## TENNIS TEAM

The first Spangdahlem High School Tennis Team of the 2017-2018 school year had an amazing season! Despite only three returning girls and two returning boys from the 2016 Bitburg season, the number of players increased exponentially. Most of the newcomers were playing tennis for the very first time. Among the beginners were four freshmen and three sophomores. The coaches were Mr. Sullivan and Mr. Goolsby along with assistant coaches Mr. Lenz and Mrs. Castillo. As the Sentinel coaches have said, every member of the team improved greatly throughout the season with their number one girls doubles team, Emma (11) and Emilia (10), qualifying for Tennis European Championships; winning two of the four matches they played.

# Cross Country

## Going The Distance

The first Spangdahlem Cross Country team was the beginning of a legacy. Even though the team was small, they had a very successful season. There were only three high school girls on the team, so the girls were never able to compete as a team in the regular season meets. However, they still did very well with Chloe Smith (10) and Amanda Zubowicz (12) placing in the top five of each regular season meet. The boys were also a relatively small team, but they were able to compete as a team at meets. They were led in their meets by Kayler Lobre (9). At Europeans, the boys team placed 4th out of 7 teams. The girls did not qualify as a team, but Amanda Zubowicz (12) came in 17th overall out of 103 girls and 6th place for Division two and Chloe Smith (10) tied for 23rd overall and 8th for division two. The team had a strong finish to match their strong season.

"The hardest part of this season was facing the reality of my senior year and my final season coming to an end."  
- Jordan Soles (12)

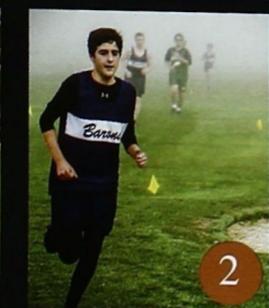

## No eXCuses

**Homecoming Meet**  
The team hosted the first Spangdahlem High School homecoming race this year. The course was on the Spangdahlem Air Base golf course.

**New Uniforms!**  
The team ran the majority of the season in the Bitburg Barons uniforms. However, the week before Europeans they received their new uniforms and they got to run the Europeans race in the new Sentinels uniforms.

# Sentinel Football

The Spangdahlem Sentinels were projected to be a very weak team compared the successful team they had last year due to losing the majority of their starters. Despite this, the team still had a very successful and enjoyable season. The Sentinels played 6 regular season games and defeated everyone that challenged them on the field. Not only did they startle everyone they played, but they proved fans and the media wrong, and eventually went on to win the Division II Championship against the Rota Admirals 36 - 19. The Sentinels had a combined score of 425 points in all 8 games and only allowed the opposing teams to score 45 points all season. The Sentinels are prepared to come back just as strong next year and are gonna try to win it all again.

# Homecoming

Spangdahlem High School students kicked off their first Homecoming bash as Sentinels by creating new traditions, following old ones, and making their mark on the night.

**Out with the old and in with the new**  
Sentinels adopted a new tradition and used ATV's along with floats for the parade. This year the Freshmen had a *Lion King* themed ATV and the Juniors had a decorated banner.

The Senior class had a *Hercules* themed float featuring a Hercules painting on the front and a pillar and a torch on each corner.  
The Sophomore class used *Alice in Wonderland* for their Disney theme. They created a table with teacups to represent the tea party from *Alice in Wonderland*.

## Here's a Cheer

As the first year of being Lady Sentinels our girls have never been more excited to start a new name for Spangdahlem High School!

