# ADMINISTRATION

**DR. RICHARD C. BAUER**  
**PRINCIPAL**

The Class of 1982 will leave the Upper Heyford High School after holding the spotlight of attention for much of the school year. As seniors, you, the Class of 1982, were at the top and were the expected leaders in both curricular and extra curricular activities. In classes, in student government work, in athletic contests, at the Prom, and finally at graduation you really enjoyed blazing moments in the spotlight.

After you leave the high school, however, the spotlight turns elsewhere for the moment. These can be difficult times as you struggle anew for a sense of direction and purpose. Your task, though, is to prepare yourselves and to conduct yourselves in such a manner so that, whether or not the spotlight of attention ever fully focuses on you again, you can be proud of yourselves for what you are and for what you stand. Think clearly, work diligently, and play your part well and you will be ready.

We wish you well,

*R C Bauer*

19 TRIDENT 82

March 2, 1982

The editors of the 1982 TRIDENT wish to place the final spotlight on those hard-working few who put this yearbook together and made it possible. They devoted their time and talents to make this a memorable year for everyone. We would especially like to thank Mr. Dave Gardi, our advisor, who pushed us to meet deadlines and gave us much valuable advice and help.

Sincerely,  
Anne Richards and John Wenger,  
Co-editors
