Ups and downs, strikes and gutters, highs and lows, 2019-2020 has been a wild ride. The year could not have started out any better than the new Falcon tradition of watching the sunrise together. It was the very first day of school for a few of our newest seniors. It was an event that brought people together. We have also had to say goodbye to many friends, as we often have to do. Having to share our beloved assistant principal with another school in need was exceedingly difficult. Mr. Rodman has touched the lives of so many of our staff and students in a positive way that his absence even for a day is noticed. We hope this experience will empower him to go on to do even greater things for many people.

They're motivated, creative, driven and idealistic. The class of 2020 has always been a special class to me. They were eager freshman when I joined Vilseck High School four years ago. Watching them become the next generation of leaders has been an amazing opportunity. This year they have been instrumental in starting new traditions like our sunrise breakfast, the Christmas Market, winter dance and more. I can only look forward with optimism to think of what the class of 2020 will accomplish after the final sunset on this school year. All of our students have given me a reason to be proud to be a Falcon, and to see a future that is bright with the best yet to come.

Shawn Rodman
Assistant Principal

Well, this year was just full of surprises! We started off the year with the seniors at sunrise on the first day of school. What a great experience that was. Watching the sun come up on the first day of school, followed by a great breakfast was a perfect way to start the year. Special thanks to the seniors for setting it up.

Unfortunately, I never made it to the second quarter. I was reassigned to Hohenfels Middle High School as the interim principal indefinitely. This caused an outpouring of notes and requests to get me back to Vilseck. It made me feel great and appreciated, but it did not get me back to Vilseck. Although this was unexpected, we did the best we could and carried on. Thank you all for keeping Vilseck great in my absence. One day I hope to return to be your AP again.

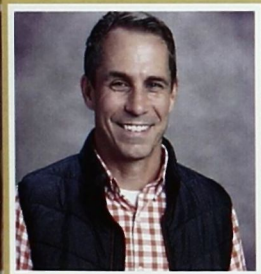

Best wishes to all of you in the future!
Remember to be nice whenever you can.

"I am so proud of how the team played when it mattered most at the European Championships. We really came together and played our best basketball of the year when it counted the most. Our defense was our bread and butter all year and we used it to make toast of Ramstein." - Coach Ritter

"This Vilseck team exemplified the magic that is sometimes found on a basketball court. With much heart, and much hard work, a basketball team can become greater than the sum of its parts. Our team's championship run is proof of such magic. Having vanquished both BFA and Ramstein, there can be no doubt that these freshly crowned Vilseck Falcons were the best basketball team in DoDEA Europe. Congratulations to all the players, to all of their parents, and to my fellow coaches. Every Man, every moment." Coach Romweber

To my little girl, holding her baby, Mr Bunny not far behind, wearing her tutu and Mommy's shoes, this is how I will always see you and I hope you will always see me, holding your hand. It was only for a moment that you were mine to hold. The plans that heaven has for you are starting to unfold. So many different prayers I'll pray for all that you may do, but most of all I want to know you're walking in the truth. May passion be the wind that leads you through your days, and may conviction keep you strong and guide you on your way. I pray that God will fill your heart with dreams and that faith gives you the courage to dare to do great things. I'm here for you whatever this life brings. My darling please remember, it's not living if you don't reach for the sky. I'll have tears as you take off but I'll cheer as you fly! Love you more, Mom

Words that Hit

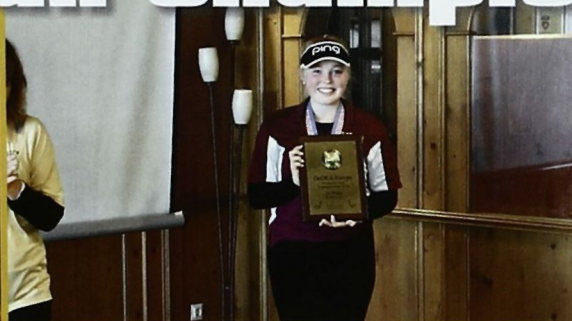

Coaching the 2019 VHS Golf Team was a great experience. Not only did we all improve as golfers but we won (1st place in Europe for girls, 4th for the boys). The best part of the season was seeing our program grow and many new golfers develop their skills and knowledge of the game. In addition, all of our golfers are really pleasant human beings to be around. Just remember the words of Arnold Palmer, "The more I practice, the luckier I get." - Coach Ritter