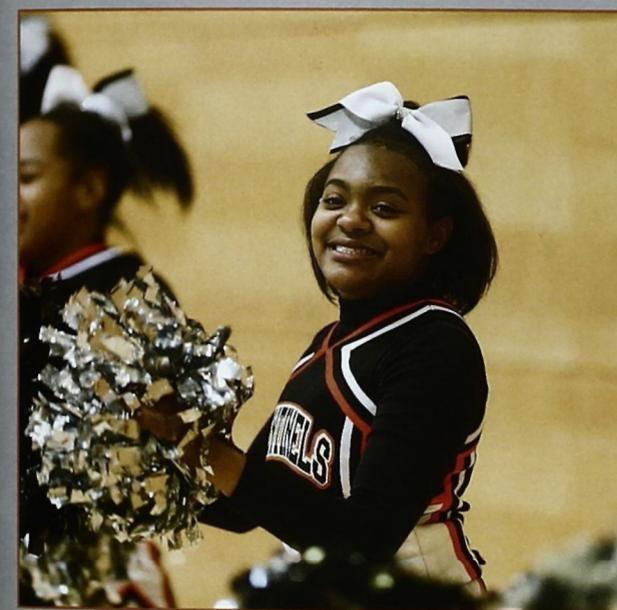

## Team Captains:

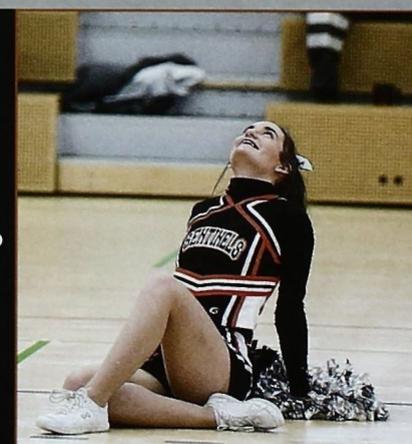

"Being cheer captain not only made me a stonger person, but also taught me patience and leadership. These girls mean so much to me and they have all taught me something new. I love my team and couldn't have asked for a better season with such beautiful, strong people."  
-Jasmine Gomez (10)

"This season was amazing. This team has worked hard, picked things up super quick and worked together. I couldn't be more proud of what we accomplished this season!"  
-Katie Garcia (10)

"This season was so much fun. There really is not a better feeling than waiting to take the mat and holding hands with all your teammates."

# Boys Basketball

## Spangdahlem Sentinels

The Spangdahlem Sentinels boys basketball team dominated the courts in the 2018 season. The team was able to go undefeated in their division and go into the DODEA European Championship as the number two seed. Unfortunately, the boys were very unlucky during Europeans and were ultimately eliminated late into the tournament. The boys were still able to play nail-biting games and won a close game against Bahrain in the fourth quarter. The Spangdahlem Sentinels came on top with a score of 57 - 53. The Sentinels record for the season was 10 - 5.

# Life in Germany

## Weihnachtsmarkt

Many students in our community go to experience the holiday cheer and German culture through traditional markets. The Germans start their markets during the four weeks of Advent. Advent lasts for four Sundays leading up to Christmas. Some of the traditions you can find are the foods, drinks and seasonal items from the concession stands. This also includes caroling and dancing to some folk music.

NHS is an organization that helps give students the chance to help around their community and work on their leadership skills. Our NHS members this year have had many opportunities to express this. Members have helped at the fall bazaar and the post office. Along with this, they got the opportunity to tutor the middle school's students at fraction boot camp.

# JROTC

Our AFJROTC GR-083 unit has had an outstanding year. The corps consists of 22 cadets and have accomplished a lot throughout the year. Cadets have traveled to many places such as Bastogne, Verdun, Luxembourg, and California. They have competed in numerous events, such as drill, marksmanship, and model rocketry. The marksmanship team has set two new records for the school. Madison Lobre ("the Rifle from the Eifel"): Women's Match 264, Prone 98, Standing 83, Kneeling 92; and Nicolas Williams ("Solo"): Men's Match 243, Men's Prone 95, Standing 74, and Kneeling 92.

Student 2 Student is an organization dedicated to unifying the school and making it a happy and inclusive place. They work hard to create a school community that all students feel comfortable in. This is especially important for the overseas military community where most students move every few years and some are away from family and overseas for the first time. S2S does various fundraisers such as bake sales and candygram sales to sponsor activities for the student body. Here at Spangdahlem they host various holiday themed activities that get students involved and having fun, to make sure new students integrate into their new community, and make sure no one is feeling left out.

The purpose of FBIA is to prepare members for careers in business and to assist them by becoming better employees and citizens. FBIA helps students develop leadership abilities, prepares them for entry into a business-related occupations, and offers a setting where members compete at regional, state and national levels in business and technology curriculum.

