

SHAPE Knights Learn at Superheroes' Headquarters

WOW!

2018

What a great
year.....

**Dr. Schlueter
Principal**

**Dr. Jerome
Asst. Principal**

As the year quickly comes to an end, we need to remember the SAES Vision Statement: Educate and inspire, every day, in every way! It has been a delight to see the growth of every student this year. It is important to persevere to reach your goals and to strive to be kind to others. Together we have learned much and shared experiences that will long remain with us in the years to come. When they look back on this school year we hope students have many fun memories that will make them smile!

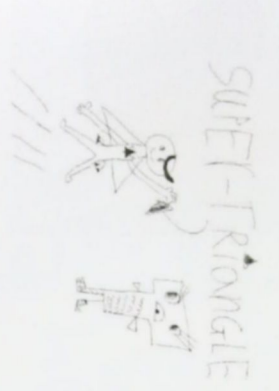

We would like to thank the staff for diligently providing rich and engaging instruction that encourages students to reach their fullest potential. We are fortunate to work with staff that have a passion for working with students and embrace all the daily challenges that come their way.

Thank you to the parents who take very active and positive roles in educating their children. We appreciate the dedicated and countless volunteer hours which are a key component to our successful learning community here at SHAPE ES.

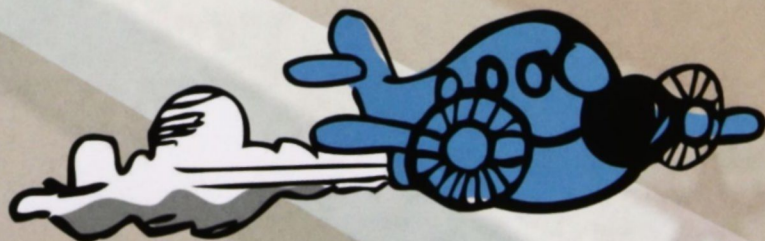

Finally, we thank our students who are enthusiastic learners and work hard to succeed in their educational endeavors. They are open to new ideas, concepts and experiences and learn from each other every day. We are very proud of their successes in our after-school programs that focus on leadership and 21st Century skills such as Robotics and Coding, STEM, LEGO, National Elementary Honor Society, and Student Council.

Congratulations to our very competent 5th graders who are facing a new chapter in their academic career at the middle school. Remember that life is an adventure. . . . enjoy the ride. We wish you much happiness as you travel down life's highway and when you have a few bumps along the way, we hope you have interesting detours!

May your summer break be filled with play, special moments with family and friends, and lots of time spent enjoying the outdoors. To those of you who are leaving us for new places and adventures, we wish you all the best. Enjoy a restful and relaxing summer!

Congratulations to Kristof Kozma for creating the front cover. Here are some of the other excellent entries.
