Meeting new people coming to school.
Early in the morning is when we come to school
Neat handwriting is the best.
Teachers are nice and fun.
Academic
Riding noisy buses is very weird.
Yelling and screaming doesn't get you good grades.

Scoring good grades makes parents happy.
Coloring and drawing is for art.
Helping people is different from telling the answers.
Open your mouth wide to sing in music.
Outrageous grades may make you smart.
Love school, especially the last day.
