Circle-Game

Yesterday a child went out to wander,
Caught a dragonfly inside a jar.
Fearful when the sky was full of thunder,
And tearful at the falling of a star.

Then the child went ten times 'round the seasons,
Skated over ten clear frozen streams.
Words like "when you're older" must appease him,
And promises of someday make his dreams.

Sixteen springs and sixteen summers gone now.
Cartwheels turn to car wheels through the town.
Now you tell him, "Take your time, it won't be long now,"
"Till you drag your feet to slow those circles down."

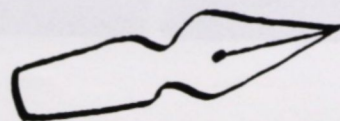

And the seasons they go 'round and 'round,
And the painted ponies go up and down.
We're captive on a carousel of time.
We can't return...

we can only look behind from where we came,
And go 'round and 'round and 'round in the Circle Game.
