West Point Elementary and Middle School

A GREAT PLACE TO LEARN

this
book
belongs
to:

(Me)

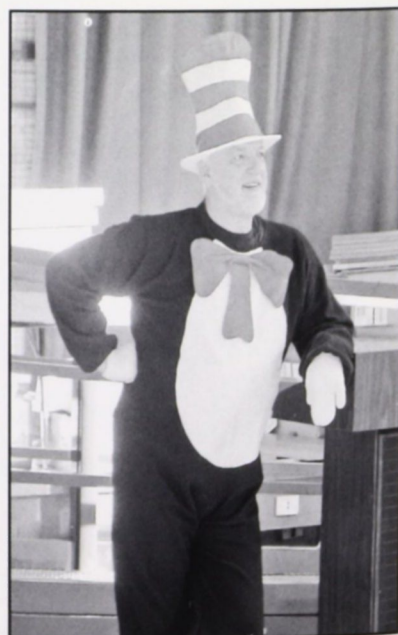

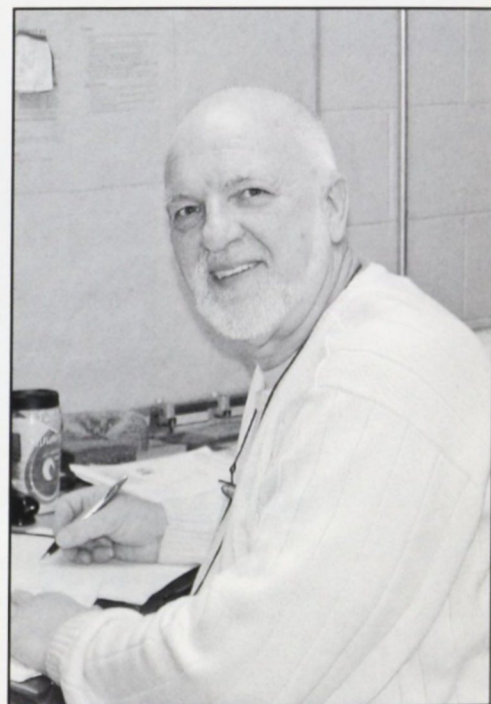

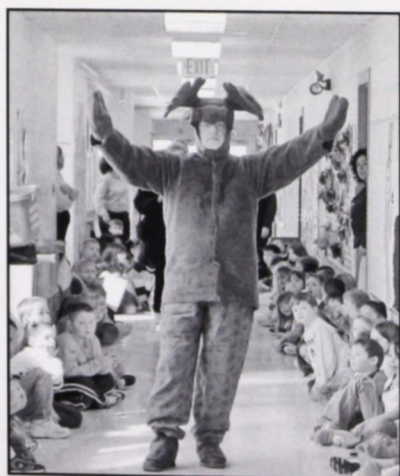

From the Office of the Elementary Principal Mr. Ed Drozdowski

I am delighted to welcome you to our "Celebration of Learning" that occurs on a daily basis here at West Point Elementary School. This yearbook highlights the many diverse activities that occur here and remind us of the all good things have been happening during the 2005-06 school year.

The yearbook staff has worked very hard to insure that you all have a book that you will treasure as a keepsake of this past year. Take the time to browse and remember the great year we have all had and hope that you enjoy this book for a long time to come!

From me, thanks for making the 2005-2006 SY memorable – I have had a great time working with all of you and look forward to another great year with you next year!

Mr. D

**From the Office of the
Assistant Principal
Ms. Joyce Christian**

Dear Students,

As you think back over this school year, I am certain that you will have wonderful memories of all the great times you have had. Some of those memories will be filled with exciting happenings with friends and family; others will be of special school events like when The Cat in the Hat served you Green Eggs and Ham for lunch. Also I am sure that you will think back over all that you have learned and how much you have grown during this school year.

WPES is a special place that celebrates all of your accomplishments. Do you remember those days when you did a really super job and your teacher and classmates shared that excitement with you? Do you remember the day in Art, PE, or Music when you truly felt like a star? Do you remember Theater Week, whether you were a performer or an audience participant? We all had a great time, remember? We hope that you take these special memories with you wherever your next learning journey takes you. We want you to know that all that you have learned and shared while being a student here at WPES is what has made this school a special place.

Sincerely,

Joyce M. Christian
Assistant Principal

remember
the
time...?

From the Middle School Principal's Office Mr. Joseph Motolenich

A most friendly "HELLO" to all West Point Middle School students, parents, and friends. WOW! What a fantastic school year 05-06 proved to be for all of us. We enjoyed the additional activities and learning opportunities that our new middle school approach brought us - - - we chatted on many topics during our "advisory periods"; we were able to select from, and dynamically engage in, a growing set of class electives and encore subjects; we all benefited from expanded time on task provided by our block scheduling (and sometimes drove ourselves "wacky?" J); students and teacher sponsors brought us multiple honors via their winning efforts in a growing field of extracurricular sports ventures, academic and art contests, concerts, and performances; and we again stood tall and proud as promoters of the long standing traditions of excellence at WEST POINT!

I wish to thank you for the opportunity to have served as your School Principal - - I, too, will proudly carry this most dynamic and rewarding professional and personal experience.

Stay well and the best for each of you...ALWAYS!

Your Friend From The Caribbean,

Joe Motolenich-Valladares

Backpacks for Katrina

West Point Schools came to the aide of those affected by Hurricane Katrina in the summer of 2005. With an idea from a fourth grade class, our schools put together more than 350 backpacks for children who had to move to Texas and would be without school supplies and clothing.
