Life's like a road that you travel on When there's one day here, and the next day gone Sometimes you bend, sometimes you stand Sometimes yo turn your back to the wind

There's a world outside every darkened door where blues won't baunt you anymore where the brae are free and lovers soar some ride with me to the distant shore.

Stuttgart High School 2021 Pep Rally was a success. Due to Covid-19 students at Stuttgart High School were not able to have a Pep Rally in the year 20-21, making this years an unforgettable experience. Students showed up with panther spirit wearing their class colors; yellow, black, pink and white (9-12). Stuttgart's Drumline, Cheerleaders, and Powder-Puff performed an amazing performance leaving everyone with excitement and joy. Thanks to STUCO, students were able to participate in fun activities such as Tug-of-War, and Powder-Puff, and participate in the Homecoming court, which was announced by **Nathaniel Jennings '22** leading up to the Homecoming dance. The last year has been unpredictable and difficult for many people making this one of the most exciting day for our SHS students.

"This was one of the best teams we had because of its amazing chemistry between the players and coaches"

(Coach
Burkman)

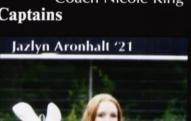

Cecilia Smith '23

The Stuttgart High School cheer teams work around 10 hours a week to show off astonishing tricks during halftime. Practice varies from figuring out how to learn a dance in a day to constantly working on stunts till they're sore. The teams never give up on figuring out how to learn a new stunt and are always up for a challenge. Performing stunts requires a lot of strength and commitment. The girls were very excited for the upcoming season since they never had the full experience last year due to COVID. "It was nice to get back to some sense of normalcy

after COVID. We were fortunate enough to get a full

season." -Coach Nicole King

Every player worked hard, improved, and trusted in the team.
That trust was the key to winning European Championships in one of the most epic matches I've ever coached. "The Masked Season" was definitely one we'll never forget. - Coach Trimble

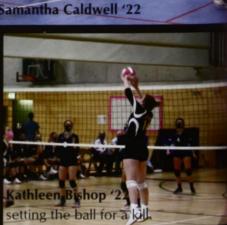

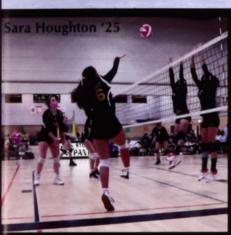

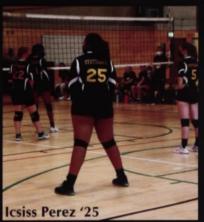

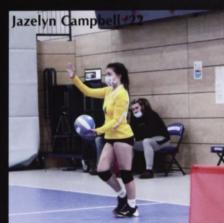

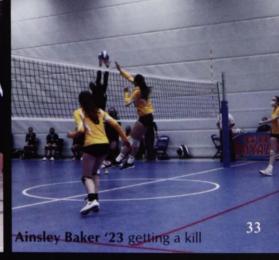

On the right are pictures from some of the runners that competed in the 2021 Euros Championship.
Runners Ella Bishop '22,
Kendall Boureaux '23, Sydney Lamphier '22, Anna Roth '22,
Lauren Vertuli '24, Bella
Macemon '23

were the runners selected to represent Stuttgart at Euros

this year.

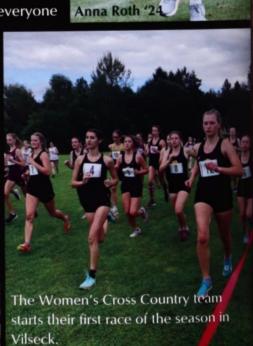

Lauren Vertuli '24 stepped up from er role as team manager to compete on the curos team.

The 2021 season was a great one for the team this year, it was a full season complete with the ability to travel to competitions. At every meet the team competed very well end ended up taking 3rd place at Euros. Pasta Fridays, team bowling days, meeting up with old friends at meets and fun bus rides were just some of the things that made this season so great. With a new coach and many new students, the season was filled with a new dynamic which made it a learning experience for everyone on the team.