# Model United Nations

In Model United Nations, students learn about the functions of the United Nations and how it operates. They write resolutions and debate them in class in preparation for the MUN conference at the end of the semester. Real life issues are debated and each school that attends the conference represents a different country. Over 3,000 students attend the MUN conference in The Hague, Netherlands. Students dress professionally and go to multiple committees throughout the week to create and debate resolutions.

## 1) City Tour

Mr. Hoffman brought the class around the city, showed them around and gave them historical background.

## 2) The Conference

The students line up outside of the conference before going in and heading to their committees.

## The Class

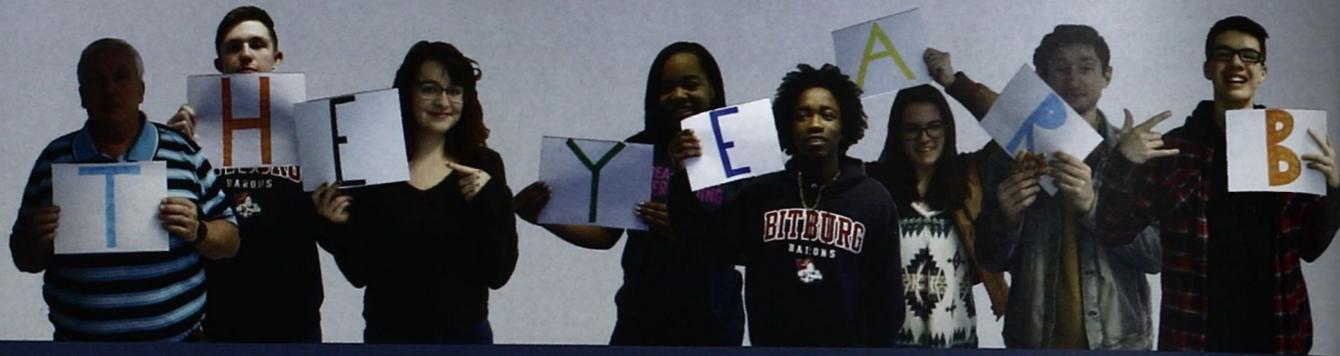

Every morning, the class met in the hotel lobby and rode the bus to the conference. They had to be professionally dressed at all times and carrying their placards.

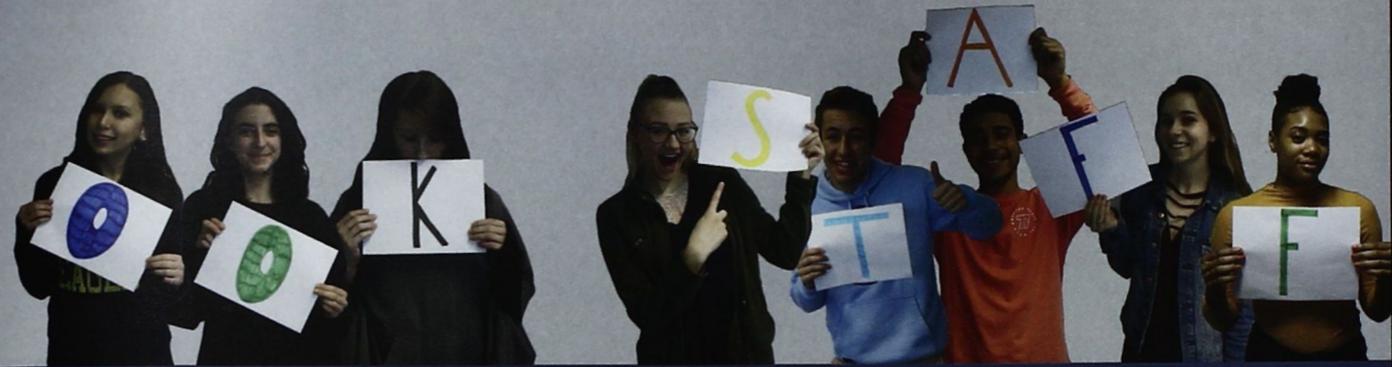

## The Closing Ceremony

The closing ceremony took place at the end of the week-long conference. Flags of all the countries present were carried out while music was played. This ceremony officially ended the 50th THIMUN conference.

