THIS EDITION OF THE 1981
TRIDENT IS DEDICATED TO
DR. RICHARD C. BAUER.

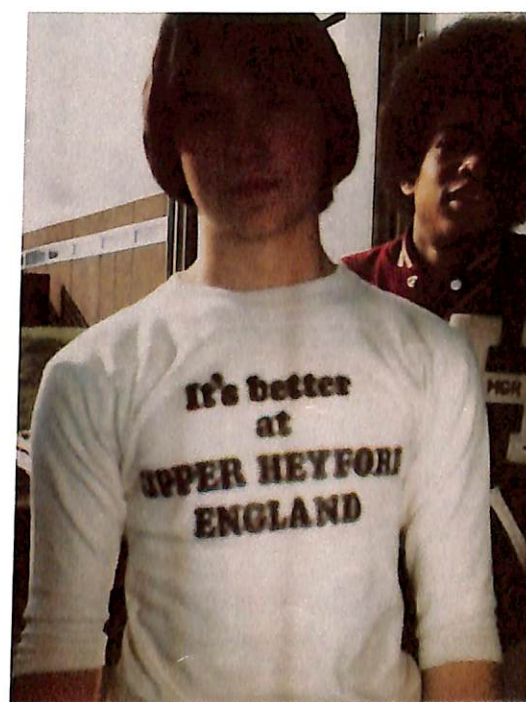

The Class of 1981 will be leaving the Upper Heyford High School at the end of the school year with mixed feelings. There will be a feeling of relief, of "Whew, that's over with", as twelve years of schooling come to an end. Mixed with that feeling of relief, however, will be one of mild to acute apprehension. What am I going to do, where will I go to school, how will I earn a living, what's going to happen to me, will all be questions that run through the graduate's mind.

Be of good cheer. You and your classmates go out into a world which will present difficulties but which is filled with opportunity. You have proven something about yourself through twelve years and now you will begin to capitalize on your knowledge and ability.

We wish you well.

People are what make a yearbook. We wish to sincerely thank the following people for their contribution to the 1981 TRIDENT: the many patrons who helped us in our financial drive, the administration and faculty for their understanding, the photographers for their hard work especially at deadline. Mr. Brzezinski - their sponsor, and the Trident year book staff for their many hours of hard work. Finally, we wish to thank Mr. Dave Gardi, the yearbook sponsor, for his hard work, guidance, and encouragement.

Upper Heyford High School is worth remembering and we hope these reflections of 1981 will always make you happy.

Sincerely,

Jo-ann Martin and Teresa Perkins
