## Patch Panthers 1999 Cross CountrySeason

As the 1999 Patch cross country season got under way, expectations were high. In the ' 98 season, the Patch teams were exceptional, bringing home three Regionals and two European Championships. A number of the championship Boys JH, Women's Varsity, and Girls JH members returned for the Patch '99 season. In '99, the Women's Varsity and Girls JH teams dominated many of their meets. Though the women's teams carried the banner, the men had several breakthroughs, including one against Black Forest Academy.

In the Division II Championships, the Patch cross country team advanced 15 runners to the European Individual Championships, winning fifth place for the men's team, second place for the women's teams, and second place for the combined teams. This was a great end to an excellent season for the Patch cross country team.

Junior Clarence Lettsome sprints far ahead of his opponents. Lettsome was one of several Patch runners who did well this season.

Cheering from the sidelines are students Brandai Butler, Beau Ryen, and Canaan Bond.

## STUTTGART PIRANHAS

This year the Stuttgart Piranhas had a very successful season, ending with over half of the team qualifying for the championship meet. New additions to the team rounded out the old team to help in this year's winning streak. One of these new additions was Dan and John Thibodeau. Having moved from Heidelberg with many years of previous experience helped add some points to the team. All of the high school swimmers that stuck it out through the whole season Varsity lettered and nine middle-schoolers received a junior-high sports award.

Also new to the team this year was the "peer coaching" idea. Amanda O'Keefe thought "It was fun and a good experience, I think it helped the younger swimmers a lot and it also taught me to be patient with others." Many others thought the same, while few had any complaints. Tanya Lowman though, "That it helps everyone involved, not only do the younger swimmers learn things, but the older swimmers learn how to coach. I had fun, and became closer to the team.
The 1999-2000 captains were Tanya Lowman, Will Geiger, and Scott Macintire. With the help of the coaching staff the captains got the team in to gear and accomplished many things. Helping many to achieve their goals and earn an award doing it.

Individual awards were awarded to people who had

outstanding accomplishment this season. Double award winners were Tanya Lowman- Women's overall high point and 17-19 Female Pentathlete, Daniel Thibodeau-men's High Point and 15-16 Male Pentathlete.

Single award winners were, Wall Ruiz- Overall Most Improved Male Swimmer, RC Collins- 11-12 Pentathlete, Erica Ballard 13-14 Pentathlete, Beth Macintire- 15-16 Pentathlete, Scott Macintire 17-19 Male Pentathlete, Meagan Methered- Hardest working Junior Female, Stuart Strock- Hardest Working Junior Male, John Thibodeau- Hardest Working Senior Male, Lyssa Zambrana- Hardest Working Senior Female, Emily O'Keefe and Robert Welch- Most Untapped Potential, Jullian Hodge- Most Dedicated Female Swimmer, Most Coachable- Josh Waddell and Ashley Raum, Alyson Callahan- Team Spirit Award, Jennifer Davis, Matthew Mitchell, and Kim Palmer- Coaches Award, and Amanda O'Keefe- Most Improved IM.

Overall the season was viewed as a great success and many people improved their times and had fun.

## Winter Cheer

This season was a very enjoyable one for both the Patch cheerleaders and fans. The very talented girls on the squad performed memorable dances and routines at all Panther basketball games. In addition to that, they went to their own cheer competition where they placed second. These exceptional athletes kept Patch students involved at pep rallies and led them in rousing cheers to encourage our many teams. Thank you, ladies, for an impressive season.

This year's men's basketball team had a pretty successful season, with the Varsity boys even placing sixth at the Europeans. With only one returning Varsity player, Jeff Miller, our team of new players held their own against opposing teams that had played together for years. "In our first games we mostly had to learn to play together as a team since none of us had ever played together before." stated Varsity player and captain Lamar Davis. Under the leadership of Coaches Fritz and Spencer the players pulled together to become a strong team on and off the court. The J.V. and Varsity team will have many returning players next year and are even looking forward to a new player from Ansbach. Although making it to Europeans is commendable, many players feel they will go further in the tournaments next year. "Since we'll have a lot of returning talent we should be able to get farther next year." replied Varsity player Josh Spencer. Until then you can find the players diligently practicing for next season. Good luck next year panthers!

## Basketball

The '99-'00 season was a very exciting one for women's basketball. Coached by

Shane Washington, this year's varsity squad consisted of seven players including captains Katie Kilcline, Jo Miller, and Kim Saunders. Ms. Tidwell coached the six members of the JV team.

The Varsity team did extremely well, finishing with a 14-3 record, the title of Conference Champions, and $2^{\text {nd }}$ place in Europeans. Overall, this year was a successful one for the Lady Panthers and they should be proud!

## Wrestling

Wrestling: for sixteen guys at our school, it's more than a word. To them, it means hard work and dedication. Wrestler attended practice every day after school and pushed themselves to the maximum. Thanks to coaches Kenny Ewan and Matt Koenigsfeld, the team did really well and everyone improved. Then, in the end, all their hard work paid off. Out of the eight varsity members, six qualified to go to Europeans, and all placed well. The Kreisel brothers Brian and Jeff were featured in a Stars and Stripes article and both went undefeated all season.