# AVID PROGRAM

AVID, or Advancement Via Individual Determination, is a program for highly-motivated students who plan to attend college. These students must take the most rigorous courses the school has to offer, in addition to the AVID academic elective, in order to be in the program. The AVID curriculum focuses on strengthening students' writing, inquiry, collaboration, organization, and reading skills in order to help them be successful in challenging courses. It also covers information on how to best prepare for college while in high school, as well as the process for applying to colleges and programs.

# Educators Rising

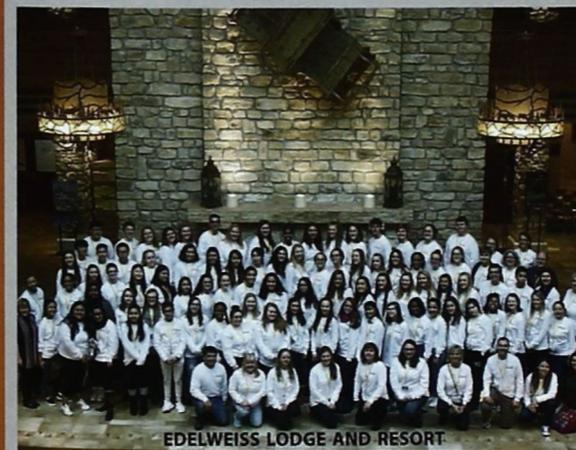

**What is it?**  
The mission of Educators Rising is to cultivate highly skilled educators by guiding young people on a path to becoming accomplished teachers, beginning in high school and extending through college and beyond.

**What do we do?**  
We provide an insight into what goes on in the daily adventures of being an educator. We explore many different paths to becoming a teacher.

We have an interactive conference which is not only fun, but fulfilling. We bring new knowledge about the varied possible career paths in education. We have an annual four-day conference dedicated to the expansion of members' knowledge in the field of education.

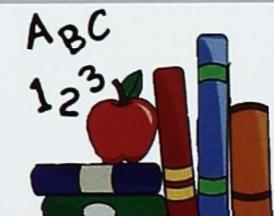

**Why you should join a chapter!**  
An Educators Rising Chapter gives prospective teachers the opportunity to understand the many different aspects of educating and inspiring young minds. Most students say that they return from the annual conference energized about the profession and excited about education. Join us for this inspiring experience!

**Interested?**

## Jared Cameron

Congratulations Jared!  
This is your first major achievement in life; with many more to follow. Keep moving forward toward ALL challenges; no matter how difficult...they too will fall. Conquering each obstacle will not only make you stronger but will provide your life stories. Enjoy your day today...and prepare for the next! We love you, always will and could not be more proud of you! #keepgrinding

## Rachel Weyland

From your birth following a fierce game of Trivial Pursuit to your imaginative child's play to your courage in tackling Portuguese school to your successes in high school, we are so proud of your accomplishments! We are even more proud of the identity you've built as a super supportive daughter, a caring and involved sister, a dedicated disciple, and an accomplished musician. No one in the family has taken the back seat of the family van more than you, helped with more dinners, reminded us more about family prayer, or kept us more on track. And as you depart for school, no one will fill the big shoes you leave. We love you! Mom & Dad  
P.S. We're so glad you're not afraid of noisy toilets anymore.

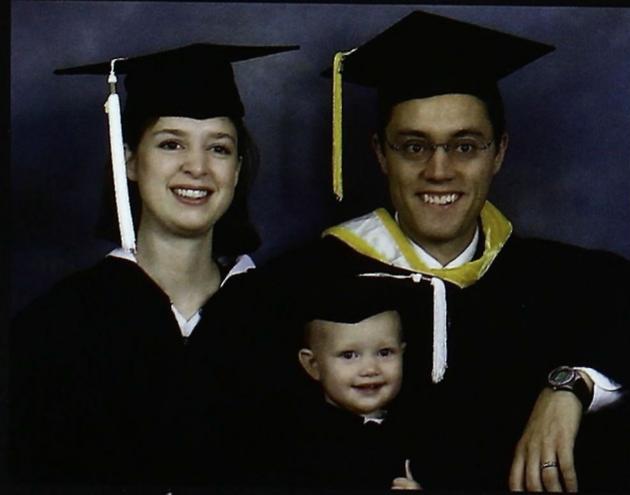

## Kelsey Gengen

Faithful prayers have been whispered for you and for your future since before you entered the world. The answers to many of these prayers are seen in your laughter, your optimism, your strength, and the joy that radiates from within you. His hand in your life is so evident. So, we don't worry about you, sweet girl. We are confident that you've learned to hear and obey His voice. Your future awaits you and it's been beautifully prepared just for you. Keep your eyes fixed on Him and continue to step forward in obedience. We're always here for you and love you more than you'll ever know!

