"Don't walk in

I may not follow,

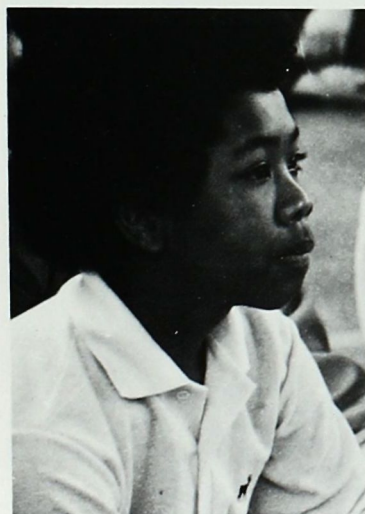

Don't walk
behind me,
I may not lead . . .

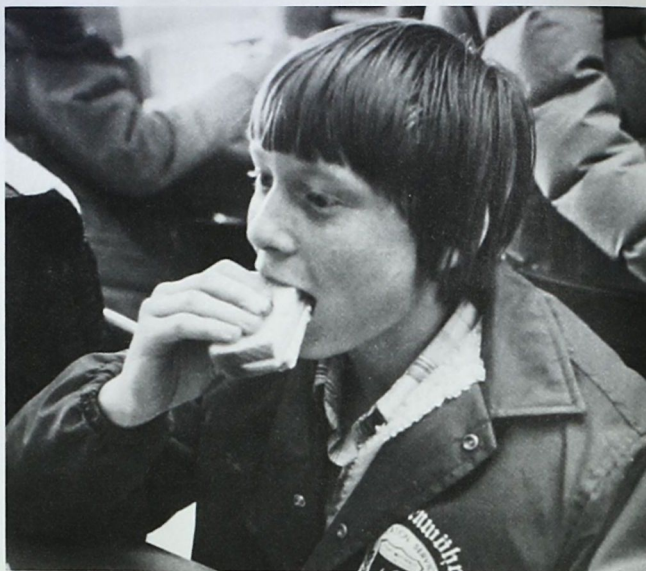

Walk
beside
me . . .

And just
be my
friend. Camus

Faculty and Administration

FRAU FRITZ . . . a Blend of Love and Dedication . . .

We, the faculty and student body, dedicate the 1980 Vilseck Yearbook to Frau Fritz in return for the priceless gifts of knowledge and inspiration she has given to us. It is our way of expressing our gratitude and our sincere appreciation for all that she has done as our teacher and friend.

Good Luck during your retirement years, Frau Fritz.

May the road
rise up to meet you,

May the wind be
always at your back,

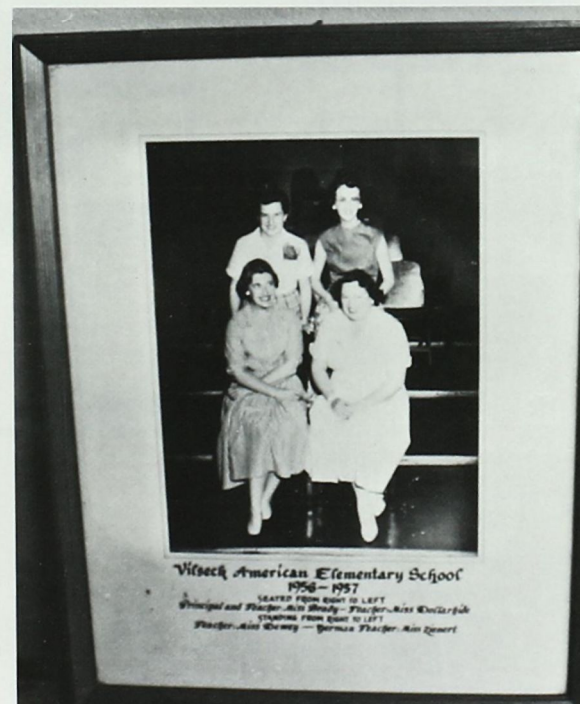

May the sun shine
warm upon your face.

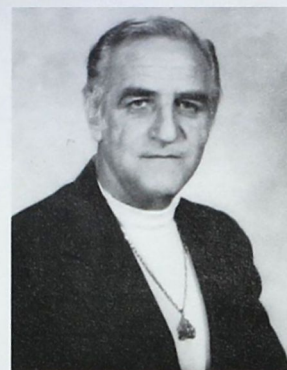

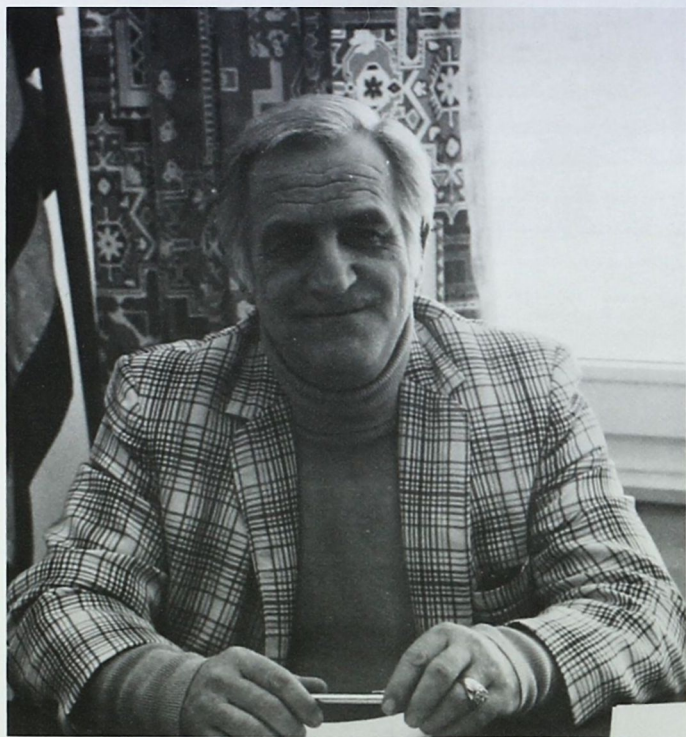

And the rain fall soft
upon your fields,

And until we meet again,

May God hold you in the
palm of His hand.

Epilogue

You hold more than just a book in your hands. THIS IS YOU! YOU, the students and faculty, make up these pages; YOU complete the book.

Much love and dedication went into these pages: from the photographers to the picture processors to the person who arranged the pictures of YOU, which tells the story of your HAPPY DAYS at VILSECK AMERICAN SCHOOL. We hope you cherish this book always.

Thank you, everyone, especially to the persons at TASO for their tremendous community support.

With every good wish that each of you receives a helping hand from his/her friends throughout life.
