embarrassed you, set limits and high standards for you, now it's up to you to do all of those things for yourself. I know you will make it on your own. And don't forget we love you and always will. We will always be around and here for you.
Love you Diandra

Mom

Diandra Quashie

Diandra,

The day you were born, I knew that you were destined for greatness! You were so perfect and I got into a lot of trouble trying to improve on your perfection. I didn't see your very first steps, the day you did it when I was at work, but that same day in the evening, you and your mother came to pick me up from work and you ran into my arms!!! I knew then that you would be an over achiever. You know the story of you walking in the mall all by yourself so far ahead of your mother and me. I knew then you would take big steps on your own and that you would be fine as long as you knew we were around. Well as you pass this momentous achievement, know that I am proud of you and that we will always be around. Make those wide circles, stretch those wings and go for it all!!! There will be obstacles in your path but you will overcome each one of them. Remember no one can work harder than you can. We are so proud of you but truth be told I knew you would make it. You're my kid, how can you not??? So with the future ahead of you I want you to walk the "mall" of life, and go as far as you can, knowing that we are there for you and we will always be there. Put embarrassing moment here!!!! I love you Diandra Germaine Quashie!!! You are so awesome I can't help but feel pride in such an awesome daughter!!!

Daddy

PS: A few words from Jerry Rice that I want you to remember...
"Today I will do what others won't, so that tomorrow I can accomplish what others can't."
I love you girl!!!!

Deedsinator –
I am so, so very proud of you. You have worked so hard and have absolutely rocked at everything you have done – from sports, to school, to being an awesome little sister! Your next step will bring challenges but I know that nothing can stop you because you are such an amazing, talented, smart, beautiful, and strong young woman. I love you with all my heart! Congratulations and good luck in the future! And remember, I am always here for you :)
Love,

Dear Sweetie,

You are the apple of my eye and I am so proud of you. It seems that it was yesterday that I was driving you to daycare. Now you are a grown lady and on your way to college. Day does time fly. I know you have dreams and you will find a way to make them come true. Set your sights high and always remember "For I know the plans I have for you," declares the LORD, "plans to prosper you and not to harm you, plans to give you hope and a future." Jeremiah 29:11. Follow your heart and your dreams, and know that you will always be daddy's little girl. I believe in you and know you can accomplish anything you set your heart to do!

your life.

We only ask now that the Good Lord be your
touchstone and your guide as you now venture forth
into the world.

Always remember how special you are and how very
much you are loved.

Congratulations Son! We love you,
Dad, Mom and PJ

I have this little angel. For me she left her wings. She has no idea how much happiness she truly brings. She brightens up my days with her smiles and her laughs. She helps me to remember all the blessings that I have.

Her face, it is so perfect, she's sweet and soft and pure. Sometimes she can be willful and sometimes she is demure. She tries her very hardest to please and do what's right. She gives the greatest hugs from morning until night.

Every person that has known her sees this light within her soul. I know that in this whole great world, she has a special role. She's helpful and considerate to everyone she knows. This light in her shines brighter as my angel grows.

When she sees someone is sad, it opens up her heart. She wants to do all that she can; she wants to do her part. She'll squeeze away the sorrow and make me forget about my pain. She shows me where the sun is when we're hiding from the rain.

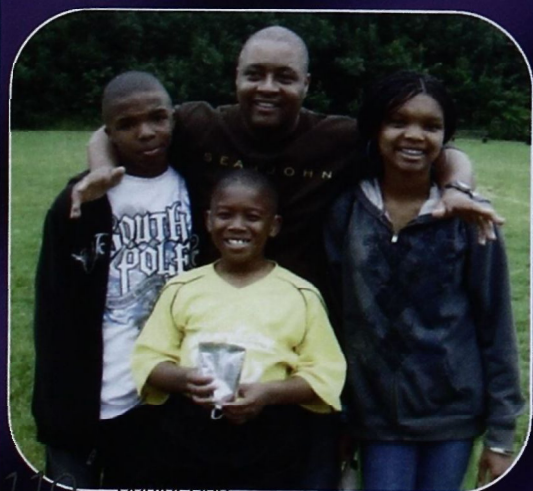

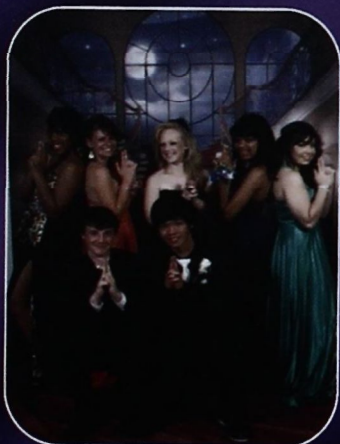

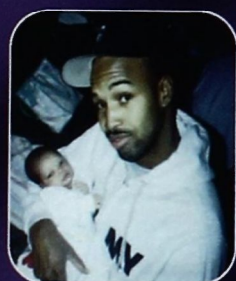

I know that God must love me, He showed me with His Grace I knew just how completely when I saw my angel's face. And in that very moment when she came into my world, I knew that she was so much more than just my baby girl.

She would be my sunshine, with a sweetness that won't end. And when she grows up one day she would be my closest friend. She would be the reason I would always try my best. For my little angel baby girl would be my greatest test.

When God entrusts to you an angel, who has left her wings for you. Encircle her with love with everything you do. Let her know God made her, and that He trusts you with her care. Be sure to make time for special moments with her to share.