Running takes power both mentally and physically and every practice the team was working to train their bodies and minds for their next upcoming races. There was also lots of team bonding that happened throughout the season "I loved watching the bonds made between the freshman and some of the seniors. It was heartwarming to watch as seniors adopted the role of an older sister to some of our younger members." -Bella Macemon '23

Men's Cross Country

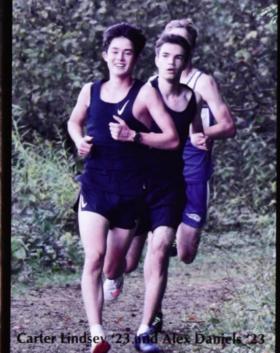

The 2021 men's cross country team has had a wonderful season. The Euros team had consist of five members. Evan Vertulli '22, Aleksey Sanchez '23, Carter Lindsey '23, and Alex Daniel '23 these runner carried Stuttgart to first place in the overall division. MVP Carter Lindsey '23 placed first place at Euros with the pacing of 16:40. In Second was Alex Daniels '23 with the timing of 16:44. This season was able to be succesful because of the sportsmanship and coaching of Coach Snoeyink.

The Stuttgart Piranhas is associated with SHS and gives the opportunity to earn a JV or Varsity letter in swimming during the Fall or Winter season. As a junior or senior you can become a captain for the team. The Piranhas swim 5 days a week from 5:15 to 6:45 A.M. We are apart of EFSL (European Forces Swim League) and were one of the first teams founded (1975). There are 18 EFSL teams in total. Being apart of the Piranhas is like having a second family, they're always there to encourage you, push you, and to have fun. The Piranhas have a team for elementary and middle school kids as well.

Rifle team is a group of students devoted to their sport. Students part of this team consist mainly of our JROTC cadets. They sign up at the beginning of the school year and practice continuously for numerous hours. Marksmanship is tedious; requiring patience, stamina, and devotion. To Quote SFC (ret.) Raul Pinon, "Our rifle team has continued to dominate the marksmanship sport since 2013."

"A Voice in the Dark: A Salem Story" is a thrilling and poignant tale from one of the darkest eras in American history. Abigail Hobbs, a shy, yet kind 15-year-old, lives a modest, happy life. But things are changing in Salem, Mass. Healthy girls are becoming ill and whisperings of the devil are in the air. Two women have been hung as witches, and a third accused is missing still. When the Nurse Family, with whom Abigail is close, becomes the center of new suspicions, Abigail accidentally uncovers information that could save them.

Chef Charleen Huebner has been teaching Culinary Arts at Stuttgart High School since 2015 and earned her degree in Culinary Arts from the Culinary Arts Institute of America.. She enjoys all aspects of the arts saying, "I love being able to be creative and expressive." Chef Huebner states the pleasures of being a culinary teacher is getting to know the students and "exposing them to different ingredients and cuisines." Of the many cuisines, she especially loves teaching how to cook Cacio e Pepe, a pasta dish from Rome, holiday cookies, pretzels, sushi, pizza, and barbeque.

National Honors Society

National Honor Society is an organization for high school students that elevates a schools commitment to the values of service, scholarship, leadership, and commitment. These are the four pillars of this organization that have been associated with it since 1921.

Despite Covid setbacks, NHS was able to accomplish many goals this year. Under Caden Burkman's guidance, the newly founded Buddy Program was able to mentor about 60 underclassmen and prepare them for NHS and beyond. Trunk or Treat was a massive success, where we welcomed over 50 vividly decorated cars and a record number of trick-or-treaters thanks to the assistance of the entire club and community. After-school tutoring helped many students and covered a wide range of subject areas, with the continuous support of Sofie Galvin, Anna Vernetti, and Katrina Chao. In mid-March, NHS also welcomed 59 new members at the first NHS induction ceremony held in two years.