### Sage Kown

Sage,  
We are so very proud of you. We wish you only the best as you start college. We will miss seeing you everyday. May life bring you only the very best. Love you so much, Mom and Dad

Gage,  
High School was not always easy. Let's be honest, it was downright painful at times. No one gets to the top of the mountain without a few bumps and scrapes along the way. The important thing to remember are the lessons that you learned from those times when things just didn't go your way. The character, integrity, and internal resiliency that you have gained over the last four years makes us proud of the young man you have grown into today. Always remember that there is nothing wrong with failing at something you have given your best at. You can only fail when you do not try at all. Thanks for being our "sunshine", Mom and Dad

### Felecity Reece

Oh my sweet Felecity. You have made us so proud of the young woman you have become. We can not wait to see what lies ahead of you. Remember we will always be here for you and love you more than anything in this world.

Love you,  
Mom, Dad, and Becton  
"Ohana"

We are so proud of you! You have grown from our little doodle bug into a bright beautiful smart funny and sassy woman! Live your dreams, work hard for your goals, and always be kind to others! We can't wait to see what the future holds for you!

Congratulations Graduate! We love you so much!  
Love,  
Uncle Paul & Aunt Tanya

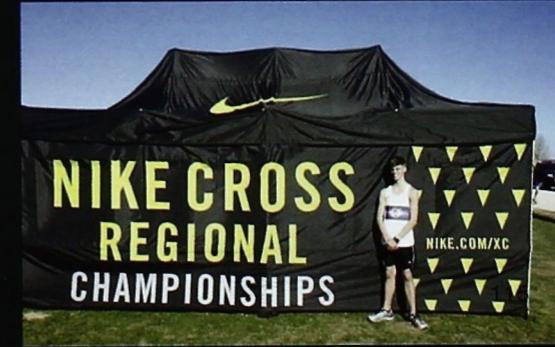

### Brock Bundy

Brock, We couldn't be prouder of the young man you have become. You are smart, caring, loving, and a Spartan! As you begin your next chapter remember to learn from your mistakes, and never stop going after your dreams. The future is yours and you will do great things! Keep your mind sharp and your heart on God and everything will fall into place.

Joshua 1:9 Have I not commanded you? Be strong and courageous. Do not be afraid; do not be discouraged, for the LORD your God will be with you wherever you go.

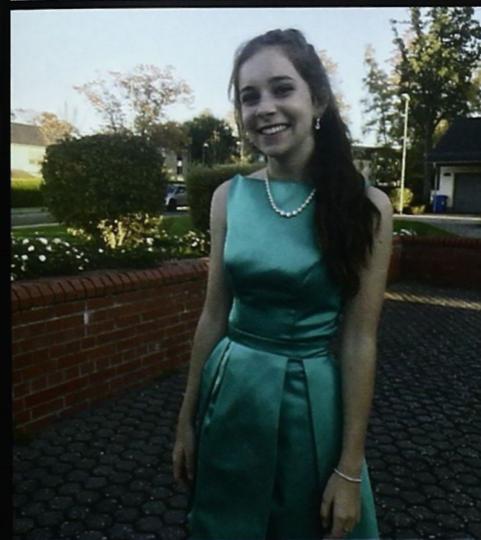

We love you,  
Dad, Mom and Ethan

## Tristan Korff

Tristan, You were blessed with a quick mind, great personality, strength, and an ease of communication. We know you will pursue your dreams with vigor and passion, and we hope you will use your talents with the same intensity to influence others. You are an independent soul, but your path will cross and impact many. We know that you have what it takes to make a difference, and we are so proud to be a part of your journey. Stay close with your brother, you are lucky to have him, and always remember that we are here for you. You will always be our 'schnuppe' in the true sense of the word! We love you, Mom and Dad

## Amanda Zubowicz

Amanda, You have been a blessing since the day you were born. We've enjoyed every milestone as you conquered new challenges and grew more independent each year. Oh the places you will continue to go baby girl, we can't wait to be a part of your incredibly bright future! Our daughter can light up your day just by blinking her big, beautiful eyes and giving a big hug! We love you more than you will ever know. Congratulations!