How COVID-19 changed our lives

Nov. 2019

A novel coronavirus was first identified in China's Hubei province. The disease it causes attacks the lungs and causes rapid onset of pneumonia in already immunocompromised patients.

The first American case was

diagnosed in Washington state. The illness rapidly spread across the globe, endangering mostly older adults and those with underlying and chronic health conditions, including lung disease, heart disease and diabetes.

The World Health Organization (WHO) names the virus SARS-CoV-2 (Severe Acute Respiratory Syndrome Coronavirus 2) and the disease it causes COVID-19 (Coronavirus Disease 2019). Worldwide death toll is 1,107.

2/11

First US COVID-19 death

3 new cases in United States

5 new cases in Canada

February

March

Canada had 118 cases.
United States had 1,267 cases.
Italy had more than 12,000 cases.

The WHO declared SARS-CoV-2 a pandemic, which meant the 118,000 cases and more than 4,000 deaths worldwide required more specific and targeted attention and resources.

To slow the virus's spread, the US suspended European travel for 30 days.

12 Canadian Prime Minister Justin Trudeau and wife Sophie Grégoire Trudeau self-isolated after she experienced symptoms. He was cleared, but she had the virus.

fourteen

- The US reported 2,818 confirmed cases and 58 deaths.
- Fifteen states activated National Guard troops to assist with virus-related concerns, including regulating the flow of medical supplies, food and shelter.
- Canadian provinces canceled schools as the numbers of infected rose.

Friday

16 US states closed schools to reduce spread of the virus:

Alabama	West Virginia	New Mexico
Wisconsin	Illinois	Oregon
Maryland	Pennsylvania	Virginia
Ohio	Louisiana	Utah
Kentucky	Rhode Island	
Washington	Michigan	

the 13th

US declared a national state of emergency.

- Canada reported 341 cases.
- More cases were reported outside mainland China than inside it for the first time in the history of the disease.
- The largest school district in the US, NYC Public Schools, closed.
- The CDC suggested a community ban on all gatherings of more than 50 people for at least eight weeks.

the ides (15)

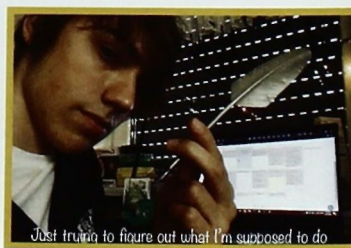

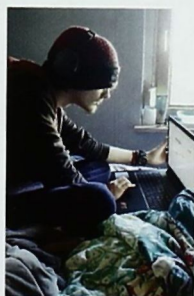

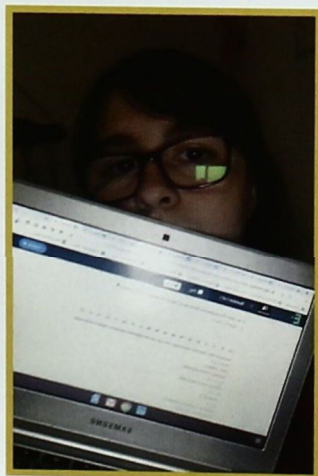

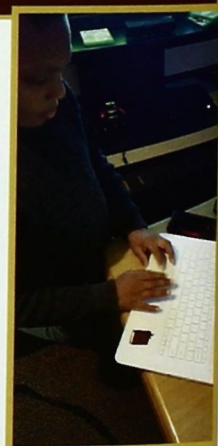

Provinces, states and cities continued to implement strict measures to slow the spread of the virus. The movement, called "flatten the curve" prompted entertainment, bar and restaurant closures across the US and Canada. By Monday, all NBA, PGA, MLB, MLS, NASCAR, NHL, and NCAA sporting events were either canceled or put on hold for two or more weeks. Some especially hard hit areas, including seven counties in California, put a three-week-long "Shelter in Place" home restriction on citizens, requiring they leave their homes only for essential needs. Workers in essential services (emergency and medical, banks, grocery, pharmacy and food service) were exempted from the restriction, so they could work.