Evan Koepplinger '22, Henry Renninger '22, Katie Bishop '22, and Ms. Claire Dickmeyer

Welcome to the National English Honors Society! Led by President Evan Koepplinger, Vice President Alex Christensen, Publicist Katie Bishop, and Secretary Henry Renninger, NEHS is a great way to meet new people, read new books and get more involved in the SHS community! NEHS is also a good way to get community service hours and share your love for reading with other readers! In this club, members strive for literary excellence by serving the community while also having fun! So far this year, the officers have set up a Lending Library using books donated by members. Give a book, take a book! NEHS also won an honorable mention at Trunk-or-Treat for their car decorations! In the words of C.S. Lewis, "Literature adds to reality, it does not simply describe it. It enriches the necessary competencies that daily life requires and provides; and in their respect, it irrigates the deserts that our lives have already become." 109

Math Honors Society

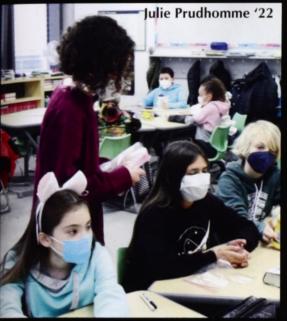

Mu Alpha Theta, or Math Honor Society, has gone under many changes during the 2021-22 school year, especially after making adjustments to pandemic conditions which had made essentially all events and meetings in the previous year virtual. However, our 40+ members, who have each shown excellence in math and leadership, are enabling Mu Alpha Theta to reach its highest potential. An aspect of membership in Mu Alpha Theta is math tutoring during Seminar, tutoring in subjects ranging from Algebra I to AP Calculus, and members exceeded this by having a combined number of nearly 300 hours in only one semester. Starting in the spring semester, Math Support Seminars have been set up to provide students in core math classes an opportunity to get instant help from tutors present in these seminars, benefiting both the student with math help and the tutor with being able to easily find those in need of assistance. In addition to tutoring, members have engaged in Pop-Tart sales, in the front of the building before school on Mondays and Wednesdays; Board Game Nights; challenges applying math to engineering such as the "Spaghetti and Marshmallow Challenge"; and fundraisers like Pi Day pie sales in March. Members have the opportunity to set up committees to do more math related events, including a club trip to an escape room or decorating members' lockers with math symbols. The leadership of Mr. Daniel Coapstick, the honor society's sponsor, ensured a smooth transition from the 2020-21 school year to this one, even after almost all previous board members had either graduated or moved, and he still continues to be an incredibly important mentor to the honor society. Mu Alpha Theta hopes to help show others that math can be a positive force and at times quite fun, especially here at SHS. -Benjamin Kaufman '24

Science National Honor Society

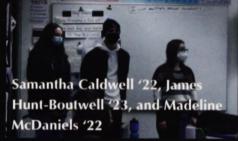

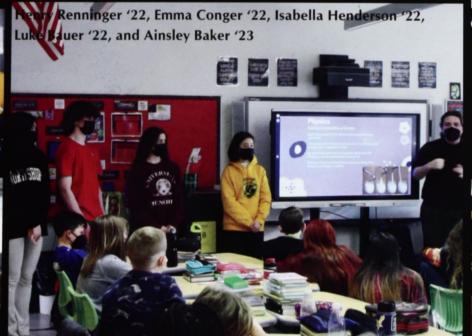

The Science National Honor Society has conducted a multitude of interesting experiments over the course of the 2021-2022 school year. One of these cool experiments was the oobleck experiment. In this experiment students were expected to follow the instructions given by Ms. Payne in order to get the end result of the gooey liquid known as oobleck.

"I truly enjoy students not only understanding concepts for the first time but students walking out of class with a desire to be life-long learners." -Ms. Payne

We are most of all impacted by your heart of love and respect for all. You are a blessing to our family and the world. Love and Respect to you our Daughter and Sister! Mom, Dad and Albin

Congratulations to our favorite daughter! Baby girl, we miss you already. You have grown to have a beautiful and kind heart.

Before you could stand on your own as a child you used to pull yourself up with the help of the sofa and rock to the beat of any music playing through the stereo. Over the years, you never cease to amaze us and brighten our day with your smile, laughter, and talent.

Don't dwell in the past; don't fret about the future; live and be your best self today; and whatever you do, never stop rocking. Mom, dad, and Kuya are always here for you and love you so much. Mahal kita!

