## The Season

The 1972-73 girls' basketball season was relatively long, with a number of games and special tournaments involved. Although the girls only won three games in the season, a lot of time and effort was put into it, not only by the girls, but by the coach, Miss DePompei, as well. When the season began, the team consisted of inexperienced players, but when it ended, each and every girl knew game strategy, sportsmanship, and the feeling of both victory and defeat in competition. Please notice that there were some J.V. regulars who also saw Varsity action. Some of these are: Cindy Roberts, Sheila Cole, Lee Berry, Karen Fooks, Helen Young and Sue Oliver.

Hold on Bobbie, help is here!

Please, I'd rather do it myself!
