DEPARTMENT OF THE NAVY

From: Commanding Officer, U.S. Naval Air Station, Sigonella
To: Graduating Class of 2002, Stephen Decatur High School

On behalf of the entire Sigonella community, congratulations on your successful completion of high school! I don't need to tell you this is a really big deal. Your accomplishment is definitely something to be extremely proud of; you will remember this important achievement the rest of your life. Society considers high school graduation as the beginning of adulthood; this is truly a major stepping-stone to the rest of your life. You are on your way to making lots of choices, facing numerous challenges, determining personal preferences, and finalizing decisions based on the past experiences of the last few years.

I truly believe your schooling here put you way ahead of your peers back in the States in many ways. Your experiences in Sicily and Europe have given you a world-centric perspective. You understand your own American culture, but are well aware of others. You've even proven you can function, perform and even flourish in a foreign country where English is not the primary language. This gives you quite an advantage in decision-making skills, empathy for other cultures, and greater appreciation for the viewpoints of others.

The tragic events taking place on and after September 11th added additional burdens to your senior year, but you handled those inconveniences without skipping a beat. You are in the first graduating class to face the challenges of unprecedented new-world realities. Our attitudes and lifestyles will never be the same; you are on the leading edge of this profound change.

Hopefully, you will take away from your high school experience that "change is opportunity." Be yourself and be sincere with your daily dealings with others. I'm very envious of the opportunities that are ahead and proud of you for your accomplishments here. Good luck in your future endeavors, whatever they may be, and don't forget your friends in Sigonella.

Tante belle cose,

T. L. DAVISON

To: The Graduating Class of 2002 of Stephen Decatur School

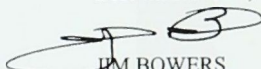

Congratulations to the class of 2002. At times it must have seemed that these four years would never be over, and now that they are you are probably thinking how did they go by so quickly. High school graduation signifies a major accomplishment in your life. It is the culmination of thirteen years of elementary and secondary school, and in the American society whether you are ready or not, it is the stepping stone from adolescents to adulthood.

Individually each of you has already succeeded in many ways. However, high school graduation is just the beginning of what you can do to with what the world has to offer you. Take the education you have received and expand it so you can become a productive member of society and a happy human being. Don't be afraid to work hard, to respect others, and to fall in love.

In the years to come you will be able to look back at the unique experiences that living in Sigonella has given you. Educationally you were challenged, opportunities were available in extra curricular activities that few of your colleagues in the states have, and living and traveling in Europe truly gave you an understanding of our global society. For many, Stephen Decatur has helped you prepare to succeed in some of the finest colleges in the United States. Whether you continue your education next year or head into the world of work, use your talents to be the very best you can.

The class of 2002 will always be special to me for two reasons. One of course is that I have a daughter in the graduating class. The other is that this is my last year as Principal of Stephen Decatur School. In some small way each of you will be part of the lasting memories I have of my five years in Sigonella.

Best wishes to all,

J.M. BOWERS

This year the lady Jags set out to dominate and devastate!! Through the excellent coaching of Mr. and Mrs. McCarthy and an extraordinary amount of teamwork the lady Jags took 3rd place at tournament, the first time we received an award in a number of years!!! The 2002 team included Seniors Natalie Rempel, Jayme Jamison, Kamille Rigoroso, and Charae Wilkinson. All the team members contributed to making this season one of the best ever, both team wise and friendship wise!!!! Tournament this year was saturated with dreams of victory and victory actualities. One of our greatest victories was against Vicenza. We were a little nervous to play them at first because all of Vicenza High had come to cheer on the home team. Soon we were embarrassing Vicenza by a large score deficit. The Vicenza High cheerers took note of this and were quite embarrassed. Some Vicenza students had even begun to cheer us on!!! It was one of the greatest moments of the season, second only to walking up and accepting that 3rd place plaque!! While the season was full of great, enjoyable memories there is always going to be one memory that will linger on that wasn't so enjoyable. September 11, 2001 was a shock for all of us, but we'll always remember where we were on that day, volleyball practice in Sigonella, Sicily. To the lady jags continuing on next year, have a great season! To those moving on to new surroundings keep in touch!!!!... Oh and always have fun!!

The 2002 Basketball Cheerleaders had quite the season. With preparing various routines for each basketball game & at the same time trying to show off what they were made of. The squad ended the long & sometimes stressful season with great success. Attending the 2002 cheerleading competition they went in with there heads held high not knowing truly what to expect, but after much hard work & practice they were thrilled to find out that they placed 2nd in both the cheer & dance catagories. On that note...Go Jaguars!

GO, FIGHT, WIN!

Dear fellow Middle School Students,

This has been a great year. I have enjoyed being your president. Middle school is the milestone in our life, which builds character, leadership, and responsibility. Don't think of this as the end of the year but as a new beginning into next year. Which is why I am going to say to the 6th and 7th graders, goodluck and enjoy the rest of your middle school years. For the 8th graders-I know you are all ready to leave middle school and enter highschool, I just wanted to wish you all goodluck. Have a great summer!!!!

Sincerely,

Christa Turner

CONGRATULATIONS JAYME

**WE ARE SO PROUD OF YOU AND WISH YOU ALL THE BEST
IN LIFE.**

LOVE FROM DAD, MOM, JESSY, AND C.J.

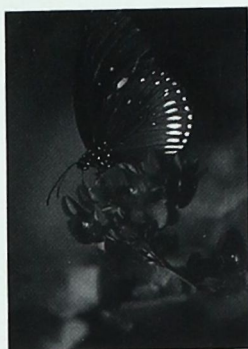

Ashli,

To simply say that we are proud of you would undermine our true feelings for you. The word proud can't express our feelings of happiness, pride and excitement. In the past few years you have completely turned your life in a different direction. The feelings of fear we once had have turned to excitement, excitement that only comes from knowing that your child will go out into the world and come out on top.

Our "Little girl" is gone now and in her place we see a bright and beautiful young woman. It is with tears of sadness and joy that we send you off on your next life's adventure. We know that you will open your wings and soar to new heights. For a lack of a more powerful phrase, Ashli we are so very proud of you.

Your Loving Parents

We Love You Jana

As you come to the end of your childhood and embark on life's new adventures remember the things that have become important to you in life. Remember the times that were fun and forget the bad. May life hold all that you want. We are very proud of you and your accomplishments.

Love

Dad and Mom

Carlos!

Tim,

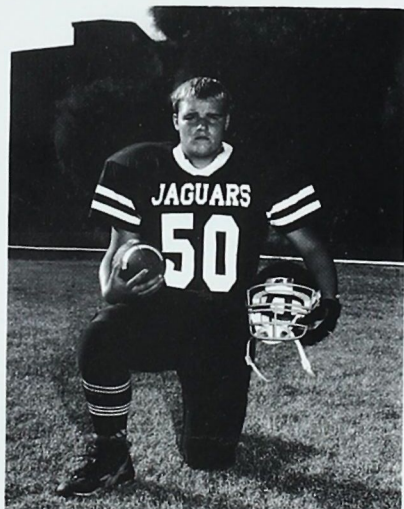

Congratulations on your Graduation and good luck as you move on to the next phase of your life. We are all so very proud of you and we know you will succeed in everything you do in life. You have our support in whatever career and path you choose to take.

We love you,

Mom, Jessica, and Dad

*Congratulations Kristian,
This time you hit it out of the park!
Now it's time to
listen to your heart,
follow your dreams and
know that you can do anything!*

*We are so proud of you!
Mom, Dad, and Liv*