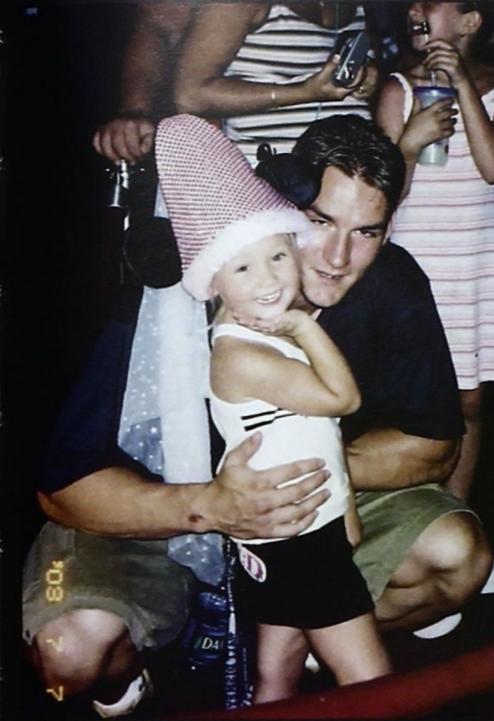

Love,  
Mom, Dad, Andy and Lexi

# Tyriq Zwijsen

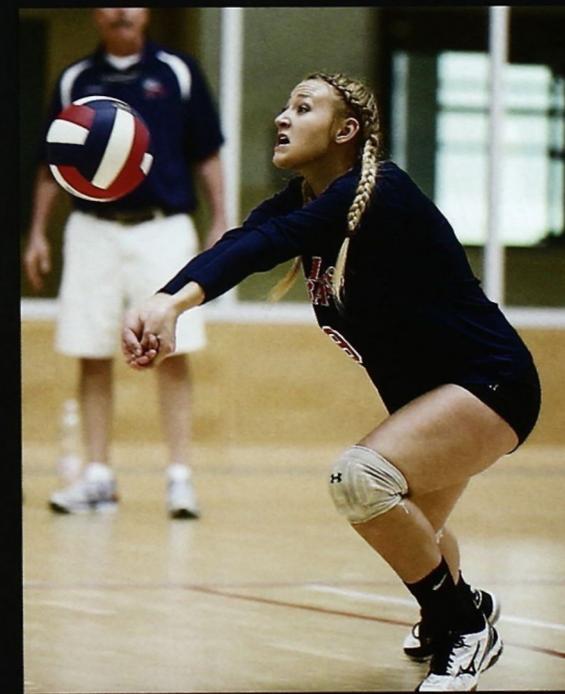

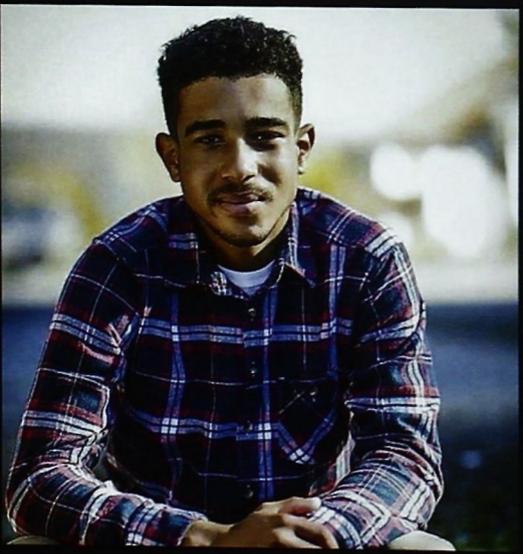

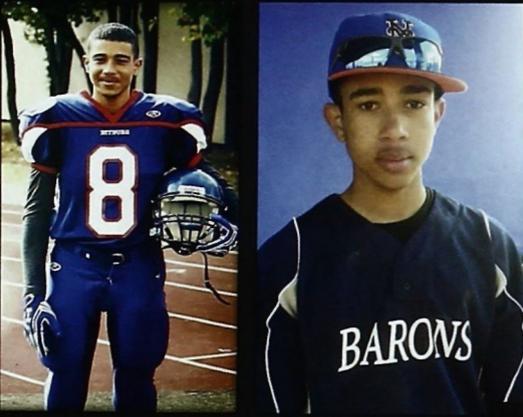

Tyriq,  
We've watched as you've grown into the wonderful person you are today, and we're watching with great anticipation to see what you will become. Hope you are as proud of yourself as we are of you. You did it! Continue doing great things. Congratulations!  
Love you always,  
Mom, Dad, Kenyon, and Lily

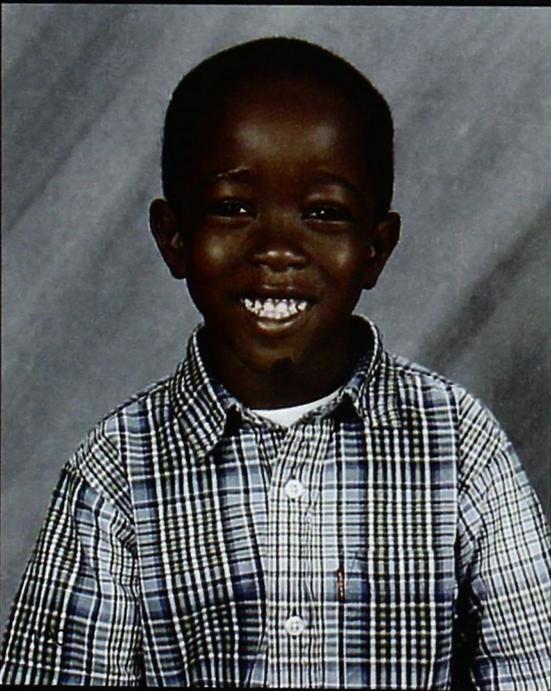

Tyriq,  
Seit deiner Einschulung 2006 haben wir dich bis heute auf deinem schulischen Lebensweg mit Interesse und Freude begleiten dürfen.  
Lieber Tyriq,  
Wir wünschen dir für deinen weiteren Bildungsweg gutes Gelingen und für die Zukunft alles erdenklich Gute!  
- Oma Ingrid and Opa Gerhard

# Ashley Otto

From holding hands during our walks through the corn fields of Italy, to 4-wheeler rides through the mountains of Montana, to many nights of sitting by the fire, to zip lining in the Netherlands, and finally you going from "almost 18" to actually being 18...through it all, you have always been and will always be our baby girl. Your mom, Kari, Kylee, Mackenzie, Addison, Lillian and me love you and we are so proud of the amazing woman you have become. We look forward to future family adventures and we love you with all of our hearts!

## Xavier Addison

As you journey through life, it's imperative that you remember who you are in Christ. If you continue, to put him first, you will see his power manifest, you will grow spiritually and above all you will learn who God is. Life is going to have it's trials and tribulations. It's a must, for the word of God tells us so. So your family leaves with you the following scripture so that no matter what you will KEEP MOVING FOWARD IN JESUS NAME! -Mom

## Amadi Bradshaw

Amadi.. Always be true to yourself. Never let anyone discourage or dim your light! You're beautiful, funny, caring and have the biggest heart of anyone I know. Thank you for being part of this "team". I know your going to go off and do wonderful things! Forever my first love... -Mom.

Pursue the things you love doing, and then do them so well that people can't take their eyes off of you... -Maya Angelou

## George Woodley

George we are so proud of you. We've watched in amazement as you've grown into the wonderful man you are today. We can't wait to see what the future holds. Dream big! The sky is the limit and enjoy every single moment of your life! We love you very much and could not be prouder!!

