The Snow

The snow just keeps on falling,
Falling on trees below.
And I'm waiting patiently
To go outside and play.

Amanda Lee Boucher
January 8, 1985

Your walk in Winter Wonderland

Snowflakes falling light.
You feel like a snowman -
gleaming in the night.

All the flowers have gone to bed.
In the cozy blanket of snow.
Laying down their sleepy heads -
while the winds blows to-and-fro.

You can't believe this miracle,
It's almost like a dream.
With all that strange snow -
and a frosty stream.

Bethany McClean
January 8, 1985

Snow, Snow

Snow, Snow.
It's in the air coming down.
Sticking on your nose.
Nipping at your toes.
It's on the ground It's on the
trees. With children playing
in the snow.

Jenny O.
January 8, 1985

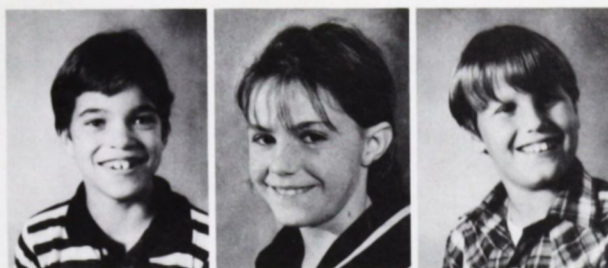

When I Look Out The Window

When I look out the window.
I see a blanket of snow
that is very white. All the cars
are covered. In my house it warm, But
outside is very cold. When I go out I
look at the sky, I see the falling snow,
almost covering my face.