And when at night she finally says her prayers and goes to sleep I Thank Him for my angel, and ask for him to always keep A watchful eye and hand to protect her from this world. Protect my little angel; protect my baby girl.

Love Mom, Dad, Deondre and Keelen

Ashley,

I have been blessed to have you in my life
At times I know that it's been trying
If I did not admit that
You'd know that I was lying

You've had your share of heartache
We've had our ups and downs
But after all is said and done
I've never seen you frown

You are the strongest person
That ever I have known
Over the years it's been amazing
To see how you have grown

Your Mother looks down on you
From Heaven up above
I know that she is proud of you
Just as I am, my love

Keep your head uplifted
Always reaching for the stars
Because this is not the ending
It's the beginning by afar

There are too many emotions
To put into a poem
If I were to try
It would surely just keep going

So always know I'm here for you
In whatever you choose to do
And thank you for the blessing
And gift of loving you!

Love,
Jamie

A Mother's love is binding
Unrelenting in its power
The glow from it so blinding
Beyond her final hour.

Even after a Mother's gone
Her love will see you through
A love to help you carry on
Because that's what Mothers do.

1st Graduating Class

Schweinfurt High School 2012

7th Theater Tactical Signal Brigade

As our Educational Technologist, Ms. Linda Sanborn has been instrumental in supporting all of our technology needs.

Ms. Sanborn believes the most rewarding aspect of being an educator is working beside people who also value learning the way she does, "DoDEA educators and administrators have a certain predisposition toward wanting to discover all they can about what they teach, where they live, what is coming next. They are great people to work with, they know their subject and are eager to share this information, they have been places that are interesting and different, they are not lazy."

Ms. Sanborn began her teaching career in Arizona. She then spent the next two-thirds of her DoDDS career in the Pacific, in South Korea and Japan before transferring to Europe. She began DoDDS career as a special education teacher at the Army base in Yongsan, South Korea. She taught two years at both Seoul American ES and Seoul American HS. She then transferred to Yokota HS, located on an Air Force base in Japan where she spent six years teaching special education and computer science in a variety of classroom configurations.

Ms. Sanborn was certified at the Masters level in Reading and Special Education before she was chosen for a sabbatical for a year to pursue another Masters degree in Technology Education.

Upon her return, Ms. Sanborn was stationed at Iwakuni Marine Corps Air Station where she taught at M.C. Perry Unit School for one year.

Ms. Linda Sanborn

Retires After 35 Years in DoDDS

She then transferred to Yokosuka, Japan, a Navy base, to teach computer science labs and became the new computer support person for student records and education applications. She supported three schools: Nile C. Kinnick HS, Sullivans ES and Byrd ES in Yokohama (student population of the three schools was over 3000+ with total staff of 60+) for eight years. She then transferred back to South Korea to Osan Air Force base where she supported Osan ES and Osan Jr/H School as a computer support staff for three years.

In 1998, Ms. Sanborn transferred to Europe, serving as computer support (later renamed Educational Technologist) at Schweinfurt ES, Bad Kissingen ES, Schweinfurt MS for thirteen years.

Ms. Sanborn states she feels fortunate that during her time in DoDDS, she has visited world renowned sights, such as: the Great Wall of China, Potala Palace in Tibet, volcanoes in New Zealand, the Sydney Opera House, the Wat Phra Kaew temple in Bangkok, Thailand, the Taj Mahal in India, the DMZ in South Korea, the Big Buddha in Kamakura, Japan. She has toured the museums in Hiroshima and Nagasaki, Buchenwald, Auschwitz, and the black sands of Iwo Jima. She has enjoyed the castles of Germany, the palaces of Saint Petersburg, Paris, London, and Scotland. She hopes to continue traveling to add to this impressive list!

Ms. Sanborn will retire to Nevada or Arizona. She plans on being very busy creating something – she's not sure what. She will decide what when she completes some research. She also plans to enjoy spending time with her family and friends, some of whom are from DoDDS and are retiring near her.

Thank you, Ms. Sanborn, for your dedication and support. Enjoy your retirement years knowing that you were appreciated and will be greatly missed at Schweinfurt High School.

DOD plan indicates 172nd and 170th infantry brigades to be eliminated

Published: January 26, 2012

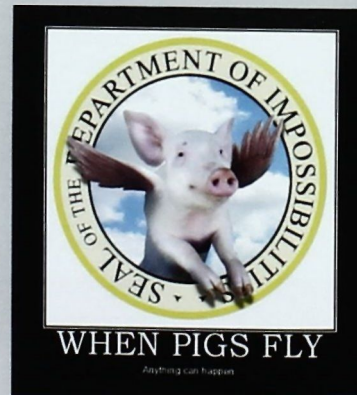

"...While Grafenwoehr has been designated an "enduring" community in Europe, Schweinfurt has not. Previous plans called for the 172nd to pull its subordinate units out of Schweinfurt and consolidate in Grafenwoehr, ..."

The *Unsere Geschichte* Yearbook staff would like to thank the faculty at Schweinfurt High School for letting students take pictures during their classes.

Schweinfurt High School's first edition of the *Unsere Geschichte* was published in Texas by Balfour International. The pages were produced online at sw.balfour.com using the Olympia family of fonts. Only a few pages and photographs were scanned. The first edition of *Unsere Geschichte* has 120 pages, and 128 yearbooks were ordered.

As you can see from the excerpt above, Schweinfurt High School's future is uncertain. We may only be in existence for another year or two. But, you never know, many doubted we would ever be, yet here we are!
