Halloween

Mrs. Peters?

Our Halloween Parade was a great success! The costumes were terrific. The judges had a hard time selecting winners. Our parties were enjoyed by all. Don't we look fantastic?

Thanksgiving

We had a magnificent feast for all to enjoy. Chaplain Chandler shared the meal with us. Mrs. Bell's 3rd Graders shared some songs with us. Mrs. Hinckley's 1st Graders also shared.

Valentine's Party

The Student Council sponsored the Valentine's Party for 1st through 3rd Graders. The kids danced, ate, and played some games. They had a lot of fun.

A Valentine's Dance was also sponsored by the Student Council. It was attended by the 4th through 6th Graders. The students danced and played. A good time was had by all.

Assemblies

Mr. Ryan and Sparky came and shared with us about Fire Safety. They showed two films. One taught us how to fire proof our homes. The other showed us what to do in case of a fire. We should always remember to "STOP, DROP, and ROLL".

The optometrist did eye screening for the whole school.

The Whittakers talked about good nutrition and good manners. Mrs. Whittaker shared a story with us as she drew. When she finished, she turned the drawing upside down and there was another picture! Mr. Whittaker used a dummy to share about good manners.

We had visitors from the Dental Health Clinic. They shared with us about taking good care of our teeth.

Cultural Exchange

Several of our classes took part in an exchange with two German schools. The 5th and 6th graders learned several songs and how to make flowers. The German class took part in our Halloween parade. They had a dance. Some of the students have visited in each others homes.

The 1st, 2nd, and 4th Graders went to see the Christmas program. We also took part by sharing some of our songs with them and we learned a dance. We toured their school.

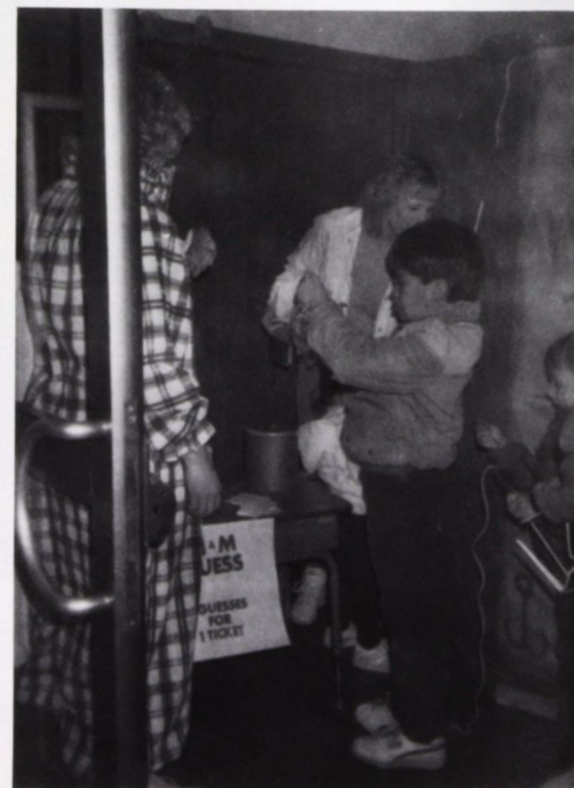

Spring Carnival

Our P.T.S.A. sponsored the Spring Carnival. There were games, prizes, and even a Country Store. Some had their faces painted and others had their faces creamed (the teachers were such good sports). There was a jello eating contest and a lot of fun! Thank you P.T.S.A. for a great time.

This page was donated by the Trier P.T.S.A.

Drama, Choir, & Puppetry

Our Primary Drama Club presented "The Ugly Duckling". Dinita Mack did a wonderful job of playing the Ugly Duckling. Mrs. Hinckley was their director.

Mrs. Boutelle's puppetry kids had fun creating their own puppets and then writing their own plays. They performed for each other.

Mrs. Bringer's Choir took part in the "America the Musical" program at Bitburg. They also did a special performance for us here at Trier.

Yearbook Staff

Though our staff was small, our task was great. The students did the lay-outs and the paste-ups. Though not everything may be straight, they did a super job. They worked hard to make this the best yearbook ever. I appreciate their willingness to stay late and complete the task.

The students had a great time participating in the Mini Olympics. Some of the events were: jumping rope relay, three-legged race, basketball toss, 50 yard dash, but the favorite was the water balloon toss. As some participated, others cheered them on. A special thank you to the parents that helped make it possible.

Rainbow Week was a lot of work and a lot of fun. Each class selected a country and studied about it. They then presented a song or a dance from that country for the rest of the school. Each class prepared a display for their country and everyone had a chance to view them. Thank you Mrs. Bell for a job well done.

Our Talent Show was a great success. We had many group and individual acts. We even had a teacher participate.

Trier

The Market Cross standing since 958.

Trier claims to be the oldest city in Germany. It is believed to have existed 1300 years before Rome. It has an interesting history. The Romans left behind many landmarks. The Porta Nigra is the most famous.

In 325 Constantine built a mighty double church. The Dom is a sight to see.

The Abbey of St. Matthias claims to contain the only grave of an apostle in Germany. It was built in 1127.

The Imperial Baths of Emperor Constantine were never completed. A visit of the passages is a special experience. It has a complicated passage system.

Constantine's Basilica, now a Protestant Church.

St. Peter's Fountain on the Market Place, from 1595.
