West Point Elementary School Yearbook
2010 to 2011

Autographs

Boys and Girls,

Thank you for making 2010/2011 at West Point Elementary School an exciting one, filled with fun and learning! We have all grown so much this year, learning from each and every one of you and hope that you have learned from us too. We had fun reading with you as we kicked off our Reading Challenge in the Fall. Our Winter Sing-a-Long had us humming and smiling during the entire holiday season. We had our fair share of snow, and even most of you grew weary of snow days. We Jumped into Spring, jumping rope all together. We accepted the President's Fitness Challenge and were so proud that we are a model demonstration site, "Healthy Bodies, Healthy Minds!" The class projects you shared with us proved how much you have learned and grown this year. Thank you for including us in all of your wonderful celebrations. Your parents and your community have been our partners in helping you learn and grow and we truly appreciate all of them. The teachers and staff at West Point Elementary School are superb and really are extraordinary educators. Being the administrators at West Point Elementary School has been an honor. Thank you for a great year!