## Football

This year our Patch football team was outstanding. Through the hard work and dedication of the players and their coaches, the Panthers earned the right to play in the championship game and placed second in Europe. The captains were Mark Baur, Chad Spears, Dave Hylander, Jon Scott, Luke Rogers, and Rob Prey. Mark Baur, Luke Rogers, and Rubin Prieto also received the distinction of All Europe for their contribution to the team. Head coach Edington and assistant coaches Boyd, Lockett, and Scott also helped the guys keep an impressive record of 5-3.

Noise. Shouting. Excitement. This is what most people think of when they think of Patch High School's pep rallies. Throughout the year, many pep rallies are held to recognize the hard work of athletes and to boost the students' school spirit. They give everyone a chance to show support for Patch and all its different sports. Though notoriously rowdy, Patch pep rallies are always fun and enjoyed by everyone who attends.

## Common Bond

Common Bond is often thought of as an alternative after school activity on Tuesday nights. However, it is so much more! Lead by Brian and Lori Davis, a group of sometimes 40 or more kids sing, play games, pray, and go on retreats. Common Bond's most famous retreat is the yearly spring break trip to the Spanish Island of Ibiza. They also go on a trip to Switzerland in the summer. Common Bond has a Junior High equivalent called Pure Adventure. Also lead by Brian and Lori, Pure Adventure meets Sunday nights. Another related activity is Thursday night Bible study. Overall, Common Bond and the other activities organized by the Davises are a great chance to get together, socialize, and spend time with the Lord.

These tricks may look easy but for your own safety, please don't try any of them at home. They are done from off base to on base, and uptown to downtown. When you see these dangerous roaming the halls, don't just look them over, say what's up!!

If you are not highly trained doing these tricks then please don't try them at home.

Ms. Dickmyer stands next to her AVID bulletin board of which she is so proud

Here at Patch, there is a voice for the students. No matter how small it may be, we can not say we do
not have a voice. Stu-

What is AVID? Well It stands for Advancement Via Individual Determination hence the name AVID. This program is intended for grades from middle school to high school. This is a class taught by Ms. Dickmyer in which a student with average grades can learn such skills as note taking, time management and how to study. This class also prepares students for a life after high school which may include a 4 year enrollment plan.

AVID was started in California and developed by a woman name Mary Catherine Swanson. She created such a great program that it was recently recognized by the president of the United States.

Til this day and beyond, Avid continues to broaden the horizon of many students around the world.

Some members of Student Council take time out of their busy meeting to pose for this shot dent Council is that voice. Selected students act as representatives from every grade. They meet every now and then in Ms. Smith's room to discuss such topics as school dances and what the student body thinks of their school. This reporter has no comment.

## Drama

This year the school presented "A Night of Theatre" in the High School forum. The middle school Thespians put on "The Great Western Melodrama." The cast consisted of Jessica Rosario, Maggie Rothney, Michael Juday, Sarah Cunningham, Adam Fugent, Melanie Cloth, Maggie Edgar, and Becca Cheney. Then the high school Thespians put on "The Fifteen Minute Hamlet" with a cast of Jenn Wilcox, Alex Leary, Becca Cheney, Heather Michalke, Cat McKenzie, Kim Doyle, and Stacy Tucker. There were also two monologues. "French Fries" was performed by Cat and "Five Minutes" was put on by Kim. Directed by Mrs. Rothney, "A Night of Theatre" was a success with exceptional acting on all parts.

The 1999-2000 school year was a special time for the Patch High School. It marked the twentieth anniversary of the original dedication and opening of the school, which occurred October 41979. To celebrate the occasion, Patch had a guest speaker, Admiral Abbott, who spoke about the school's beginnings, and the long way Patch had come since it first opened its doors. After the Admiral's uplifting speech, everyone filed into the gym, where there was a pep rally, and prizes such as baseball caps, cd players, and stereo systems were given away. After the pep rally, there were six cakes specially made for the anniversary celebration, which everyone got to enjoy

In honor of the unusual occasion, the yearbook paid a visit to Herr Dobner, a German teacher at Patch and one of the school's original teachers. when asked to describe Patch's first year as a school, Herr Dobner said that we had a "terrible first couple weeks." There was no gym, the rooms weren't painted and didn't have enough furniture, the school was late in opening and there was mud everywhere, due to a substantial amount of rain. However, there were some good things about the first year. Patch had a firm principal, Dr. Greg Apkarian, who enforced strict educational principles. Largely due to his efforts, Herr Dobner says Patch had a "fearful reputation." We had a very positive image, and were dominant in most of our sports. Dr. Apkarian and the faculty put Patch on the map in academics as well as on the sports field. When asked how Patch managed to survive its first chaotic year, Dobner replied "When you are dealing with external hardships, then to make a double effort to succeed.

We are the music makers
And we are the dreamers of dreams, Wandering by lone sea breakers, And sitting by desolate streams; World-losers and world-forsakers, On whom the pale moon gleams Yet we are the movers and shakers

Of the world forever, it seems.

Do not follow where the path may lead.
Go, instead, where there is no path and leave a trail.

I Nephi 3:7

Our birth is but a sleep and a forgetting; The Soul that rises with us, our life's Star, Hath had elsewhere its setting
And cometh from afar; Not in entire forgetfulness, And not in utter nakedness,
But trailing clouds of glory do we come From God, who is our home:
