Cross Country is a tough sport that builds endurance and strength. This year's Cross Country season was GREAT! We had many runners beat their PRs (personal records). We also had the 7th grade record broken by Rebecca Warren (15:36) and Christine Madamba (15:37) leaving the current record 15:36 (set by Rebecca Warren ). This year we had many new runners, that did great. For the very first time, our Cross Country Girls team came in 4th place at Finals... while our boys team got 1st place.

Our top runners Katelyn Sult (15:21) and Daniel Terrazas (12:15) did awesome in inspiring our new runners. =) We also had a guest runner named Kiera Ortiz. Kiera is only in 4th grade and yet she is still one of our top runners. :)

Mrs. Moore settles in with the Advanced band getting ready to play with them on her flute.

Marcus Howard, 7th grader, gets some tips from a pro at the drumming workshop held during seminar last Fall.

The band and choir combined for a final number at the Winter concert. From the looks of these students, it went well.

**Pictured above, over 40 students in grades 7& 8 took video productions. Students looked forward to the monthly seminar WTNN broadcasts on topics from avoiding tardies to problems with bullying.**

An editor's work is never done.

All work and no play makes for a dull yearbook!

Here's hoping you enjoy the yearbook as much as we did making it!

Special Thanks to:

- \*Mr. Mel, without whom our yearbook would be exponentially less awesome. Your pictures are great. Thanks so much!
- \*The faculty and staff of YMS who tolerated all of our requests for pictures and time during seminar. We hope you like it.

## SEARCHING FOR "Bloopers"

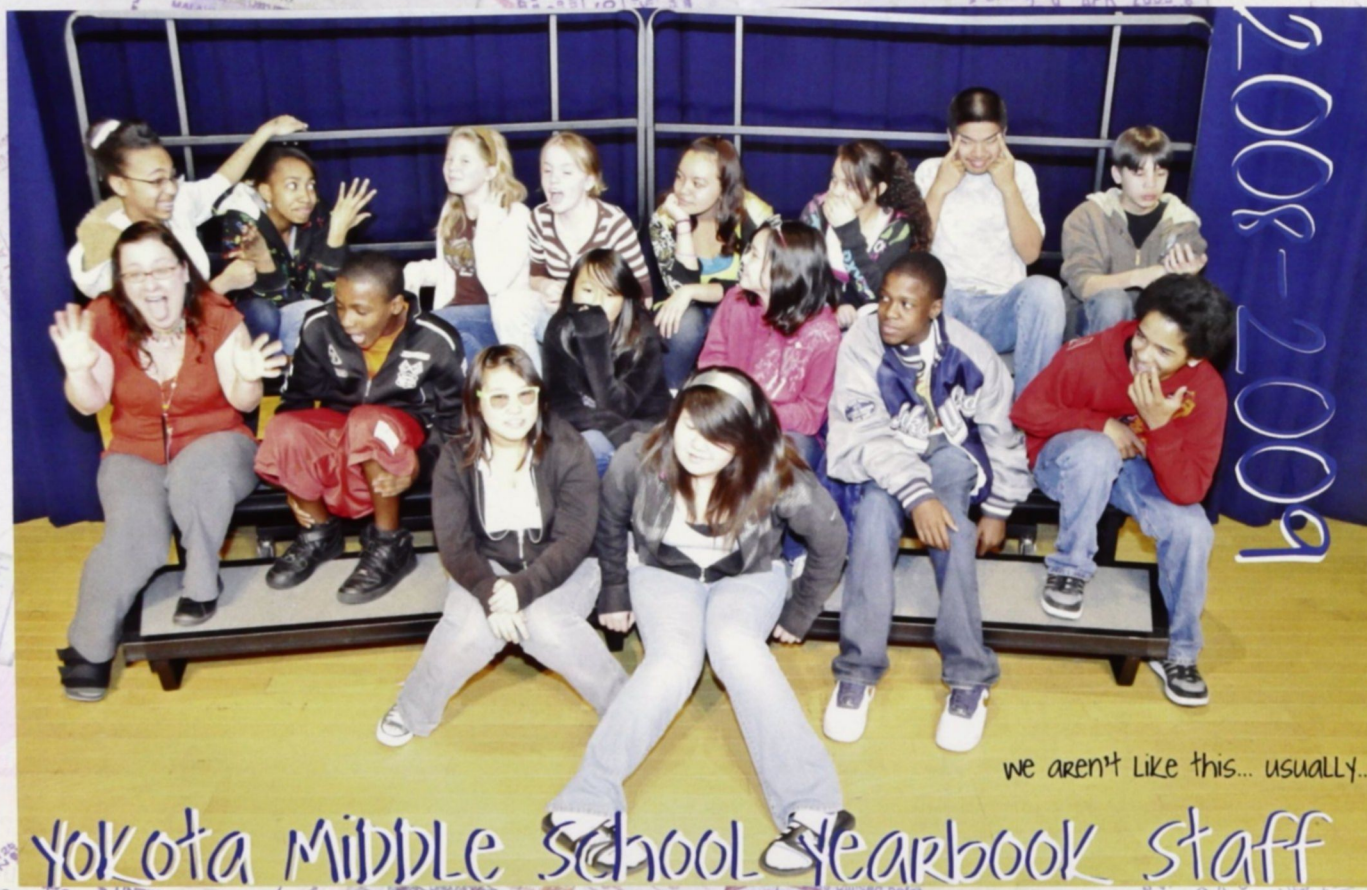

A note from the editors : ) :

Working on the yearbook was a very fun experience. We hope you enjoy looking back on your year and all your memories, no matter what grade you're in. We want to thank everyone who contributed their pictures and/or art work to the yearbook. We saw a lot of cool stuff! Thanks for buying a yearbook!

Sincerely,

Ashley Hirata,

Kelsie Pfeffer & Sabrina Hindelang

2008-2009 SCHOOL YEAR

The sun sets over Fussa, Japan, the place where-at least for now-we all call home.

We live in a very special time, in a very special place. To all the service men and women at Yokota and elsewhere, we thank you for your service, dedication, and for all you do for us, the students of Yokota Middle School. Few realize how far your reach truly extends.