17 St. Patrick's Day Celebrations were canceled (even in Ireland). Nonessential services (salons, movie theaters, shopping malls, etc.) were closed for 30+ days in many states. The Canadian-US border was closed to travel (but not trade) in a mutual agreement.

Creative Connections

A week long camp to celebrate the artistic talents of students from all around DoDDs Europe.

Creative Connections is designed to celebrate and challenge the artistic talents of high school students throughout a week, with a performance and art gallery to showcase the students' talents at the end of the week.

Laura Natale, 10th grade, 2nd time drawing student, spent the week hard at work to create artwork. Her favorite medium is graphite pencil.

Eva Bender, 12th grade, poses in front of a drawing she created for the show. Made with pencil crayon, Eva pulled her inspiration from one of her greatest musical idols.

Show-choir students Skyler Berry, Erin Walden, and Zachary Klosterman pose together on a walk throughout the castle grounds next to the Creative Connections hostel.

Lia Chon, 10th grade, holds up her mixed-media painting in the art show, displaying the hard work she created throughout the week.

D-I CHAMPIONS

The Vilseck Falcons shine bright with their new title (Picture from Hannah's Mom)

BY MIA CHON
REPORTER FOR THE TALON TIMES

History was made February 22nd at the Clay Kaserne Fitness Center in Wiesbaden: The Ramstein Royals had to kiss their five-time championship streak good-bye as the Vilseck boys basketball team snatched the title of DODEA-Europe Division I Champions.

Throughout the season, the Vilseck Falcons saw a steady increase in their confidence as the team worked together to beat major contenders such as

showed in their spotless pool play record. Once in the elimination rounds, the Falcons beat the BFA in an intense 53 to 49 over-time match after closing a five-point gap in the last few minutes to secure their ticket to the finals.

The stands were filled with a dense, high-spirited maroon crowd. Loud "Let's Go Vilseck" chants filled the gym with a home-game-like atmosphere for the Falcons as they prepared to play.

Starting with the first quarter, Vilseck maintained a stable 11 to 9

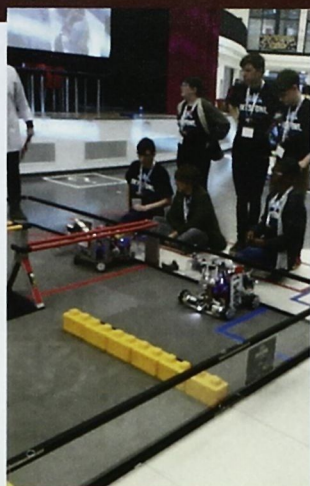

point buzzer-beater which tipped the score 25 to 14.

The Royals seemed to be putting their all on the line after the half-time as the game progressed with aggressive plays. However, the star line-up Josh Valenzuela, Cameron Gaston, Ryan Heckert, Matthew Gardner, Sean Berghoff, and Jonas Matthews kept their focus and increased the score gap. As the clock counted down their seconds to a D-I title, the Falcons pushed the score to a beautiful 36 to 43 victory.

Only two weeks earlier were the Falcons dreaming of this moment. After the Stuttgart match, Ryan Heckert and Cameron Gaston predicted that they would "come home with at least first place" and "get the title." The golden plaque brought back to Vilseck truly in places their efforts.

Captain Rutter reflected that "our entire season we didn't shoot the ball very well, but they were very good defensive players. Each day it was some other player stepping up and we managed to get lost at the right time." He also thanked the