Love,  
Mommy, Papi, Joshua and Gabriel

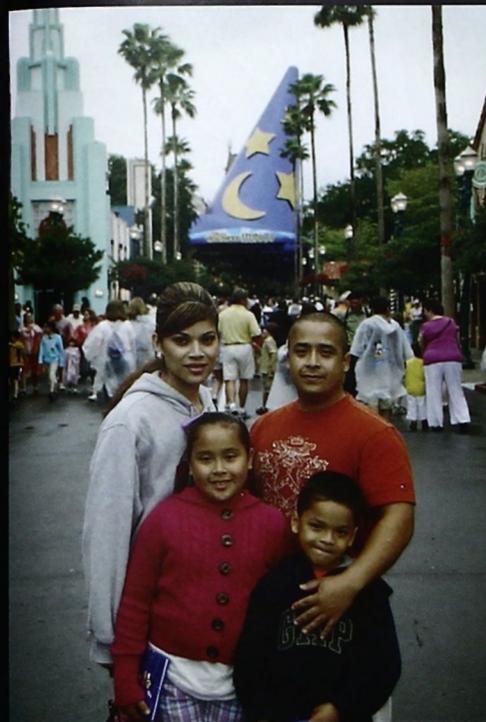

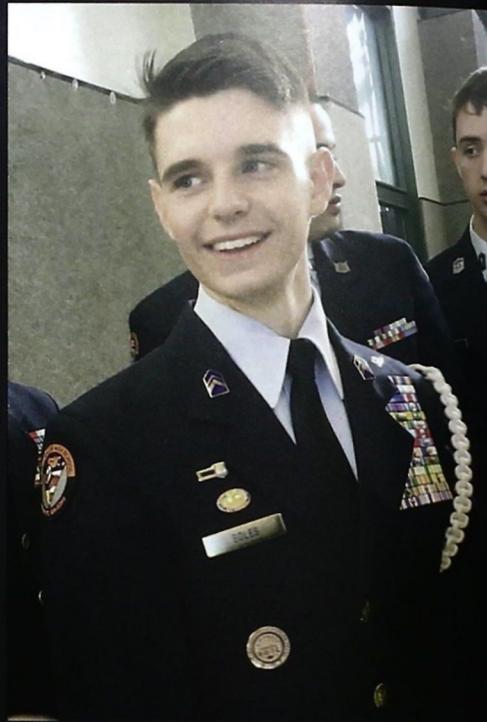

## Louis Cruz

Son, I closed my eyes for but a moment and suddenly a man stood where a boy used to be. I may not carry you now in my arms, but I will always carry you in my heart. You have given me so many reasons to be proud of the man you have become; the proudest moment for me is telling others that you are my son. I love you now and forever.

Love,  
Mom

## Jordan Soles

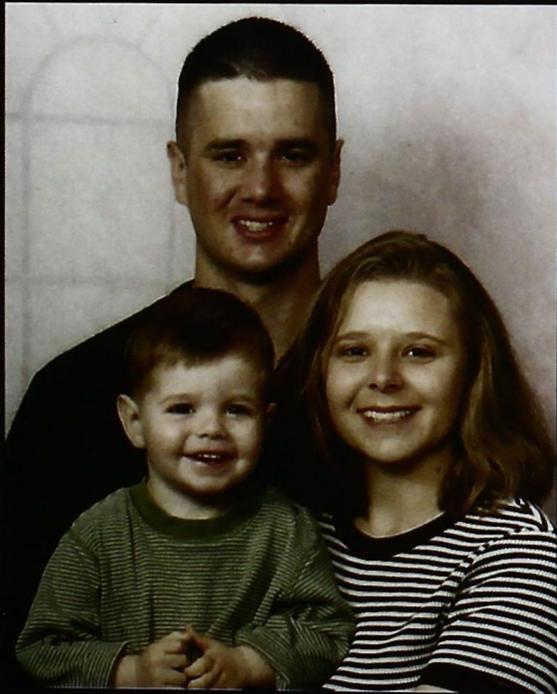

Jordan, we've watched in amazement as you're grown into the outstanding young man you are today. We are now watching with great anticipation to see what you will become... with your talent and determination, the sky is the limit!

## Melissa Lopez

You made it! Best wishes as you start a new chapter in your life.  
Love,  
Mom and Dad

Melissa, you are the sweetest, nicest, and craziest person I know. I can also go to you whenever I need help and I wanna thank you for being there for me all the time. You're my Latina sister. Love Ya!  
Felicity