From Kuya; "Success is not final; failure is not fatal: it is the courage to continue that counts." - Winston Churchill

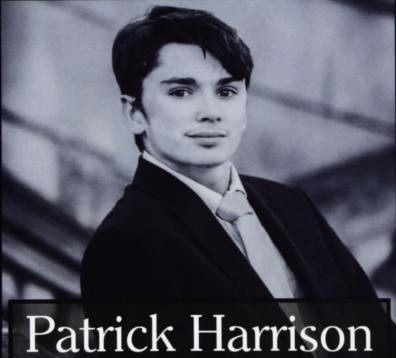

Congratulations on your graduation!! We love you and look forward to seeing you meet the opportunities and challenges that lie before you. Love, Mom and Dad.

Congratulations Emma! In 18 years, you have endured ups and downs in 6 states and 3 countries. We are proud of your resilience, courage, and mental stamina. In this next chapter, we hope that you will seek balance, be joyful, grateful, laugh often, and pursue your passions. Stay sweet natured, kind-hearted, and loval. To our sweet Gracie, Your senior year looms in front of us and we cannot believe it is finally here. We have sweet memories of rocking you to sleep and singing songs to you. Along with those, are memories of your big sister Faith teaching you how to climb out of your crib so that you could sneak into bed with Mommy and Daddy. Fast forward 10 years and we have memories of you swimming your heart out for FBST and blowing our minds with your beautiful backstroke and your times! Now you are going to create more memories at Messiah University as you study athletic training and swim for them! We are so very proud of you, Grace. You have brought loads of joy and laughter to our family, and we look forward to watching you blossom in college. You are profoundly loved, Gracie. From the moment you were born, you were a performer. Arriving 2 weeks late, you made sure that all eyes were on you! From the moment we met you, we were madly and deeply in love.

You quickly developed into a happy, independent, headstrong young person with a penchant flair for the dramatic and an abiding love for those held most dear.

You have always been our WHY- been our biggest reason to try, to reach, to live. You bring us so much indelible joy every moment of every day. You make us more proud than we knew possible. You are a kind human, a thoughtful person, a considerate citizen. You have experienced so very much that you empathize for all. You inspire others to do better and we couldn't be more excited for what is to come. Always remember who you are, where you come from, and what you are made of. Remember the chorus of cheerleaders you have rooting for you. Remember that mistakes don't define us, but our reactions do.

Go be great- we are right here in the wings being your biggest fans, biggest cheerleaders, and biggest supporters. There is nothing you could ever do to make us love you less, and every day, we are amazed at the new ways we love you even more. Love always, Mom, Dad, Jase, Miles, & Ella

Sabrina-

We are so proud of the woman that you are becoming. You have weathered storms that would make most drown and have come out the other side stronger and ready for anything. We know that you will face whatever life throws at you with strength and determination. You are an amazing artist, sister, and daughter and we are beyond excited to see where life takes you. Whether that be into teaching, tattooing, or another career entirely, we will be proud of you no matter what path you choose. We love you with all of our hearts.

Love Mama, Dad, Tyler, Gabe, Kaiyo and Rosie.

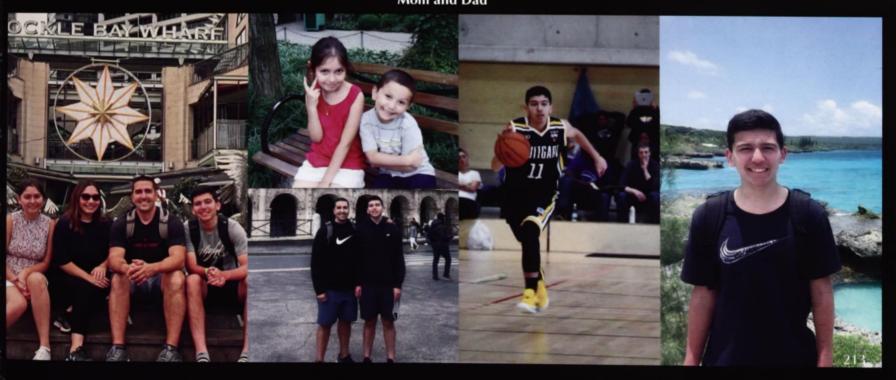

William,

You have made these past seventeen years truly amazing for us. We know your life has been a roller coaster as you have traveled from country to country starting over every few years, trying to figure out who you are and your place in this world. Through all of life's obstacles, you figured it out. You surprised us time and again with your resilience and determination, remaining true to yourself and your identity, never trying to fit in or model yourself after others. You are one of a kind! As you head into the next chapter of your life, without us (so sad), we want you to know that we will always have your back. There are no oceans too vast or mountains too high that would keep us from being there for our son. You are a strong young man ready to march into the world and navigate its seas with the maps you have acquired over the years and the compass that beats steadily in your chest. You are a man, and you are strong.

