. . . and Hairy, our mascot

Mrs. Jane Hinken

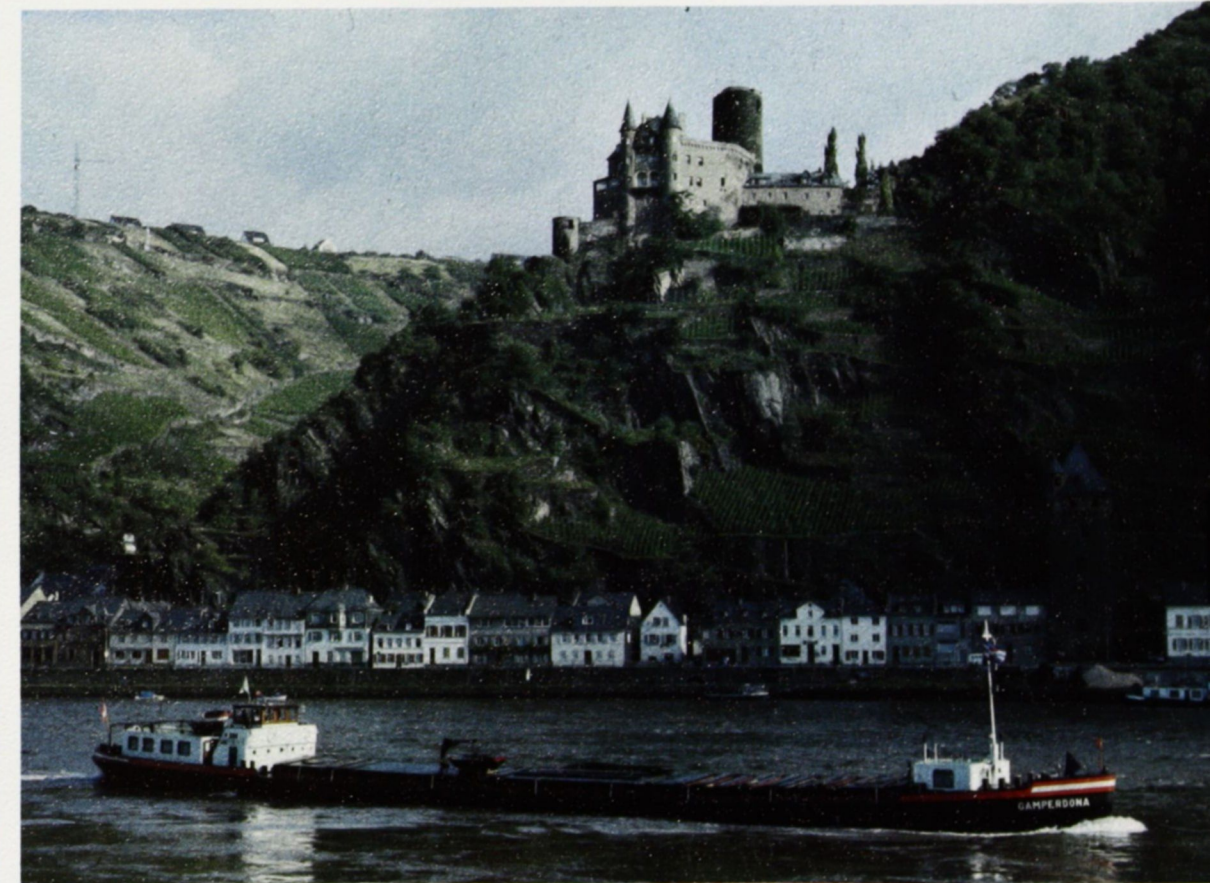

Germany

Our Temporary Home

A land of flowers and towers, of castles in the air, like Neuschwanstein near Garmisch or Katz on the Rhine above the precipitous vineyards which produce world famous wine. A land of lush valleys and flowered chalets, and little old ladies going somewhere, to church on Sundays or carrying milk on unsteady bicycles. It is also a land of autobahns with breakneck speeds and industry everywhere and rock-solid currency, but it is old Germany, quaint Germany, which makes its mark on us.