You are ready!!!

We love you to the moon and back!

Mom and Dad

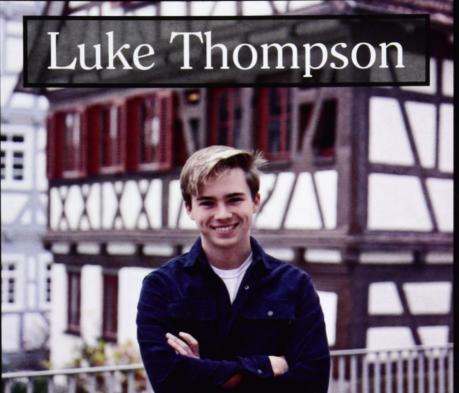

Congratulations Luke!
Today is your day.
You're off to Great Places!
You're off and away!
You have brains in your head.
You have feet in your shoes.
You can steer yourself
Any direction you choose.
You're on your own.
And you know
What you know.
And YOU are the guy who'll
decide where to go.

We are so proud of you and love you to the moon and back!

Love, Mom, Dad, and Matthew

COLOPHON 2022

The 2021-22 yearbook involved over 40 students and is the running record of the Panther Nation. We were able to start our school year and complete it without having to pivot to virtual-learning. To have had a "sense" of "normalcy" this year was tremendous for the students and the community. Zeitgeist, the traditional yearbook name, was adopted by the 2016 staff after leaving Patch High School and the Andenken Yearbook behind. Students embraced the German translation of Zeitgeist as the "Spirit of the Times." The 2022 cover design was a team effort consisting of cover art by Sabrina King '22 and graphic design by Lita Hilligoss '22, Jordan Pope '22, Kaitlyn Folkers '22, Maja Kendic '22, and Javanary Keo '22. More than ten thousand photos were taken or shared via emails, text, Facebook, or Google Forms to help the Yearbook staff create another book of lasting memories.

The seventh volume of the Zeitgeist is printed by Balfour Publishing, located at 1500 W. Mockingbird Lane, Dallas, TX 75235. Our terrific Balfour European Publishing Consultant, **Karen Burbach-Barker**, located at Shipston-on-Stour, CV36 4RD, England, has been nothing short of a complete miracle for the new Yearbook Advisor, **Mr. Nathan Garrett**. He has been truly grateful for her help this year. Editors-in-Chief, Kaitlyn Folkers '22, Maja Kendic '22, and Javanary Keo '22 were assisted by the rest of the Yearbook staff to accomplish the completion of this year's book within 8 months time. Their hard work and determination to complete all tasks and hit all deadlines made the success of this book possible. The overall challenges was mainly helping a new advisor from the beginning of the school year who had no experience with yearbook, but the team rallied and helped **Mr. Garrett** along the way.

Senior dedications were created by Mr. Garrett who wanted to give back to the team for all the help they had given him. Sabrina was a tremendous help to show Mr. Garrett how to use the software until he felt comfortable working on those ads. This process is a wonderful way for parents to have a chance to say their final "goodbyes" as their children move onto to bigger endeavors post-high school. The work done has been done with tremendous care to insure that these special moments can be remembered not just this year, but for years and generations to come.

A huge thank you goes out again to **Karen Burbach-Barker** and **Rick Renninger** for their unwavering support of the SHS Yearbook Staff and program. Thank you to all the patient teachers that allowed students to come into their classrooms and snap some photo.

It is now your time to look to the future, to take that leap, and to not look back.

It has truly been my honor to serve you as your newest advisor.
